AUTO ACCESSORIES TANTON'S SPECIALTY

Here is one of the City's best known business firms situated right in the heart of the business section on Great George Street. In business for the past 17 years the firm is managed by Mr. W. D. Tanton and has recently been appointed distributor for Toledo Parts, comprising all the mechanical parts of a motor and car-chassis, pistons, pins, valves, bearings, water pumps, shackle assemblies, etc.

Tanton's Auto Accessories have on their staff two ex-service men in addition to a counter man and a salesman, the latter covering Island territory attending to the wants of Island garage, service station and merchant trade.

You will be sure of courteous, efficient service when in need of auto accessories by giving this well known firm a call.

JENKINS TRANSFER TOPS IN BUSINESS

Seventeen years ago Ralph E. Jenkins started a transfer business on a small scale. At that time things were rather slow but sticking to it and keeping up with the times Jenkins Transfer today is rated as good as any in the business.

Capable drivers, careful workmen that ensure handling of the most fragile articles faultlessly have helped no end to build up the business to its present high standing with the result that the staff are kept on the move all the time.

Three moving trucks, including one large furniture van provide the means of locomotion for the various articles that are to be moved. Furniture moving is specialized in with the van being equipped with all necessary equipment that will insure its cargo reaching its destination in the same order as which it was received.

Moving is not confined to the Island by any means. Trips have been made to the mainland many occasions and the company will take any job irrgardless of the distance it has to travel.

Jenkins transfer has come a long way since the day started 17 years ago and the motto of the company would appear to be "If you want anything moved, Jenkins will move it."

FULLER BRUSH PRODUCTS BY WORD IN HOMES HERE

For a good many years now Fuller Brush products have been a by-word in homes throughout the Maritimes and Island homes have come in for their share of them.

Looking after Island interest here is Keith Tomlinson of 131 Elm Ave., a native of Stanley, N.B.

He has been Island manager for the past four years, now and if you are in need of household equipment at any time give the Fuller Brush men a try. He can supply you with brooms, mops, wax, furniture and silver polish, combs and hair brushes, tooth brushes, shaving brushes and all the other articles that would be too numerous to enumerate.

Quality of Fuller Brush products is well known and it would prove very helpful to you to have a look over the varied line that the Island's Fuller Brush Man can show you and would be only too pleased to do so.
