The opening of the C. O. Foresters Public Hall at North Wiltshire on the evening of the 16th. inst. was a successful affair. Ewen Campbell ably presided as Chairman and in a brief address stated the object of the night's gathering.

The first number on the program was an opening chorus by choir, followed by a comic recitation from Ross Bellmore. Instrumental music was rendered by the Messrs. Docherty on the violin, followed by songs, recitations, instrumental selections, etc., by Miss Jeanette McLeod, Miss Margaret Campbell, A. C. Cullen and John H. Myers. Swinging the baton and step dancing by C. Blanchard together with the comic songs and acrobatic feats of John H. McLean brought down the house and kept the large audience in roars of laughter for a considerable time, the generous applause given the various performers showing that a pleasant evening was being spent. A few remarks from J. M. Nicholson on behalf of the Building Committee returning thanks to the audience for their attendance brought this part of the evening's entertainment to an end. Miss Jeanette McLeod ably acted as accompanist of the evening. Then began the sale of baskets by the old reliable D. E. Campbell, who by his magic ways procured grid edge prices, which was indeed to have a telling effect on the ladies. The proceeds of the evening amounted to the sum of \$130.00 which goes towards reducing the debt against the Hall. The Committee in charge take this means of thanking all those who helped towards making the night's gathering such a decided success.

BEFORE closing for the Christmas holidays, the pupils of Clifton (Campbellton) school, to show their appreciation of the services of their painstaking teacher, read and presented him with the following address. "To Alexander McKay, teacher Clifton School.

Dear Teacher.—We the pupils of Clifton School feel that we cannot permit another Xmas season to pass without giving expression, in some tangible way, of our feelings of good will toward you for your extreme kindness and the great interest you have taken in us, our studies and our own welfare, both at home and in school, during the three and one half years you have been our diligent, faithful and very patient teacher. By your pleasant manner and kind disposition. You have endeared us all to you, not only for the time being but for all time to come, you have made our studies so interesting and plain that it was and is a very great pleasure to attend school and study under your direction and guidance. We all know quite well that it is very difficult for any teacher to please everybody, but in this you for one have excelled. We also know that you have had a great deal to bear with from us, but we will try and do better in the future and wish that you may see your way clear to remain our teacher for a long time to come. Please accept this accompanying gift as a small token of our regard for you. Wishing you a Merry Xmas and a Happy New Year, we remain your devoted pupils. The gift accompanying was a valuable and handsome picture taken by surprise replied in a few brief and well chosen remarks, thanking them for their kind words and handsome gift, saying in part that it was only a pleasure to work with such persevering and agreeable scholars, and assuring them that the three and one half years spent among them were the most pleasant and profitable of his life. He then treated the scholars to Xmas cards and candy and wished them in turn a very Merry Xmas, and Happy New Year.
