

Severe Kidney Trouble

Mrs. F. Rinehart, Campbellville, Ont., writes: "I had trouble with my kidneys and very frequent urination. This was followed by pain which at times was very severe. The doctor said I had inflammation of the bladder and that an operation might be necessary. To this I refused, and began using Dr. Chase's Kidney-Liver Pills. From the first few doses I felt the benefit. The pains left, urination was corrected, and I have had no recurrence of these ailments."

THE LATE WELLINGTON ARCHIBALD

The many friends of Dr. and Mrs. C. Archibald of this city will mourn with regret the death of the doctor's father, Mr. Wellington Archibald, which occurred in Vancouver last Thursday the 18th instant. Mr. Archibald went to Vancouver in October to spend the winter with his son, Dr. E. H. Archibald in order to escape the winter weather in the east. He was the best of health until two days previous to his death when he contracted pneumonia to which he succumbed. The late Mr. Archibald was well known to many in this city where he spent the winter of 1920-21 with his son Dr. Archibald and was also here last spring. He was a gentleman of the most genial and companionable disposition and made many friends who will learn with sorrow of his passing. He was born in Truro, N. S., and was 84 years of age. Throughout his life he enjoyed robust health. He leaves to mourn four sons: Richard in Los Angeles, Dr. E. H. Archibald in the University of British Columbia, Dr. C. C. Archibald of this city and George of Sydney, N. S. The funeral was held from the home of his son on Saturday.

THE LATE THOMAS STRICKLAND

At the residence of his son-in-law, Mr. S. L. Hardy, 44 Ambrose Street, on Thursday evening, 19th instant, one of Charlottetown's best known and respected citizens in the person of Mr. Thomas Strickland departed this life in the eightieth year of his age. The deceased had been in failing health for some time; first from rheumatism and later from heart trouble from which he died. Born in West Point Newfoundland in 1843, he married Sarah Blamfield of the same place and moved to Lockport, N. S., from which place he came to Charlottetown about forty years ago. For a considerable time he was variously engaged in business, but for twenty three years he conducted a general meat store on the corner of Upper Queen and Stewart Streets, from which he was obliged to retire about two years ago owing to rheumatism. He was married twice, his first wife predeceasing him some twenty one years ago, and five years later he married Miss Alice Jackson, Brackley Point Road who, with the following first wife's children are left to mourn: William in Calgary, George Moore Jay, Sask.; Frederick, Rosendale, Mass; Mrs. H. L. Hardy, Mrs. S. L. Hardy, Hubert, C. N. R. Shops, all of this city, Mr. Strickland has left behind him an enviable reputation for honesty and square dealing; and was justly looked upon as one of our best citizens. His was a strong personality, tempered with Christian charity to ward all. The funeral was held from the residence of his son-in-law, Mr. S. L. Hardy, 44 Ambrose Street, yesterday at 2 p. m. to the People's Cemetery. To the sorrowing wife and family the Guardian extends its most respectful sympathy.

CHARLOTTETOWN GIRLS' COUNCIL The Charlottetown Girls' Council held their monthly supper meeting in the Kindergarten Hall on Saturday evening. There was a full attendance under the presidency of Miss Margaret McInnis and during the supper the subject of discussion was sportsmanship, in which all the members took part. After supper the regular business of the Council was taken up and disposed of. Among other matters, it was decided to hold an inter-church banner contest. After some discussion the following resolution was unanimously adopted: Resolved that we, as C.G.I.T. girls should hold the highest possible standard of honor in school and at home and further resolved that to be a good sport one must observe the following rules: Be a good loser; a good winner and be honorable in all things. Therefore the Charlottetown Girls' Council will try to uphold this standard, and try to influence their companions to do likewise. In the interval between supper and business, discussion, there was a sing song and a devotional period.

THE TRAINS.—A slight fall of snow and hail yesterday morning followed by rain, made the railway tracks very heavy and the ploughs were busy on every part of the line, in some places had drifts of snow encountered. The line now clear. The trains this morning will start on schedule time. The car ferry left Tormentine at 7.25 p. m. Saturday and arrived at Borden at 2.45 a. m. The Borden train with mail and passengers arrived in Charlottetown at 5.30 a. m.

Famous Skaters Will Perform in Charlottetown

The management of the Arena are arranging for the appearance in Charlottetown of R. F. Winslow and Lora Jean Carlyle, known as the "American Whirlwinds." These skaters are of world wide fame, and their recent performance in the Hippodrome New York, was pronounced the most sensational skating act ever witnessed there. Watch for the dates of their appearance.

Oxford Canadian Hockey Team Beat Germans

DAVOS, Platz, Switz, Jan. 21 1922—For the first time since 1914 Britons and Germans met in friendly combat, when on Dec. 28th the Oxford Canadian ice hockey team defeated the Schlittschuh Club of Berlin by a score of 11 to 1. On the following day at Klosters, another sports centre not far from here, the Oxford "A" team again defeated the Germans by a 6 to 1 score. The sole victory of the Berlin team was over the local club whom they easily defeated 11 to 2. All three contests were marked by the finest spirit of sportsmanship, not a single penalty being inflicted by the referees. The Germans took their defeats in good fashion, admitting that they had scarcely hoped to win, but hardly expecting to be defeated by such large scores. This one can understand when it is remembered that on their team were two Swedish players, who had played in the Olympic games of 1920 against the world champion Falcons of Winnipeg.

Another Hockey Referee

Bernard Mooney has been appointed an official referee of the N. B. and P. E. I. Hockey League. This gives St. John two official referees as J. McGowan was appointed early in the season. Mr. Mooney is endeavoring to arrange a game with the St. John team, but so far neither organization has been able to find an open date suitable to both. The U. N. B. team is ranked as a strong one having four of the best of the Fredericton city team on their line-up. In the matter of referees St. John can boast of another in the person of J. Harold Drummond who while on the north shore refereed some of the deciding games in that section of the league. He is ranked as a very competent man with the whistle.

Kings College Blanked Acadia

WINNIPEG, Jan. 19.—In the best game of the season to date, Kings' hockey team trounced Acadia by a score of 6-0. The score does not quite give the exact impression of the game, as at times Acadia was very dangerous and but for the splendid stopping of Smith, for while on the north shore would have been different. Smith gave an exhibition to the 300 fans that was worthy of "Stonewall" Bishop, and the best ever seen in Windsor.

Lunenburg Beat Bridgewater

BRIDGEWATER, Jan. 18.—Lunenburg defeated Bridgewater 3-0 in the fastest game of hockey played in Bridgewater since for several years this evening, before nearly 1,000 fans. It was the game of the South Shore League series. Each team was equally supported by rooters, a special train from Lunenburg conveying 300 people. The line-up: Lunenburg—Fox, Loye, Hirtz, forwards; Schnare, goal; Lebon, Smith, defence; Corkum, Bolivar, Ismott, Riester, subs. Bridgewater—Wile, Milman, Beagin, forwards; Hall, Jacobs, Simmon, defence; Cook, Naugler, C. Wile, A. Cushing, O. Baker, subs. Referees, F. Powers, Bridgewater, H. Burns, Lunenburg.

The Mails to Date Will be Delivered by Carriers Today

Referring to the blockage consequent on the recent storm period Post Master McCarrey gives some interesting information regarding the mails. On the 12th, when the north east snow storm set in, and the car ferry was unable to leave the terminus at Borden until the 17th, she took twenty-four hours to make the round trip on the eleven mile course between Borden and Tormentine. The steamer did not leave Charlottetown on the 18th but on the 19th a single trip to Tormentine was made in eight hours. On the 20th, owing to a change of wind which improved the ice conditions three single trips of the steamer were made, bringing all mails up to date on the morning of the 21st.

St. Pats Lose to Hamilton Tigers

TORONTO, Jan. 18.—After battling eighty minutes here Saturday night St. Patricks and Canadians were forced to call the honors even and the score at the finish was 2-2. Leo Dandurand presented a team that will give all comers a race for the National Hockey League title and Saturday night they held the Irish at bay and broke even in the scoring, which is no easy feat when it is considered that with Cameron, Stuart and Noble at the try of their form none more. St. Patricks are fifty per cent more formidable than at the beginning of the season.

Canadians Make Good Showing

PLATTSBURGH, N. Y., Jan. 18.—Although all the skaters in the Plattsburgh meet of the Adirondack Golden Cup races are being compelled to follow the lead of Charles Jewtraw, the Lake Placid speed demon, the Canadian boys that are there are succeeding in holding their own and walking away with a good share of what Jewtraw leaves. Charles Gorman, of St. John, N. B., in maintaining his record as a fast man and although he was unfortunate on the first day, he came in second to Jewtraw in one of the prettiest races ever seen on the local rink. Frank Garnett, another St. John, N. B., youngster, finished third in what was almost a blanket finish. Although this youngster was compelled to fall out of the mille senior race, he is showing exceptional speed in the shorter events. So far Russell Wheeler, of Montreal, has failed to qualify for any of the finals or semi-finals. A spill received on the first day may have had something to do with this. Edward Gloster, of Toronto, won his heat in the 440 yard preliminaries and in the semi-finals of this race was teamed with Jewtraw and pushed the latter to the limit for his first heat. St. John, was third in this heat. Charles Gorman was first in his heat in the semi-finals against Mulflur and Perlberg.

Ottawa Curlers Defeats Scots

OTTAWA, Jan. 18.—Local curlers took the long end of the total point score here yesterday in their match against the visiting Scotch curlers. The aggregate score was 74-53. The visitors gave a splendid account of themselves, however, and won two of the six games played, and tied one. Most of the games were closely contested, the only one-sided affair being when C. S. Scott, a veteran skip of eighty years of age, of the Ottawa Curling Club, defeated M. H. Kennedy, visitor, by a score of 27 to 1.

Lunenburg Beat Bridgewater

BRIDGEWATER, Jan. 18.—Lunenburg defeated Bridgewater 3-0 in the fastest game of hockey played in Bridgewater since for several years this evening, before nearly 1,000 fans. (Special to The Guardian.) QUEBEC, Jan. 21.—Armand Lavergne, formerly Henri Bourassa's first lieutenant and now John Robert's attorney, who yesterday was offered the nomination against Premier Taschereau in Montmorency stated today that he had been also offered to run in Quebec East and Levis. He stated he would not give an answer for a few days but from close friends it was learned that he would likely be his candidate in Quebec East. His acceptance of an interesting element would add an interesting element to the contest as Mr. Lavergne would support Mr. Sauve the Conservative leader.

DOOM OF HIGH SILK HAT PROCLAIMED

ATLANTIC CITY, Jan. 20.—The era of sensible clothes which has followed the war has doomed the plug hat, said C. Harris, of Fulton, Mo. here today, at the fifteenth semi-annual convention of the American Association of Wholesale Hatters. "For many years past," said Mr. Harris, who is secretary of the association, "there has been a gradual decline in the popularity of the high silk hat, until at the present time what was once the most popular form of headgear is now on the high road to extinction. Whether this change has been influenced by the assertions of medical men that hard hats produced baldness, I do not know."
