TAKES CARE OF 5 CHILDREN

Mrs. Taylor's Sickness Ended by Lydia E. Pinkham's Vegetable Compound

Roxbury, Mass.—"I suffered continually with backache and was often dependent, had dizzy spells and at my monthly periods it was almost impossible to keep around my work. Since my last baby came two years ago my back has been worse and no position I could get in would relieve it, and doctor's medicine did not help me. A friend recommended Lydia E. Pinkham's Vegetable Compound and I have found great relief since using it. I keep house and have the care of five children and I am very thankful I have found Lydia E. Pinkham's Vegetable Compound such a help. I recommend it to any woman suffering as I was before I used it."—Mrs. MAUDE E. TAYLOR, 6 St. James Place, Roxbury, Mass.

Backache is one of the most common symptoms of a displacement or derangement of the female system. No woman should make the mistake of trying to overcome it by heroic endurance, but profit by Mrs. Taylor's experience and try Lydia E. Pinkham's Vegetable Compound.

Rawleigh Customers Notice

Since leaving the Island in Nov. last, I have notified all my customers whose bills were unpaid, asking them to remit up to the present—have had little response. As I am in business here it is difficult for me to leave. This is a final request and opportunity to settle all outstanding bills. Remittances can be made to me, addressed to Smiths Cove Digby Co. N. S., or left with J. H. Gill, Charlottetown. As the cost of a trip to the Island is considerable and the almost impossible task of getting any one to look after my business, I trust you will all promptly attend to this. Shall leave this open until June 30. After which we will be compelled to collect in some other way. This notice also applies to those bills due H. J. Campbell. Yours Sincerely,

N. T. ROCKWELL, Smiths Cove, Digby Co., N. S.

SOCIAL EVENT.—Some two hundred guests, including Commander England of H. M. Tents were spread upon the lawn and formed a cool retreat from the ball-room, which was decorated for the occasion. The mildness of the evening made them inviting.

AVIATION PICTURES COMING.—On Saturday morning at the Prince Edward Theatre a fascinating picture show will be put on free, under the auspices of the Canadian Flying Corps. These pictures deal with all phases of flying and will no doubt be welcomed here. The films are nine in number and illustrate among other things the theory of flight, the various aviation definitions and the experimental movements. One fascinating reel shows a day's work of a flying squadron in France; another, the surrender of a German fleet. These pictures are being exhibited here particularly to interest Canadians in the great work being accomplished by the Canadian Flying Corps. It is hoped to have the Navy-League Cadets present in uniform. All are cordially invited.
