..*RED POINT.—Crops all secured. Potatoes little more than a third of an average crop, make outlook bad for farmer and merchant. After weeks of gales, a few fine days have encouraged the fishermen of Basin Head, to resume their operations, they had again set their trawls and have been rewarded by an immense catch of hake the last two days. A body of squid on these shores provides an abundance of the best kind of bait, and the school being close to the land, they are easily secured.—Messrs. Durin, Chandler, McIntosh and Irish, all knights of the grip were visiting their patron customers recently.—Mr. William H. Fraser, East Baltic, is suffering from a broken collar bone as the result of a fall from a ladder recently.

A CHILD HATES OIL CALOMEL, PILLS FOR LIVER AND BOWELS
GIVE "CALIFORNIA SYRUP OF FIGS" IF CROSS, SICK, FEV. ERISH, CONSTIPATED
Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.
With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.
If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy, they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.
Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

ISLAND SOLDIER HAS SERIOUS ACCIDENT
The following is a letter received by Mrs. Dan McKinnon from her nephew Mr. Simon A. Campbell, Otterpool Camp, England formerly from Brooklyn, P. E. I.
30th Bty. C. F. A.
8th Howitzer Bgde., Otterpool Camp, England.
Dear Aunt Flora:—
I have often thought of writing to you since coming over here but kept putting it off till I would have some photos taken to send you. I am sending you in a separate parcel one for you and one for Aunt Effie.
You have no doubt heard before now that I am in England, I came over here in June with a draft of 40 from the 20th Battery, Calgary and after arriving here we were put in the 2nd Reserve Battery at Shorncliffe. While there several more draft came over till we had over 200 men in each of the three Reserve Batteries. Then last month they picked out about 450 of us and send us down here and turned us into a howitzer brigade. While we came over here first we thought we would be sent to the front as reinforcements right away but I guess the Artillery didn't need many since then.
We had quite an exciting experience here last Wednesday night shortly after 9:00 when a Zeppelin flew over our camp dropping our bombs. None of them dropped on our lines. I caught a glimpse of it as it flew over our lines but lost sight of it before they started to drop bombs. We could hear the noise of the engines quite plainly. The bombs made holes about four feet deep and 6 or 7 feet across.
This place where we are camped is about 80 miles from London near the East coast of Kent. It is a very pretty place in the middle of a farming district. The nearest towns of any size are Folkestone 8 miles away and Oshford 7 miles. We are in tents here, not quite as comfortable as the barracks we were in at Rose Barracks, Shorncliffe. However we have floors in our tents and four blankets and a straw mattress each so we are fairly well off.
The weather is fairly good now. A few weeks ago we had a spell of very cold rain. The nights are cold now and sometimes foggy. I don't know when we will be sent to the front. They seem to be getting us ready as quickly as possible since we came to the Howitzer Bgde. Our Lieut. Col. had been to the front already and won the D. S. O., and was also wounded there. The Major of our battery is from Pictou, N. S. His name is McKay. The other officers are Capt. Rowlinson, Lieut. Carmichael, Fleaman and Dergend.
I have been up to London on a six day pass a couple of months ago. I visited several interesting places including Westminster Abbey, St. Pauls Cathedral, Tower of London, Parliament Buildings and several others. I may go up to Scotland before we leave if I can get a pass. I would like to take a trip up there. There are some other islanders here besides me. Two of them came over with the draft. One of them is a fellow by the name of Fred Halliday from Eldon. You will probably know his people. He was badly hurt a few weeks ago while riding one of our horses. The horse reared up suddenly and fell backwards on top of him and then when getting up slipped and fell on him the second time. Everyone thought he was killed sure. His skull was fractured but there were no injuries about his body. He was unconscious for nearly four days but is out of the hospital and in a convalescent home now.
Well I guess this will be all for this time. Give my best regards to all. Hoping to hear from you any time you have time to write and trusting this will find you all well and with love to yourself and Aunt Effie. I remain
Your loving nephew,
SIMON A. CAMPBELL.

Miller Bros Pianos
The Heintzman & Co.
---A Piano for the Fastidious
The makers of the Heintzman & Co., Piano are not in business to produce merely a good or a VERY GOOD instrument; they manufacture beyond question the BEST PIANO that has ever been offered the public, and the whole resources of their institution are bent toward maintaining their SPLENDID STANDARD and IMPROVING IT, be it ever so slightly, from time to time. The Heintzman & Co. Piano is not an instrument that is produced at a given price to place upon the market; the expense of its manufacture is a matter of but minor consideration, and the ruling idea has been to make the best piano that skill and genius can put together irrespective of cost. The Heintzman is beyond ordinary commercial usages, and is far beyond the ordinary best piano quality.
The exquisite quality of tone in the Heintzman Piano is a matter of marvel. Every other manufacturer acknowledges its unrivalled beauty and very many have spent time and money in the attempt to duplicate it.
Nevertheless, the Heintzman tone remains today a thing apart in Piano tone; there is no other piano like the Heintzman, and we think, no other can satisfy the fastidious purchaser—who can afford to have one.
We are sole handlers of Heintzman & Co., Pianos in Prince Edward Island. It will give us pleasure to have you examine our stock.
