## THE PRINCE COUNTY GUARDIAN

Offices in Summerside, John Dickieson, Agent, and in Alberton, Herbert Clark, Agent.

The latest news, first of all.

M. C. Delaney, Albany, was in Summerside yesterday.

Miss Helen M. Christie, Amherst, is visiting in Summerside.

Rev. J. J. McDonald, Kinkora, was in Summerside yesterday.

Robert McLean, Alberton, was a visitor in Newcastle, N. B. last week.

Rev. A. F. Carr, Campbellton, N. B., arrived last night by the Empress.

Parker Ritchie of the Freight office, Summerside, has returned from his summer vacation.

Misses Hilda McLean, Bertie Baxter and Gladys Willis of Amherst, are visiting in Summerside.

Mr. and Mrs. Morden, Moncton, spent Sunday in Summerside and left by the Empress yesterday on return.

Mrs. Leslie B. McMurdo, Newcastle, whose husband is a native of Alberton, was a recent visitor in Loggieville, N. B.

Councillor Roy Holman, Summerside and Dr. Wm Holman, Montreal, left yesterday by the schooner Anthe D. on a trip to the Bras D'Or Lakes.

The steamer Ryhope arrived in port last evening from Montreal. She had a large cargo for Summerside.

St. Ann's Sunday, July 25, was celebrated at Lennox Island and gave pleasure seekers an excellent opportunity for a day's outing. From early morning till noon the Mimnas were busily engaged in conveying visitors from the mainland to that beautiful little island in Richmond Bay to aid in the celebration. Flags and boats of all kinds were brought into service for the occasion. The day was all that could be desired and every person worked in unity. The well cultivated plots and the neat cottages show that the people are advancing in the art of tilling the soil. Much may be learned by the thinking visitor to this historic island. The parochial wigmans are fitted up like a palace and reflect much credit on the parish. Here quite a number of visitors can be entertained by Rev. J. A. McDonald, when at home, and few indeed know how to entertain friends better than Father John. There were quite a number of the aboriginals of New Brunswick present.

The deenary meetings at Kensington last week were largely attended and were very successful in every way. The Sunday School Conference held on Wednesday afternoon took the form of a series of questions asked by the members. Tea was served on the lawn afterwards and a very pleasant time was spent. At 7.30 there was a Conference and service. Prayers were said by the Archdeacon and Rev. F. M. Webster and Rev. S. J. Woodroffe preached an appropriate sermon. On Thursday at 8 a. m. a large number attended the celebration of the Holy Communion. A devotion-al meeting was held at ten o'clock led by Archdeacon Reagh. At two p. m. the Semi Annual meeting of the Women's Auxiliary took place and was largely attended. At 7.30 a meeting was held in the interests of the Laymen's Missionary Movement at which addresses were delivered by A. J. B. Mellish and T. C. James of Charlottetown, and Millman of New London parish.

James Rennie, Manager of the Western Union Telegraph Co., arrived last evening on a visit to the Province.

There were 80 passengers going out by the Empress yesterday and 200 returning to Summerside at 6.40 p. m.

Isabel McGregor, the great brood mare, owned by Frank Beales, City, dropped a foal at McKays farm, St. Peter's Road on Friday morning. This is one of the best if not the best foal in the Dominion. Dam Isabel McGregor trial 2.16, half in 1.03, quarter in 30 seconds, by Robert McGregor. Sire Pilot Medium Jr. 2.09, the world's record to cart. Mr. Beales thinks that this foal, Pilot McGregor, will make as good a stock horse as George Crescens, (3) 2.27

Carpenter-Morton Roofing is made of wool felt saturated with boiling asphalt and then treated with a special water-proofing compound so that it is not affected by heat or cold. GAY'S VEGETABLES.

Our vegetables are taken fresh from our garden daily, indeed we pick them in the morning again at ten and very often a third supply is taken in the afternoon. In this way the consumer has all the luxury of a garden at their door fresh and crisp from mother earth. Cauliflower, a dish fit for the Gods, cabbage with the dew sparkling on them, lettuce just as you like it, beets so tender and nice, peas in the pod the kind that melts in your mouth. The new way to use peas is to cook them in the pods the peas go to the bottom of the dish the pods float on the top, cooked in this manner they are just delicious, try them and be convinced.

With wax butter beans, bunch onions, turnips dry onions, parsley, cool crisp cucumbers, bunch carrots, new potatoes, and old strawberries and many other lines not mentioned it goes without saying that we have something to suit the taste of the most fastidious and critical buyer.

Remember our Saturday and Sunday night special trade, this feature of our business appeals to many that have not time at their disposal to call through the week. Orders taken for delivery up to nine o'clock Saturday nights open until ten, please do not ask to have anything delivered after nine.
