**DUNDONALD'S CHANCES.**  
 LONDON, July 30.—A correspondent writes to the London Globe warning the people against indulgence in extravagant expectations from the career of Lord Dundonald in Canada. The writer says that those interested in Canada's military service need not be too sanguine of results from Dundonald's accession to office.  
**A SWORN STATEMENT.**  
 An Ottawa Man has Emphasized His Good Opinion of Dodd's Kidney Pills.  
 OTTAWA, Ont., July 28.—(Special).—Mr. George H. Kent, of 309 Gilmore St., this city, had Bright's Disease some eight or nine years ago.  
 He had been in bed for months, gradually getting worse and physicians could do nothing for him. His case had reached that stage when he was bloated and in convulsions.  
 In fact he was so low that the doctors told Mrs. Kent one evening that he could not live till morning. In this extremity she sent for Dodd's Kidney Pills and in about two months Mr. Kent was at work again.  
 He has made a sworn statement of the facts of the case which has been published in the local papers here.

**Scottish Gathering**  
 The Grand Annual Gathering of the Clans of P. E. Island, under the auspices of the Caledonia Club, will be held at **SUMMERSIDE** —ON THE— **Grounds of the Driving Park Association.**  
**Wednesday, Aug. 20th, '02**  
 The programme offers a day of rare enjoyment to all lovers of athletic games. The national games of Scotland will predominate, affording occasion for a grand exhibition of strength and agility. There will be hammer throwing, running, jumping, vaulting and dancing, and the games will be enlivened by "banter and psalms, fife and drum." Thither will come grey-haired sires and sprightly youths "noble dames and damsels bright."  
 From the east and west, from the north and the south, the sons of the Heather will assemble. They will for-gather in plaid and tamnet, in kilt and filibeg, with tartans flowing and pipers blowing. It will be the occasion of a grand re-union of the sons of old Scotia and their descendants. With generous cash and other valuable prizes as rewards to the successful competitors, and with the "piprock's" wild melody sounding, who will deny that competition will be keen and that enthusiasm will run high on such a day.  
 For competition prize list and all other information regarding the games, see programme.

**Two Silgo Streets,**  
 Gallows Hill and Harmon's Hill are the names of two streets in Silgo, Ireland.  
**Raleigh's Court Dress.**  
 Raleigh, when in court dress, wore an immense ruff, a "peascod bellied doublet," quilted and stuffed, slashed in the body and sleeves, breeches of the same, silk stockings and shoes with gold buckles.  
**The Crooked Jordan.**  
 Jordan is one of the crookedest rivers known. In covering a distance of sixty miles, for that is the length of a straight line drawn on the map between the sea of Galilee and the Dead sea, it runs 212 miles because of the multiplication of its windings.  
**Cherry Wood.**  
 Cherry is the best wood for ebonying; the counterfeits can only be detected by an expert.  
**Hairbrushes.**  
 Hairbrushes use a weekly cleansing, for which purpose use a quart of tepid water containing a tablespoonful of cloudy ammonia. Dip the bristles—not the back—several times, rinse and stand on edge to dry.  
**Pewter Making.**  
 Pewter making, one of England's important industries seventy years ago, has almost been abandoned. Cheap glassware and tinware have driven pewter from the market.  
**Great Britain and Cheese.**  
 Great Britain and Ireland import about 265,000,000 pounds of cheese each year. Canada supplies about 60 per cent of the whole.  
**Burning Oil.**  
 If a lamp should be overturned, don't attempt to put out the fire with water, for it will simply spread it. Instead throw down flour, sand, garden earth or salt, either of which will have the desired effect.  
**Monster Headresses.**  
 The headresses of 1770 were so large that ladies going to balls were forced, to save their headgear, to kneel on the floors of their carriages.  
**Waterproof Boots.**  
 To render boots waterproof melt together a little mutton fat and beeswax and when liquid, rub a little of it over the edges of the soles where the stitches are. This will render your boots quite waterproof.  
**Quick Shoemaking.**  
 A Lynn firm recently made a shoe in thirteen minutes.

 Medical men emphatically declare that Lactated Food is the best nourishment for weak and sickly babies in the hot weather. If your little one is not thriving, try Lactated Food.  
 To cure headache in ten minutes use Kumfort Headache Powders.  
**WILL SWIM THE RAPIDS.**  
 Niagara Falls, July 29.—Sometime in August Carlisle D. Graham will attempt the feat which Capt. Matthew Webb, the great English swimmer, attempted the year 1883 and in which attempt he lost his life, the swimming of the Whitepool Rapids, from the Cantilever Bridge to the Whirlpool.  
**BY BRIBING THE NERVES** with opium you may stop a cough but the inflammation goes from bad to worse. Allen's Lung Balm, containing no opium, goes to the root of the trouble and cures deep seated affections of throat and lungs.  
**ILLINOIS IN DRY DOCK.**  
 LONDON, July 29.—The U. S. battleship Illinois, which struck an obstruction in the harbor of Christiania, Norway on July 15 was safely placed in dry-dock at Chatham today. An examination of the keel disclosed that considerable damage had been sustained, and the repairs will probably require a month.  
**NEVER IS TIME** more precious than when some member of the family is attacked by colic, dysentery or any bowel trouble. The doctor is distant but if Perry Davis' Painkiller is near all danger is soon ended.  
**BOER GENERALS SAIL FOR EUROPE.**  
 CAPE TOWN, July 30.—Previous to their departure today for Europe, the Boer generals, Botha, Dewet, and Delarey, called upon Sir Walter F. Haly-Hutchinson, governor of Cape Colony, who received them with the greatest cordiality.  
 Bicyclists and all athletes depend on BENTLEY'S Liniment to keep their joints limber and muscles in trim.
