

I Am Willing To Prove I Can Cure You

To That End I Am Giving Away \$10,000 Worth of Medicine

In order to show beyond all doubt that I am in possession of a medicine that will cure kidney trouble, bladder trouble or rheumatism, I will this year give away ten thousand dollars worth of this medicine, and anyone suffering from these diseases can get a box of it absolutely free. All that is necessary is to send me your address.

I don't mean that you are to use a part of it or all of it and not get cured. I mean that I will send you a box of this medicine absolutely free of charge, a gift from me to the Uric Acid sufferers of the world, so I can show them where and how they may be cured. I will not expect payment for this free medicine, nor would I accept any reward if you send it to me in the usual manner of the world.

For twenty-five years—a quarter of a century—I have been trying to convince the public that I have something genuine, something better than others have for the cure of kidney trouble, chronic rheumatism, for torturing kidney trouble, for causing the bladder to urinate. But it is hard to convince people—they try a few things unsuccessfully and give up all hope and refuse to listen to anyone. Hereafter, happily, I am in a position now to demonstrate to sufferers that my medicine is what I have a medicine that cures these diseases. I don't ask them to spend any money to find out; I don't ask them to believe me, nor even to take the medicine, but I do ask them to send me the medicine at my own cost. That is surely fair. To this end I have set aside ten thousand dollars, which will be used to compound my medicine. Much of it is ready now to be sent out, all of it within a few days. There will be enough for all sufferers, though there be thousands of them. And anyone who needs it will be glad to receive it. Send me your name and address, and I will send you a box of it free with full directions for your use. Look for the name "Dr. T. Frank Lynott" on the wrapper, and send it to me. My address is Dr. T. Frank Lynott, 835 Franklin Building, Toronto, Ont.

The ten thousand dollars I am spending for the compounding of my medicine is only a part of the money I am devoting to this cause, for the large amount of medicine I will be fully prepared at my expense. From any standpoint you view it, YOU incur no expense or obligation. Just tell others who you know are suffering from these diseases, give your name, full address, and send them a box of it free with full directions for your use. Look for the name "Dr. T. Frank Lynott" on the wrapper, and send it to me. My address is Dr. T. Frank Lynott, 835 Franklin Building, Toronto, Ont.

I am promising to give away ten thousand dollars worth of medicine, and I will do that. I am promising to send any sufferer who writes me a box of this medicine and full directions free of charge, and I will do that.

DR. T. FRANK LYNOTT who is giving away \$10,000 worth of medicine.

I can say further that this medicine has been vouchered for according to law as complying in every detail with all requirements. It will stop rheumatism, it will stop pain and backache, it will stop too frequent desire to urinate, it will heal, soothe and strengthen. You will be better in every way for having taken it. There is not an ingredient that can injure not one but will benefit. All that I ask is that you use it yourself so that you may be personally convinced.

Owing to the large number of requests, I have had ten thousand more copies of my medical book printed. This book is new and up to date and contains complete descriptions, symptoms, causes, effects and cures of kidney, bladder and rheumatic diseases. All who write for the free medicine will be sent a copy of this grand illustrated medical book—the largest ever written on these diseases for free and general distribution.

If you need medicine such as I have, if you are anxious to be cured and don't want to spend any money LOOKING for cures, write me. Read the symptoms over and let me hear from you today.

These Are the Symptoms:

- 1—Pain in the back.
- 2—Too frequent desire to urinate.
- 3—Pain in the bladder.
- 4—Pain or soreness to the bladder.
- 5—Pain or soreness in the kidneys.

THE KAISER AND THE URCHIN.

Thanks to the rapid recovery he made from his recent indisposition, the Kaiser was able to be present at the Swiss army manoeuvres, and the rough and ready ways of the Swiss must have been somewhat of a relief to him after the rather heavy formalities of Potsdam. There were several little diversions from the strict military routine when the Kaiser was said, with a charming smile, "Come, please and touching incident occurred when His Imperial Majesty paid a visit to the bears for which Berne is famous. Visitors are provided with bundles of carrots with which to feed the animals; but the Kaiser, owing to the infirmity of his left arm, experienced great difficulty in untying his bundle.

Now, it happened that a small street-urchin, having evaded the police who endeavored to stay his progress, had wormed his way to the Kaiser's side; and as monarch and urchin were surrounded by the commanding figures of Prince Von Flessenberg and Generals von Plessen and von Moltke, the police were unable to interfere. Noticing the urchin by his side, the Kaiser's irritation at the obstinate piece of string disappeared, and, turning to the boy, he said, with a charming smile, "Come, my little man, you throw the carrots for me." The boy did with all the coolness in the world, and he is now famous in the town as "the boy who threw the Kaiser's carrots." Those who knew the German Emperor kindly nature being hardly to be denied, he also took away a more solid memento of the occasion of his life.

How He Escaped An Operation

And Was Completely Cured of Piles of 14 Years' Standing by Dr. Chase's Ointment.

Mr. Chas. Beauvais.

Doctors say that about one person in every four suffers more or less from piles, and who can imagine a more annoying, torturing, disagreeable ailment?

After trying a few treatments without success, and as the ailment grows worse, the medical doctor is consulted. An operation, he says, is necessary. You think of the suffering, expense and risk to life itself, and hesitate before taking such a step.

In many thousands of such cases Dr. Chase's Ointment has made thorough and lasting cures. Read this letter for the proof.

Mr. Charles Beauvais, a well-known citizen of St. Jean, Que., writes:—"For 14 years I suffered from chronic piles, and considered my case very serious. I was treated by a celebrated doctor who could not help me and ordered a surgical operation as the only means of relief.

"However, I decided to try Dr. Chase's Ointment, and obtained great relief from the first box. By the use of three boxes I was entirely cured. This is why I give me great pleasure to recommend Dr. Chase's Ointment to all who suffer from piles as a treatment of the greatest value."

Dr. Chase's Ointment, 60 cents a box, all dealers or Edmanson, Bates & Co., Limited, Toronto.

FACTS "ABOUT" TUBERCULOSIS.

It is an extraordinary fact that a cow may present a perfectly healthy appearance, thrive well upon her feed and give a good flow of milk, and yet be in a badly diseased state with tuberculosis. This is very clearly brought out in a pamphlet prepared by the International Commission on the Control of Bovine Tuberculosis. Photographs are shown of fine looking animals that are known to have been diseased for years without cough and yet constantly passing tuberculous matter that when consumed by hogs produced the disease. Such animals are a constant menace not only to the health of the herds to which they belong, but also to the people who use their milk, or are otherwise associated with them. Apart from the health standpoint, the disease annually in cattle and hogs besides causes the loss of millions of dollars materially decreasing the food supply of the country. The disease is common in some regions than in others.

B. F. KEITH'S UNION SQUARE THEATRE, NEW YORK WEEK OF OCT. 14th.

Few shows reach the high-water mark in variety and excellence in vaudeville entertainment of the bill at B. F. Keith's Union Square Theatre for the week of October 14th. It will be one of the strongest shows ever seen in New York, with much that is new and all of the very first rank.

Heading this monster program will be Miss Bessie Wynn, who is one of the most attractive bits of feminine charm on the vaudeville stage. She creates the impression of an operatic diva plus the grace, histrionism skill which are only rarely found in conjunction with the finest operatic singing. Miss Wynn is considered one of the very best dressed women in vaudeville. Her costumes are a revelation and are always the height of good taste. Another feature will be the first appearance of Sam Mann and his players in the season's greatest success called, "The New Leader" by Aaron Hoffman. It shows the little known but weekly event in all vaudeville theatres, the rehearsal before the opening performances. The scene shows the bare stage and everything in confusion. The fun will be fast and furious. Still another feature will be the first presentation of the one-act comedy called, "The Girl" by Edward Pele, author of "The Littlest Rebel". This excellent comedy already has been tested and shown to be a success of the genuine sort. It is rich in humor with just a touch of pathos. As a special feature the management has arranged for the appearance of Fouchet's Flying Ballet, which is said to be an act of exceptional artistic worth. Miss Yvonne Beauvain, dainty assistants, apparently float, premier aerialist, with four dainty assistants, apparently float through the air executing most entrancing figures. The ballet is really a series of beautiful pictures. One of them is called, "The Butterfly Ballet". The five dancers, garbed as butterflies, flit out from the stage and fly through space. The second aerial dance is called "The Ballet of Doves" in which one hundred trained doves fly about over the heads of the audience and perch upon the girls as they fly from one point to another. This is one grand novelty well worth seeing.

Seven other novel features will be added to this monster program, and as the prices remain the same, it is the earnest desire of the Management that all reservations for seats should be made as early as possible.

Try Solace At Our Expense

Rheumatism, Neuralgia or Headache that Solace

SOLACE REMEDY is a recent medical discovery of three German Scientists that neutralizes Uric Acid and purifies the Blood. It is easy to take and will not offend the weakest stomach.

It is guaranteed under the Pure Food and Drug Law to be absolutely free of opiates or harmful drugs of any description.

MAYOR WEST OF INNISFAIR RETIRES FROM BUSINESS.

A business deal of considerable magnitude, took place in Innisfail, Alberta, this week, a deal of more than ordinary interest, when the "Alcade Store" conducted for so long by G. W. West, passed into the hands of Messrs. Chisholm and Cheekley, recent arrivals in our town.

Mr. West was the pioneer merchant of Innisfail, establishing his first years ago. Mr. West's enterprise and business acumen has carried him along in front of the advancing and growing town, and with almost every phase of our progress he has been actively associated, taking a vast personal interest in all public matters. He has served on the town council and the school board, and now occupies the highest position of honor in the gift of the people of Innisfail, the office of Mayor. Mr. West has made many warm friends, both in town and in the surrounding country. These will not so much regret his retirement from business life when they learn that it is not his intention, for the present at least, to change his place of residence. The Province, Innisfail, Sept. 12.—Mr. West is a native of Prince Edward Island.
