A Guide Post You Can Trust

Public preference for Goodyears for 18 years is no haphazard verdict. Tires are not a small purchase. The motoring public thinks before it buys—and year after year its first thought is Good-year.

The number of Goodyear Tires in service almost equals all other brands combined. This overwhelming preference, backed by the motoring public's hard-earned money, in lean years or good years, is the best answer to bewildering claims and boasts.
