**Gums Like Coral**  
Teeth with that dazzling whiteness you see

This new way brings them quickly. Send the coupon

DENTAL science has found a new way to lighten cloudy teeth. A way that often changes a person's whole appearance. Your teeth, it's learned, are not naturally off color—simply coated with a film that absorbs discolorations from food, smoking, etc.

You can feel that film now with your tongue; a slippery sort of coating. It is there largely because your present dentifrice is causing your present dentifrice to fall in its duty. Ordinary dentifrices don't fight film successfully and brushing won't do it.

Now a new-type dentifrice has been discovered. A film-removing paste called Pepsodent. Famous \$100,000 movie stars use it before going on a scene. That's why movie smiles are so gleaming white.

Leading dentists urge it because it protects the teeth and firms the gums. Film breeds bacteria that invite tooth troubles and pyorrhea. It is there now imperiling your teeth, your gums; making you smile unattractive.

Clear it off. See the amazing difference made. Get Pepsodent at any drug store. Or send the coupon for test tube free.

FLOURISHING SOCIETY.—The Christian Endeavor Society of St. John's Presbyterian Church, Belfast, is making good progress. The meetings are well attended and have been very interesting and helpful. Up to date, forty-seven members have enlisted, the majority of whom are great enthusiasts in the meetings by their hearty singing, their active part in the discussion of the various topics and their willingness to help along the good work by taking their turn at leading the meetings. On the evening of April 15th the meeting was led by Mr. Robert West. The topic of the evening was John 10th Chap. 14-29—dealing mainly with the verse, "I am the Good Shepherd and know my sheep and am known of mine," and proved very interesting and instructive. Those who did not take part in the discussion answered to the call by appropriate verses of Scripture. The subject for April 22nd will be Matthew 10th Chap 1-19—Leader for the evening Miss Christine Miller. Members of this Endeavor extend a cordial welcome to all—Our motto—"Always room for one more member." "I'm not ashamed to own my Lord. Or to defend His cause. Maintain the Glory of His Cross. And honor all His laws."

**Throat Trouble**

Toronto, Ont.—"For about eight years I was subject to laryngitis, my throat would get very sore and I would lose my voice. I would have a spell of this kind a couple of times a year, especially in the winter when the weather was cold and disagreeable. It would be a couple of months each time before I would fully recover from these spells and get my voice back. I doctored and took medicine with little relief until I began taking Dr. Pierce's Golden Medical Discovery and it has so completely relieved me of this trouble that I scarcely ever have a sore throat or suffer in any way from my former trouble."—Mrs. A. McDonald, 28 McMurrich St.

Golden Medical Discovery is put up in Dr. Pierce's Laboratory in Bridgeburg, Ont., and sold by all druggists in both tablet and liquid. Send Dr. Pierce 10c if you wish a trial pkg.
