

# It Makes Pure Blood

We are often asked, Why does Hood's Sarsaparilla effect such wonderful cures of cases that seemed beyond the reach of medicine?

An examination of our well-known formula, from which Hood's Sarsaparilla is and always has been carefully and scientifically prepared, confirms the fact that it contains those well-known and valuable medicinal ingredients, which, when intelligently combined and properly administered, are sure to bring about good results.

It is the properly balanced proportion, combination and process in combining those ingredients known to have specific action upon the blood, stomach, liver, kidneys and bowels, which make Hood's Sarsaparilla peculiar to itself and enable it to produce results unequalled by any similar medicine.

These ingredients are: for the blood, Sarsaparilla, Scilla, Yellow Dock; for the liver, Mandrake, Dandelion; for the kidneys, Uva Ursi, Juniper Berries, Pipsissewa; for the stomach, Gentian, Wild Cherry Bark, Bitter Orange Peel; for the bowels, Senna, Mandrake, Dandelion.

"I used Hood's Sarsaparilla as a blood purifier and the results were entirely satisfactory. Several of my friends use or have taken Hood's Sarsaparilla and all speak highly of it." Mrs. Rachel Brooknick, 71 Murray St., Montreal, Que.

"After scarlet fever I was without strength, had defective hearing, running, watery eyes, twinges of pain and exhausting aches, and free perspiration upon the slightest exertion. A sore on my left limb laid me up. In this low condition Hood's Sarsaparilla helped me in a week and in 8 weeks I was in perfect health, my blood cleansed of impurities and the sore healed. My complexion is better now than ever. I recommend Hood's Sarsaparilla for all blood humors and skin diseases." Mrs. HENRIETTA EXOBY, 34 Dean Street, Roxbury, Mass.

## ISLAND BLEND TEA Competition

How many days, hours and minutes will it take the new Steamship lately purchased by the Charlottetown Steam Navigation Co. to come from the pier she last casted off her lines at in Britain until she is moored at the first port of call in P. E. Island?

To establish the superiority of Island Blend Tea over all others, I am going to give the people of P. E. Island an opportunity to thoroughly test its good qualities in the following way:—

To the FIRST person sending the correct answer to the above, or who comes the nearest to the correct answer, I will ship 50 lbs. Island Blend Tea; to the three next nearest to the correct answer, 20 lbs. each; to the next five, 10 lbs. each; to the next seven, 5 lbs. each; to the next ten, 3 lbs. each.

CONDITIONS—Each person making a guess must purchase at least one pound of Island Blend Tea from a merchant. All answers must be forwarded in a special envelope, which will be furnished by the merchant. No other answers than those contained in these special envelopes will be considered. The statement of the captain of the new steamer as regards time taken will be accepted as correct.

All answers must be received by me at least three days before arrival of the steamer. The result will be announced in the newspapers and the tea forwarded to the successful competitors not later than two weeks after the arrival of the steamer.
