

KNEW WHERE TO TURN.

J. J. Burns, who lives on lot 18 of this town, tells how Dodd's Kidney Pills specially relieve those ailments that often lead to low back of the Grippe. Two years ago he was cured of chronic inflammation of the Lungs and Kidney by Dodd's Kidney Pills, so last winter when the Grippe left him with pains in his back he knew where to turn.

"I was in good health two years after taking Dodd's Kidney Pills," says Mr. Burns, "until last winter I took the Grippe which affected my back. I took a few more boxes of Dodd's Kidney Pills and I am now enjoying good health again."

Dodd's Kidney Pills never fail to relieve and cure permanently all those aches and pains resulting from diseased Kidneys.

THE MORNING GUARDIAN

FRIDAY JANUARY, 2, 1903.

NEW YEARS RESOLUTIONS.

Some ridicule has been from time to time aimed at the good resolutions which it has been the custom of many to make at special seasons and at the beginning of a new year. It said that many of these good resolves are quickly broken, and that generally speaking they are more honored in the breach than in the observance. This may be painfully true and yet we cannot but think it would be an ill day for the world if hereafter there should be no more good resolves to date from the first day of the year. The mind must decide before it takes executive action, and if there is not first a resolve toward a better life and a higher standard of conduct no man can rise above his present moral plane. The Guardian would gladly learn that at the beginning of the year 1903 more good resolutions were made than ever before, even if the persons making them should not always succeed in fully carrying them out.

The fact of making good resolutions is one evidence that the individual is taking thought as to his ways and in what manner he can make improvement. Too many persons rarely pause to ask themselves the questions, "What manner of man am I? Am I making progress upward, or downward? What vices have I that ought to be abandoned? What virtues do I lack that are possible of attainment? What can I do this year more than I did last year, for the advancement, welfare and happiness of those about me? What more can I do to promote the real welfare of the community I live in and of the Dominion and the world? And yet these are questions which men and women ought to ask themselves, and a thorough self-examination it would be well so make good resolves along the various lines suggested. Not all these good resolutions could or would be carried out, and yet each individual making the effort would be the better for it even should he fail to realize the complete success he had hoped for.

It is a good time for the spendthrift to resolve that he will this year take heed to his spending; for the parsimonious man to resolve to be more generous; for the drinking man to remember that "what would maintain one vice would bring two children"; for the profane man to resolve to swear no more; for the man engaged in the illegal sale of liquor to resolve that he will sell no more; for the husband to resolve to treat his

wife as in the days of the honeymoon for the wife to resolve to give all due respect and honor to the man of her first choice; for the parents to resolve to attend carefully to the moral training of their children; for young people to resolve to reverse and honor the aged, their ministers and teachers. Has any done a wrong, this is a good time to resolve to right it. Has any failed in life's battle, it is a good time to resolve to begin the fight anew. But why continue the catalogue? Let all men and women give at least a few moments at the first of the year to examination of their lives with a view to amendment and progress toward better things and then resolve and act accordingly.

Not at a single stride can the individual, the family or the community advance to the high plane of the Golden Rule, but such should be the goal. In the effort to attain it by ever better resolves and ever higher and nobler conduct, the individual, the family and the community, while still imperfect, would be better, wiser and happier than they are. Do not therefore despise the new years resolution. Rather, gentle reader, make many good resolutions at this season and having made them, keep them in sight, and carry them out as fully as you can.

Half and Half.

The dyspeptic may well be represented pictorially as being half masculine and half feminine, and combining the least desirable characteristics of either sex. He has all the stubbornness of the man with the peevish irritability of a sick woman. He's not pleasant company at home or abroad.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and associated organs of digestion and nutrition. It renews physical health which carries with it cheerfulness of temper, and makes life a pleasure instead of a penance.

The "Discovery" purifies the blood by eliminating the corrupt and poisonous accumulations from which diseases breed. It increases the activity of the blood-making glands, so increasing the supply of pure rich blood, which gives life to every organ of the body. It gives new life and new strength.

"Your 'Golden Medical Discovery' has performed a wonderful cure," writes Mr. M. H. House, of Charleston, Franklin Co., Ark. "I had the worst case of dyspepsia, the doctors say, that they ever saw. After trying seven doctors and everything I could hear of, with no benefit, I tried Dr. Pierce's Golden Medical Discovery and now I am cured."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

The Common Sense Medical Adviser, 1008 pages in paper covers, is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

GUARD MOST WHERE DANGER IS GREATEST.

Lung Defence

It's often cheaper and safer to prevent colds than to rely on curing them when they come. More comfortable too. No portion of the body is more sensitive to the weather's changes than the chest. Authorities agree on the value of chest protectors. They give protection where it is most needed.

Few persons will say they cannot afford one after seeing our line and learning our prices.

Rheumatism.

Is Uric Acid in the blood. Unhealthy kidneys are the cause of the acid being there. If the kidneys acted as they should they would strain the Uric Acid out of the system and rheumatism wouldn't occur. Rheumatism is a Kidney Disease. Dodd's Kidney Pills have made a great part of their reputation curing Rheumatism. So get at the cause of these fearful shooting pains and stiff, aching joints. There is but one sure way—
