HOME AND SCHOOL MEETING - The monthly meeting of the Kensington Home and School Association was held on June 12th, with the President Mrs. F. R. Naus in the chair. After reading the Creed responsively the minutes of last meeting were read and approved. Mrs. J. Pendergast then gave a brief report of the Musical Festival in Charlottetown and the group sponsored by the Home and School. Mr. J. F. Profit added a few complimentary remarks. A motion to have a letter of thanks sent to Rev. Mr. Murray for his untiring efforts in training the singers with such pleasing results, was unanimous. The President gave a brief resume of the work done by the Home and School during the past year. Monthly meetings of much interest with several addresses by guest speakers was a feature of the years program. A radio with electric plugs installed in each room was the major gift to the school. Treats were bought for the children at Christmas and a substantial donation to the Prize Fund was also given. A ten dollar prize is offered to the student of Kensington making the highest marks in the P. W. C. Matriculation examinations, the same as last year. There was some interesting discussion on the coming National Convention to be held in Sackville in August. Ten dollars was voted to help to send some members to this Convention. Several worth-

while articles on education and Home and School activities were brought to the attention of the members by the President and excerpts from one in the Charlottetown Guardian were read by Mrs. Fred Parker. An article from Home and School Magazine was read by Mrs. Lewis Murray. The meeting then adjourned with the singing of the National Anthem. -K.

DOVER, England - (CP) - Frank Webb, who handled 7,497 war casualties of all kinds of birds and animals, received a silver salver in appreciation of his "brave and humane work."
