

EVERY WINTER FOR 20 YEARS

writes Mr. L. Whitesmith, of Manilla, Ont., "I suffered agonies with chapped and cracked hands. My thumbs were so badly cracked that they actually never healed up from one winter to the next. As I am a watchmaker, I found it very awkward to do fine work with my hands in such a state. Of course, I tried remedy after remedy, but nothing was capable of effecting a permanent cure until I used Zam-Buk. This wonderful ointment, in conjunction with Zam-Buk Soap, cured me completely and permanently—even to the healing of the cracks in my thumbs—cracks of twenty years' standing!"

For frost-bite, chilblains and cold sores, Zam-Buk is equally effective, and nothing can compare with it for eczema, ringworm, chronic sores, poisoned wounds, piles, cuts, burns and scalds. All dealers or Zam-Buk Co., Toronto. 50c. box.

ADDRESS AND PRESENTATION

On Friday evening Jan. 31st the friends of Pte. William Saunders gathered at his home in Bloomfield Station and presented him with a purse and the following address. Pte. William Saunders—

We your friends and neighbors have gathered here this evening for the purpose of extending you a cordial welcome. We know that during the time spent in France you have endured many hardships and we are glad you have returned home safely. While we rejoice at your home coming, we also think of those who mourn for their loved ones who gave their lives for the same cause. We now ask you to accept this token of appreciation. On behalf of your friends.

In replying to the address and presentation Pte. Saunders although taken by surprise in a few remarks thanked them for their thoughtfulness, and said it would be life long remembrance. In his remarks Pte. Saunders said that he did not expect any appreciation he only did his duty. The address was read by Mr. R. Doyle and the presentation made by Mr. George Smith.

Child Gets Sick Cross, Feverish If Constipated

LOOK AT TONGUE! THEN GIVE FRUIT LAXATIVE FOR STOMACH, LIVER, BOWELS.

"CALIFORNIA SYRUP OF FIGS CAN'T HARM CHILDREN AND THEY LOVE IT"

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign the little stomach, liver and bowels need a clearing out.

When the baby is pale, crossish, full of cold, breath bad, the nose sore, doesn't eat, sleep or act naturally, has stomachache, diarrhoea, or constipation, a gentle liver and bowel clearing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

—TWO CENTS PER WORD each insertion for advertising in this column. Cash must accompany order. Minimum charges twenty-five cents.

IN MEMORIAM

MRS. JOHN BUCHANAN

The death occurred at Bradalbane on Dec. 16, 1918 after a somewhat lingering illness Mary Buchanan aged 93 years, relict of the late John Buchanan. Mrs. Buchanan was born in the Isle of Skye, Scotland and came to this Province in the ship James Gips in the year 1858. She was well known and widely respected in the community. She was a member in full communion in the Strathabane congregation for many years. Her Godly life and gentle kindly ways endeared her to all with whom she came in contact. She was of a quiet disposition, a friend to all. To hurt a person's feelings with harsh words or do one harm in any way was far below her principles. She leaves to mourn their loss one son Malcolm on the homestead who kindly attended her through her illness, also two sisters Mrs. Margaret McInee of Bellevue and Miss Annie of Caledonia. The funeral services were conducted by the Rev. John Sterling of Bradalbane.

HETTIE BELLE MCLEOD

The death occurred at Newton, January 14th of Hettie Belle McLeod, dearly beloved daughter of John D. McLeod aged 21 years. Miss McLeod was a victim of influenza followed by double pneumonia. She was for some years a popular employee of Paton & Co., Charlottetown. She was a member of the Presbyterian Church, Belfast. She leaves to mourn a sorrowing father, four brothers and two sisters, John Alexander, Ross McLeary Hospital, Moosejaw, Sask; Angus Neil, H.M.C.S., Niobe, Halifax; Donald W. and Oliver at home. The sisters are Mrs. Heywood McLean.

Melville and Mrs. Ernest Shaw, Ugg. The passing of this most estimable young woman has not only cast a gloom over the home and her immediate family, but in the community and among all her many acquaintances. She was buried in Belfast Cemetery beside her mother, who predeceased her a few years ago. She has passed the turmoil of life and joined that happy throng, in the only real home. The Home of the soul. (Guardian please copy.)

The death occurred last week, from influenza followed by pneumonia, in Exeter, New Hampshire, U. S. A., of Mrs. James Fitzpatrick, (nee Janie Poole), formerly of Roseneath, P. E. I. The deceased lady who was in the early twenties, was a daughter of Edward and Mrs. Poole, formerly of Roseneath, P. E. I., and now of Brooklyn, Mass., Mr. Poole having died in 1908. The gentility and sincerity of character won for her many warm

friends. Besides a sorrowing husband, who was formerly of Royal, P. E. Island, the following survive to mourn her loss: a widowed mother, Mrs. Edward Poole; three sisters, Mrs. Peter MacDonald, of Winchester, Mass., Mrs. George W. Potter and Miss Tillie, both of Malden, Mass., also three brothers, George Leslie, of Vancouver, B. C., and John, of Milton, P. E. I. (Vancouver B. C. papers please copy.)
