PORTABLE REFRIGERATOR

Ice Compartment In Top and Water
Reservoir Below

An ingenious invention in the form
of a portable refrigerating case is this
longitudinal receptacle which has a
drawer running its length. Above this
drawer is another, smaller drawer, de-
signed to contain cracked ice, prefer-
ably sprinkled with rock salt. At the
bottom of the box is a water reservoir.

HANDY TO CARRY ICE-CREAM

and when the receptacle is closed a
nipple from the icebox registers with
an opening in the reservoir and the
melted ice runs into the latter. In a
refrigerator like this articles may
be kept ice cold for hours at a time,
and it is especially convenient to carry
ice-cream, or similar perishable things
for long distances. There is a handle
at the top, and when the case is closed
it resembles a long grip more than
anything else.

Attractively-priced MUNICIPALS

During the past quarter Can-
adian investment demand has
particularly concentrated on the
securities of the larger Ontario
municipalities with the result
that their debentures cannot now
be obtained to yield more than
4 1/2 p. c. to 5 p. c., and indications
are for further appreciation in
price

The debentures of the Province
of Quebec and the Western Pro-
vinces have advanced in this advance,
though not to the same extent,
and for this reason we have added
eight of the most desirable of
these to our April list

These carefully chosen mun-
icipal yields from 5 p. c. to 6 p. c.,
and should show material increase
in value during the next few
months.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

GIRLS! BEAUTIFY YOUR HAIR!
MAKE IT SOFT, FLUFFY AND
LUXURIANT.

Try as you will, after an applica-
tion of Danderine, you cannot find a
single trace of dandruff or falling
hair and your scalp will not itch, but
what will please you most, will be
after a few weeks' use, when you see
new hair, fine and downy at first—
yes—but really new hair—growing all
over the scalp.

A little Danderine immediately
doubles the beauty of your hair. No
difference how dull, faded, brittle and
scraggy, just moisten a cloth with
Danderine and carefully draw it
through your hair, taking one small
strand at a time. The effect is im-
mediate and amazing—your hair will
be light, fluffy and wavy, and have
an appearance of abundance; an in-
comparable lustre, softness and lux-
uriance, the beauty and shimmer of
true hair health.

Get a 25 cent bottle of Knowlton's
Danderine from any drug store or
toilet counter, and prove that your
hair is as pretty and soft as any—
that it has been neglected or injured
by careless treatment—that's all.

SHEET MUSIC TURNER

Squeeze Bulb With Hand or Foot, and
Leaves of Book Turn

Any piano player will testify to the
annoyance of having to turn a page
of music in the midst of a difficult
passage. In concerts it is necessary to
to have some one else do it—that is,
it was necessary before a pianist
devised the apparatus shown here.
The music rack has a series of hori-
zontal arms at the top, each arm with
a clip on it, and each clip is made

NO FUMBLING OF PAGES

fast to the top of a page of the score.
These arms are swung from right to
left through the agency of a pneumatic
cylinder, and the pressure in the
cylinder is caused by squeezing the
bulb at the end of a line of hose. This
bulb can be placed on the floor near
the player's foot, and he or she can
press it without taking hands from the
keyboard. Or it can be held by some
one standing near and squeezed at the
performer's nod. The page will be
turned instantly, with no fumbling.

LOSS OF MEMORY

Glasgow Man Found Wandering in
Chelsea

The Glasgow police were asked by
the London authorities to trace the
friends of a man who was found in
King's Road, Chelsea, suffering from
loss of memory. It was stated that
he had just returned from the coast
of Africa, and was on the way to his
mother, who resided in the vicinity
of Glasgow University. The man,
about thirty-six years, was unable to
give the address, and was detained at
Chelsea Infirmary. He was well dressed
and of gentlemanly appearance.

NEARLY DIED OF STONE IN THE BLADDER

GIN PILLS SAVED HIM
513 JAMES ST., HAMILTON, ONT.
"Five years ago, I was taken down
with what the doctors called Inflammation
of the Bladder—intense pains in
back and loins, and difficulty in urinat-
ing, and the attacks, which became
more frequent, amounted to unbearable
agony. I became so weak that I could
not walk across the floor.
My wife read in the papers about GIN
PILLS and sent for a box. From the
very first, I felt that GIN PILLS were
doing me good. The pain was relieved
at once and the attacks were less
frequent.
In six weeks, the Stone in the
bladder came away. When I recall
how I suffered and how now I am
healthy and able to work, I cannot
express myself strongly enough when
I speak of what GIN PILLS have done
for me." JOHN HURMAN. 178
