ACKNOWLEDGEMENT—The treasurer of the P. E. I. Auxiliary Bible Society gratefully acknowledges the receipt of \$50 from the Princetown Bible and Missionary Association.

TENEBRAE—The Tenebrae was sung last night in the Pro-Cathedral commencing at 7 p. m. The Cathedral choir sang the matins and the Lauds being responded to by an excellent choir from St. Dunstan's College. Lamentations were sung by members of both choirs. A large crowd attended.

SUDDEN DEATH—The death which was announced in yesterday's Guardian of Edna the five-year-old daughter of Mr. and Mrs. H. C. Easterbrook, of Elm Avenue, Charlottetown, was painfully sudden; the little girl succumbing after hardly more than an hour's illness.

THE BISHOP'S CARRIAGE—Citizens in general were waiting largely for the appearance of Daniel Frohman's presentation of the Bishop's Carriage which was put on at the People's Theatre last evening. Long before the hour of starting hundreds crowded the hall and during the entire evening standing room was at a premium. The famous story, familiar to the reading public was splendidly presented and could be very readily followed throughout. Many picked up names was wonderfully entrancing and even at her worst she was the idol of the audience. Her stage career was full of thrilling adventure but the whole hearted manner in which she was encouraged and helped by Obermuller was delightfully real and makes one of the finest movies ever produced in this city, and one which will no doubt be very largely patronized to-night, as the pictures, like the book are the better for a second seeing. Truly the strides made in presenting such pictures as in The Bishop's Carriage are wonderful and highly entertaining. The program was nicely balanced by a comedy entitled Louie the Life Saver, and a drama The Missing Ring, while Mr. Cameron, in excellent voice, entertained in his own peculiar way causing lots of laughter. The show throughout was most entertaining.

THE STEAMERS—The Earl Gray docked in Picton yesterday at 12-05 o'clock with 230 tons freight, 53 passengers and 35 sacks mail. The Minto docked in Charlottetown at 12.20 taking over 30 passengers, 130 sacks mail, 1554 lbs. express, 2 cars seeds and one car fruit, besides other freight.

PAINFUL ACCIDENT—Mr. Thomas Whalen, a young man employed at M. P. Hogan's wood-working factory received a painful accident yesterday morning. He was in the act of adjusting the gauge of the rip-saw when his hand slipped coming in contact with the saw which amputated his right thumb above the first joint, and somewhat lacerated his forefinger. Dr. Conroy was at once summoned and the young man was afterwards removed to the City Hospital.

PRINCE EDWARD THEATRE—There was a fair attendance at the Prince Edward Theatre last night when a good program of entertainment was presented. The feature picture was "The Ways of Destiny" and it was a powerful drama well presented. It was a real good picture and will be repeated tonight. The other pictures were "To Love and Cherish," "The Haunted House," "The Catch of the Season," and were also of a high order. Mr. Cairns sang "Thora" and was heartily applauded.
