These figures will convey to the fishermen some idea of the Fisheries of Canada. They will realize what it will mean to have the United States markets thrown open to them. Do not forget that the market of Porto Rico is also thrown open to Canadian fish under the Reciprocity agreement. This is one of the best markets in the West Indies for dried fish. It came under the operation of the American tariff after that country annexed its Reciprocity opens this market to us again. The dried fish industry has great potentialities in Prince Edward Island. For lack of a profitable market it has not been developed. Reciprocity gives us just what we have been

looking for since 1866, a market for our dried fish. This is a fitly Shiga loaded at Charlottetown with dried fish for Porto Rico and bringing back cargoes of molasses. It means to the fishermen high prices for dried fish and cheap molasses.

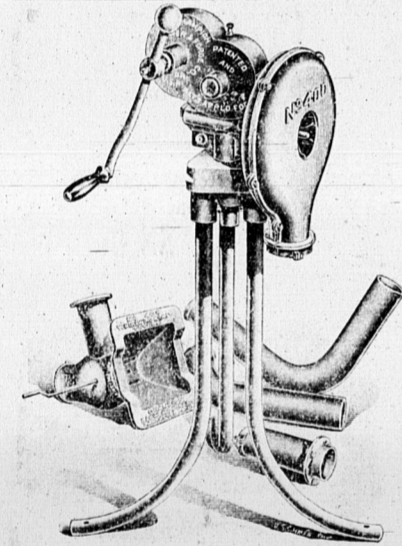

On the 21st of September, fishermen will be found in the Liberal ranks, following Sir Wilfrid Laurier and Honorable W. S. Fielding the champions of Reciprocity. "PRESS WHERE YOU SEE HIS WHITE PLUME SHINE" IT MEANS HIGH PRICES FOR YOUR FISH, WHICH WILL LINE YOUR POCKETS WITH SHINING GOLD AND SILVER COIN.

FOR CHEAPER FOOD DISORDERS ARISE

RAMBOULET, France, Sept. 8.—A Cabinet Council was held yesterday to consider the disorder arising from cheaper food agitation, and to adopt measures intended to ease the cost of living. The Cabinet planned to ameliorate the situation by facilitating the importing of cattle and frozen meats by installing refrigerators and storage plants, of which there are a lack in France, and by demanding that the railway companies lower their rates on the transportation of food and by suspending the tariff on food stuffs.

IN MEMORIAM

In the death of Mrs. Albert Clements, Murray Harbor, already briefly referred to in The Guardian, the community mourns the loss of a true Christian lady and one who was dearly beloved in her own home settlement, and through many lands. Her home was always an ideal one; for the weary holiday seeker and many a tear will fall in memory of her who was a kind friend to all. In the home her loss is most keenly felt for those as loving mother and grand mother her family grew up around her. Besides her bereaved husband the following family survives:—Roy in Tabor, Alta; Beth, Helen, Vernon Cecilia and Gladys at home. The sisters are Mrs. Reuben Masters, Vernon River; Mrs. Daniel Machon, Gunsey Cove; Mrs. Samuel Penny, Woburn, Mass.; Mrs. John Hayden, Cherry Valley; Mrs. Clements who was ill only a few days was in her fiftieth year. The funeral was largely attended and many magnificent floral tributes were received from Charlottetown, Vernon River and Murray Harbor.

The Guardian joins in extending to the bereaved family sincerest sympathy.

We are putting on sale this morning one of the largest range of silk remnants that his firm has ever shown. Plain, fletas in all the different shades, also paillettes. Many stripes and plaids suitable for waistings and fancy work. Many long enough for a whole dress. They run from two to twelve yds. They are marked at a reduction of 25c of the dollar. at 9-9dtf.

And no home can afford to be without a few choice pieces, considering our low prices. We have a splendid showing of useful, beautiful articles, ranging in price from 20c up.

OLD FOLKS COUGHS

Because Resisting Power is Weak Pneumonia Often Follows.

Tells of a Sure Cure and a Never-failing Comfort for colds, Coughs, Catarrh.

One of the worst terrors of old age is that distressing chronic cough. Colds settle on the chest, are wrongly treated with drug-laden and chest-weakening cough syrups, and from year to year the condition has grown worse. Formerly the cough went away when the fine weather came, but now bad weather makes it worse and fits of racking, tearing, coughing make life a burden.

Because you are old is no reason for suffering with everlasting coughing—those terrible chest troubles and difficult breathing can be thoroughly cured with Catarrhozone. You simply breathe the healing vapor of Catarrhozone and instantly its rich balsamic fumes are carried by your breath into the tiniest recesses of the nose, throat, chest, bronchial tubes and lungs.

Just think of it—a direct breathing medicine, full of soothing anti-septic pine essences that reaches every sore, congested membrane in two seconds. No drugs to take—nothing to harm the aged or the infant, because Catarrhozone is the purest, safest cough, catarrh and cold remedy ever devised.

Mrs. M. E. Walford, wife of a well known grocer in East Sheffield, writes: "For three years I suffered with a hard racking cough and bronchial irritation which annoyed me so much at night I couldn't sleep. I tried many remedies, catarrh tablets, sprays, syrups, etc., but they only helped for a short time. Catarrhozone brought me wonderful comfort from the first. I inhaled its balsamic fumes every hour or two and am now free from any trace of catarrh. I can go out in all kinds of weather and don't take cold."

There is no remedy so certain and safe as Catarrhozone, but being a good remedy it is limited. Beware of the substitutor. Large Catarrhozone Co., Kingston, Ont.
