

Father: "Here's a telegram from Jack. He's been hurt at football."  
Mother: "What does he say?"  
Father: "Nose broken—how shall I have it set—like mother's again, or like you's for a change?"

## A Nervous Wreck

### Victim of Gas—After Endless Suffering—Turns To His Old Friend and Is Well

### The Fruit Treatment "Fruit-a-tives"

One of the most astonishing recoveries that seems almost like a miracle, is that of Mr. James Dobson of Bronte, Ont., a prominent merchant, a mine owner and one of the charter members of the Dominion Stock Exchange, Toronto.

In 1912, Mr. Dobson was completely relieved of Rheumatism by taking the Fruit Treatment, after suffering for more than five years.

In January of last year, Mr. Dobson was almost suffocated by gas from a furnace in his house. He says, "I had blood tests, analysis of the stomach, X-ray of teeth, had eight teeth extracted and became a nervous wreck. Finally, my wife suggested trying our old medicine 'Fruit-a-tives', which I did. Today, I weigh 189 pounds instead of 140 and am completely restored to health. In my estimation, there is no other medicine that will give as good results as 'Fruit-a-tives'."

Thousands and thousands of people, in the past eighteen years, have come to the same conclusion—that "there is no other medicine that will give as good results as 'Fruit-a-tives'—for all troubles arising from a disordered condition of the stomach, liver, kidneys or skin.

"Fruit-a-tives" are the intensified juices of apples, oranges, figs and prunes, combined with tonics and form a complete treatment in themselves. If you are not well, try the Fruit Treatment. Your dealer has "Fruit-a-tives"—25c. and 50c. a box—or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.
