Echoes From the Fiddler's Contest

It was the best value for the money invested ever given in the history of the contest. The audience enjoyed itself hugely and the cheering could be heard blocks away. The two Cape Bretoners played well and got a splendid reception. Mr. Malcolm Gillis of Magaree was not in his best form last night and his playing was greatly enjoyed. One of the features of the contest was the playing of young Russell McPhee. This boy is a wonder and the audience was not satisfied till he appeared again at the end of the program. Well done Russell, keep it up. Through the kindness of Mr. J. J. McGillivray of Vernon Messrs McInnis and Gillis were given a motor drive to Vernon River. They were delighted with what they saw. On Wednesday they were guests of Mr. Justice Arsenault on a drive to the Experimental Farm and other places of interest. The judges had a difficult job on their hands. In the ladies contest the judging was so close that there was only half a point between two competitors for third place. Little Anthony Perry delighted the audience. Though only six years old his repertoire of steps is remarkable. The two Amherst dancers Messrs Downey and McBrien gave good exhibitions. It was the fortunes of war that Mr. Downey was not in the money. It is said that there is to be a world's championship fiddling contest in Amherst this fall. If so Prince Edward Island fiddlers will be there.

Is 'California Straight Ahead' Now Showing at the Prince Edward Theatre - All Jazz Musical Program.

Reginald Denny becomes the "1925 pioneer" of the open road in "California Straight Ahead," his latest stirring Universal-Jewel feature, which opened yesterday at the Prince Edward Theatre.

In this picture, which first night audiences hailed as one of the star's best, Denny sets forth for a motor trip across the continent in an elaborately constructed trailer. The trailer had been built for his honeymoon, but the honeymoon didn't come off because he showed up late for his wedding and his bride wouldn't marry him because she thought he'd been drinking.

That starts Denny off on a picture packed full of strange situations, mishaps, adventures, thrills and laughs, which makes "California Straight Ahead" one of the funniest light comedies of the season. Though the motor trip and attendant adventures may be a bit more stirring than the usual tourist's journey, at least more people would be tempted to set forth in the automobiles if they were sure of going through all the things Denny did.

As in his other recent pictures, Reginald Denny proves that he is a versatile, accomplished comedian, and his performance rivals his characterization of the hypochondriac in "Oh, Doctor!"

He is admirably supported by Gertrude Olmsted as leading woman, who wisely agreed to marry the hero because he will not let her do anything else.

The supporting cast includes Tom Wilson, Charles Gerrard, Fred Estleman, Lucille Ward, John Stepping, Leo Nomas and others.

The direction of Harry Pollard was unusually good, and gave the star every opportunity to display his talent as a fun-maker. Byron Morgan and the director collaborated on the story of "California Straight Ahead."

In addition to the feature there is also shown an almost complete account of the Amundsen-Byrd flight to the North Pole. This is an exceptionally interesting short feature. A "Jazz" musical program and a "Jazz" prologue played from the stage at intermission by the Prince Edward Orchestra added greatly to this splendid mid week bill which will be repeated today, afternoon and evening.

Buttons Bursting Screen Scream

The buttons of the Cross Band were in attendance and the day was spent in the enjoyment of a large number of varied attractions.

Military Units Break Camp

MILITARY CORPS BROUGHT APPROXIMATELY \$10,500 TO P.E.I.

One of the most successful Military Camps was brought to a close yesterday when the personnel of the various units entrained for their homes.

The Light Horse Inspection yesterday was very successful and General Thacker and Colonel Powell complimented the unit highly on their proficiency in their work.

Colonel Mowbray, paymaster for M. D. No. 6 visited the different units and left approximately \$10,500 with the troops. This amount of money, coming to the city annually is quite an item and would be much better if we had larger camps and a longer period of training.

The Light Horse Sports which were held at Victoria Park were something which haven't been seen in the city for quite a number of years. The competition in the different events was quite keen and the horsemanship displayed was of a high order.

BASEBALL

A very exciting game of baseball was played at Montague Friday, July 10th between Murray River and Montague. The Montague team won the game, the score being 22 to 10.
