

BOY AND GIRL ARE MARRIED.

SYDNEY, July 7.—Annie Dietrich, aged 12, with skirts ending midway between knees and shoes 6 1/2 P., and Edward Waller, aged 16, journeyed to Littleton, Colo., and were married. It was not an elopement, for they were accompanied by Mrs. Joseph Rugg, mother of the bride to be. The bride, who was an eighth grade pupil in the Montclair school, has resided with her mother and 14-year-old brother, while the bridegroom has made his home with his father, Hull Walker, a farmer. The acquaintance between the boy and maid extends over a year, while the courtship dates back to a time closely following their introduction. Last June the child couple decided to marry, but both parents forbade it; they were too young. In August the miss who longed to be a matron celebrated her 12th birthday. Edward had had a 16th birthday several months before. He decided that he needed no more advice from older heads. Mr. Walker put his foot down. So Annie went to school in September. Edward stayed at work on his father's place. Christmas passed, the New Year came and went. They decided that, consent or no consent, they would be married. So determined was the attitude of the youngsters that the parent decided further opposition would only result in an elopement. So they smiled and said: "God bless you, my children."

CEMENT WORK FOR ST. JOHN.

ST. JOHN, July 5.—Some time ago Max McCarthy secured from the city an option on the Green Head properties for the establishment of a big cement industry. He paid \$1,200 for the option and agreed to pay \$2,500 more on or before July 6. This afternoon A. H. Hanington called at city hall, accompanied by Mr. McCarthy and his associate, Mr. Herbert Guernsey. They announced that the rights of Mr. McCarthy had been transferred to Mr. Hanington and he paid over to the city \$2,500 due and thus became owner of the Green Head property. When asked what he intended doing, Mr. Hanington said a company would be organized at once to commence the manufacture of cement. He would not tell who were identified with him, but it is generally understood the parties interested are the same as own and control the Partington mill. The property secured by Mr. Hanington is an extensive and valuable one.

MURDER AND SUICIDE.

DETROIT, July 6.—Infatuated with a pretty sixteen-year old girl named Anna Houghton, who refused to receive his attention, Merritt Parshall, seventy-two years old, a wealthy farmer living in the suburbs, murdered the girl by sending a bullet through her brain, and then finding he could not escape, placed the revolver in his own mouth and shot himself through the head. He died instantly. Parshall called at the girl's home and shot her as she was getting breakfast. Parshall was married.

ADDRESS AND PRESENTATION.

On June 28th a very enjoyable evening was spent at the home of Mrs. Wm. Jardine, Bangor, when the many friends of Miss Muriel Lavers, teacher of Bangor for the past two years, gathered to bid her farewell in her approaching departure. Dear Miss Lavers:—It is with sincere regret that we have learned of your intended departure from our settlement, and we have taken this opportunity, on behalf of the residents of Bangor, of showing our appreciation of your service by presenting you with this small gift. It is of no intrinsic value in itself, but is such in love and respect, and we ask you to accept it with our best wishes for your future success and hope it will ever bring you pleasant memories of your friends in Bangor. Miss Lavers expressed her thanks in

wide evangelization.

Rev. A. A. Gates read the digest of the Church Letters, which was fully discussed by different ones.

The Rev. R. O. Morse was asked, by vote, to publish his report on "The Supreme Need in Missions."

The Rev. W. D. Wilson read a fine Report on Temperance. He advocated a more rigid enforcement of the existing Temperance Law. He believed that drug stores should not be rum shops. He deplored the degradation of an honorable profession from that of a chemist to that of a whiskey dealer. This report was vigorously discussed by Rev. F. P. Dresser who deplored the intemperance in his section of the Province. Mrs. Gillden, Summerside, made a touching address, calling upon the Association to do something to help remedy the condition in temperance matters in Summerside.

At the afternoon session, the Rev. W. M. Field gave a very humorous report on the Sunday School Work.

The Rev. Z. L. Fash read the Circular Letter. The Association appoints one each year to write this letter. The subject was "Evangelism." It was a very searching message, and a faithful and tender presentation of the greatest need of the Christian Church.

Moderator Fash then retired and the Association gave way to the Women's Missionary Aid Society.

Mrs. Wadman, Charlottetown, president of the ladies, retired to the School Room whose large folding doors were open into the church. The ladies filled the audience room, and were very much in evidence. This annual meeting of the Ladies is very popular. Three new Pastor's wives were welcomed by Mrs. McNeil, Kuntscord. They were Mrs. Dresser, Eldon; Mrs. Gates, Murray River; Mrs. McLean, North River.

The Reports of the Societies in P. E. I., showed that good work had been done during the year.

Mrs. H. G. Mellick, Lawrentown, N. S., who with her husband spent seventeen years in the Canadian West, spoke very interestingly of their missionary work.

The ladies were very much favored in having with them a returned missionary, Mrs. S. C. Freeman. She and her husband have been home from India about a year. They are very successful missionaries, and their addresses are always eagerly listened to. Mr. Freeman is a pleasing speaker. She was listened to with much pleasure.

Mrs. C. S. McLean, North River, gave an effective address on mission work.

The meeting of the ladies was very successful.

In the evening, the Church was again crowded.

The Rev. H. Bell brought fraternal greetings from the Christian churches on P. E. I. It was a kindly message.

The Rev. R. Onrose, Summerside gave a scholarly address on Education.

Are You Droopy, Tired, Worn Out?

HERE IS GOOD ADVICE TO ALL WHO FEEL AS IF THEIR VIGOR AND LIFE HAD ALL OOZED AWAY.

This Condition Can be Quickly Cured by a Good Cleansing Medicine.

Your experience is probably somewhat similar to that described by Mr. J. T. Fleming in the following letter from his home in Lebanon: "I think I must have the most sluggish sort of a liver. In the morning my mouth was bitter, and that foul, soft feeling that tells you, 'No breakfast needed here this morning.' A cup of coffee would sort of brace me up, but in two hours I was disposed to quit work, all energy having oozed out of me. Supper was my only good meal, but I guess I didn't digest very well, for I dreamt to beat the band. A friend of mine put me wise to Dr. Hamilton's Pills. I think they must have taken hold of my liver, perhaps my stomach, too, because at the very start they made things go right. Look at me now—no sleep in the daytime, but hustling for the mighty dollar and getting fun out of life every minute. That's what Dr. Hamilton's Pills have done for me—they have rebuilt and rejuvenated my entire system."

To keep free from headaches, to feel young and bright, to enjoy your meals, to sleep sound and look your best nothing can help like Dr. Hamilton's Pills, 25c. per box, five for \$1.00 at all druggists and storekeepers or postpaid from The Cattarogus Co., Buffalo, N. Y., and Kingston, Canada.

tional work. Dr. S. Speidell, Prof. of Systematic Theology Acadia University, Wolfville, N. S., spoke of the Educational work that the Maritime Baptists are doing at Wolfville, N. S. Prof. Speidell is a very attractive speaker. He has a fine voice and a strong personality. This is Dr. Speidell's first appearance on a public platform in this province, and he will always be gladly received. Sunday is always the big day of the Association. The people flocked to the church at all the services. In the morning the Rev. W. D. Wilson, Montague, preached the Associational sermon. His text was Acts 26: 13, 14, 15. His subject was cleverly treated under four main divisions 1. What Paul Saw; 2. What He Heard; 3. What He Saw; 4. What He Learned. The sermon was well thought out and well delivered, and it made a very favorable impression. A very interesting sermon was held on Sunday afternoon when Rev. I. W. Porter, Wolfville, N. S., spoke on "Our Local Problems." Mr. Porter is a Christian Statesman in charge of the important department of Baptist and the Missions for N. S. and P. E. I. The address of Prof. Therrein, on Grande Legne Mission Work in Quebec was a delight to the audience. Professor's first appearance in the Maritime Provinces, and he is a good representative of the fine Baptist School at Grande Legne, Quebec. The closing session of the Association was held Sunday evening with a packed house. The fame of Prof. Speidell as a preacher had preceded him. He did not disappoint his audience. It was a noble presentation of the gospel. The Rev. H. S. Erb, Hazelbrook, conducted the evangelistic service, and brought a very successful Association to a close. Important resolutions were passed on increased salaries for Pastors; Enforcement of the Temperance Law; student for the ministry; thanks to the visitors who represent the various Boards to Pastor Field and the people for every hospitable entertainment, and the Rev. W. D. Wilson for his excellent Associational sermon.
