

NEW YORK MAN NOW FEELS SPLENDID

It is useless to look for happiness while your kidneys and stomach are out of order. Seek health first, and with it will come that buoyant happiness that money can never buy. From New York, we learn how.

has helped one man to health and happiness. Mr. Geo. Dixon, of 145 Bleecker St., New York City, writes: "Being troubled with my kidneys and stomach I was recommended by a doctor to try your GIN PILLS. I purchased a box and after taking a few boxes I can truthfully say that they have been wonderfully effective and I am now feeling splendid."

If you have any suspicion of kidney or stomach trouble write to-day for a free sample of GIN PILLS, or buy from your druggist—50c. a box, or 6 boxes for \$2.50.

MONDAY

ANOTHER NAVAL RECRUIT.—Mr. Colin Leard, of Contreville, Bedouque, just home a week from the United States, came to the city on Saturday and enlisted for service in the British navy.

TO JOIN NAVY.—Among the young men who left for Halifax last week to join the navy was Mr. George C. Gamble of Hampton, who has done excellent work to assist recruiting.

ISLANDER KILLED.—The latest casualty list contains the name of another P. E. Islander who has made the supreme sacrifice—Private P. Ford of Charlottetown, a member of the Infantry.

ACCEPTS CALL TO POWNAL.—At the third quarterly meeting of the Official Board of Pownal Circuit it was officially announced that Rev. Henry Pierce, B. A., had accepted the invitation to become pastor of Pownal Circuit in June next.

FATAL ACCIDENT.—A sad and fatal accident occurred Friday evening at Mitchell River, about two miles from Cardigan when Charles McLean of that place lost his life. Mr. McLean was returning home from Brudenell with a load of hay. In going over the Cardigan ice the sleigh overturned and the unfortunate man was killed.

DIED IN ENGLAND.—Mr. A. C. McLeod, of Park Corner, received a wire Saturday from Aldershot, England, announcing the death of his son, Gunner Harold A. McLeod, aged 20 years, a member of the Fifth Siege Battery. Besides his parents, he leaves one brother, Fred, of the 28th Battalion. He was wounded at St. Eloi, and is now in England. An uncle of Harold's, Mr. F. C. McLeod, formerly general manager of the Bank of Nova Scotia, was with him during his illness. Gunner McLeod had been ill for three months with cerebral spinal fever. To the bereaved parents is extended the heartfelt sympathy of a wide circle of friends.

Many will learn with sorrow of the death of Mr. James Carruthers, which occurred yesterday morning, at his home in North Bedouque. The late Mr. Carruthers had been failing health for some time and during the past few months it was realized that the end was approaching. It was the ending of a well spent life, a life of usefulness, of active and of helpfulness, both in the immediate and to the country at large. For forty years he was a member of the session of the North Bedouque Presbyterian Church, and, until recently, general leader and a teacher in his Sunday School. A man of more than ordinary natural ability as a public speaker, he gave freely of his time and talents in helping every cause which he believed was for the betterment of his fellow men. He was a progressive and successful farmer and was closely associated with the different forward movements, that gave Prince County its status as the banner agricultural county of the province. In church and school matters he was always a leader, and his progressive and successful career was a credit to the community and a sore blow to the family in which he was the loving husband and father.

Of a family of twelve brothers and sisters, his is the sixth death to occur during the past three years, each passing away at a comparatively advanced age. The surviving brothers and sisters are Mr. Robert Carruthers, Cape Traverse; Dr. George Carruthers, Charlottetown; Mrs. (Hon.) Alexander Laird and Mrs. J. M. Baker, North Bedouque. Besides these he leaves to mourn, his wife, formerly Miss Sara Jane Clark, two sons, Clement at home, and Dr. Sam Carruthers, at present medical officer with one of the Canadian Regiments in England, and three daughters, Mrs. (Rev.) S. J. McArthur, Newcastle, N. B.; Mrs. P. G. Clark, Summerside, and Miss Vera at home. One daughter, Ida, died seven years ago. To the bereaved family and relatives The Guardian tenders sincere sympathy.

REMAINS BROUGHT HOME.—The remains of the late Mr. C. Robertson, whose death recently occurred in London, Ontario, arrived in Charlottetown by the mail train from Georgetown on Saturday. The funeral took place on Sunday at 2 p. m. from the residence of his nephew, Mr. H. A. Robertson, of Alexandria.

HOME ON VISIT.—Dr. Benjamin McKenzie, of Lasburn, Sask., arrived in the City on Saturday and will visit the doctor's former home in Springfield, La. Dr. McKenzie has just completed a post-graduate course in New York and Toronto. He is a son of the late Mr. John McKenzie of Springfield.

P. E. I. P. A. OFFICERS.—At the annual meeting of the P. E. I. Poultry Association, March 1st the following officers were elected: President, William Cadmore; Vice President, Queen's McCormack; Sec. Treas. W. J. Pickard; Superintendent, John Whitlock; Directors, Geo. Lightizer, Henry Capthorn, J. O. Hyndman, Russell Piffard and Bert Carr.

For ideal weather and track, Saturday afternoon could not be better for holding a horse race and the Charlottetown Driving Club, were fortunate in having such delightful conditions attend their third ice races, of the winter.

Hundreds of spectators, on foot, skates, and driving, thronged the course, and thoroughly enjoyed the very pleasant afternoon's sport provided by this enterprising Club.

The Free-For-All pace was a beautiful dash of a quarter mile, and at the time, as announced from the stand at the finish of each heat, met with ringing applause. Angus Dillard, who appears to have a string on the fast paces, walked away with the race in comparative ease, although Derby and Hilda S., made him extend his lead in the early part of each heat. Hilda and Derby started for the first time this season, and although not up to top form, displayed considerable speed.

Angus Dillard has only one opponent, possibly two on the island that can give him a stiff race for the half, and they are Sister Patch, 2:18 1/2, and they are Sister Rita, 2:15 1/2, his chief competitor of 1914. The race may be seen between them is quite possible, and it can't come too soon to please sport lovers.

TUESDAY

WHY FREIGHT IS DELAYED.—A letter received by Mr. S. A. McDonald yesterday explaining delay in the receipt of goods ordered from points in Montreal stated that there are at present 7,000 cars of freight on the I. C. R. between Lewis and Moncton.

FAREWELL PARTY.—A party from O'Leary paid a visit to the home of Miss L. Mortimer at West Point on Friday evening. The reason being that she was leaving for the West where she has secured a fine teaching post. The many friends of the young lady are sorry at her departure.—W.

WALLACE HOTEL TO BE CLOSED.—The Guardian has been informed that the Wallace Hotel, which is shortly to be transformed into a convalescent home for soldiers, the old hostelry is well and favorably known to the travelling public and but few other hotels at Pictou has travellers.

GOING FORWARD.—The directors of the Dunstaffnage Co-Operative Creamery Company, who are always active in the best interests of their patrons, and realizing the importance of keeping the quality of their output up to the highest possible standard, have ordered an up-to-date Success churn and also a pasteurizer from Messrs C. Richardson & Sons, St. Marys, Ont., through their provincial representative, Mr. A. J. Biffin.

FARMERS MEETING.—A meeting of the members of the Farmers' Co-Operative Union was held at Abram's Village on Tuesday evening. The purpose of such a meeting was to discuss the advisability of building a warehouse. The president, Mr. Edouard Poirier occupied the chair, and in the absence of the secretary Mr. John F. Arsenault, the proceedings were recorded by Mr. Charles M. Arsenault. The necessity of such a building was clearly set forth and the members were unanimous in the resolution to put up a building of such capacity so as to store up all produce in the fall, and which would serve as an indispensable factor in running a store. The fact that the volume of their business calls for more extensive buildings equipment goes to show that the association is on the way to progress. The directors were asked to take charge of this undertaking, and as they have in the past, always won the confidence of the members, it was decided to leave this matter under their charge. Meeting adjourned.

The regular monthly meeting of the City School Board was held in the Board Room last evening at 8 o'clock. The members present were the Chairman, Mr. Smith, Hon. Dr. Jenkins, Mr. Gordon, Dr. McMillan and Mr. Rogers. The Principals of Prince St., West Kent, and Queen Square Schools were also present. Principal Seaman, in reporting for the flower show and concert, which was held under the auspices of all the City Schools, stated that the net amount realized for patriotic purposes was \$286.46. A report from the Training Officer, Mr. McPhee, was presented and received by the Board. The following are the visitors for the Schools for the present month: Prince Street School, Mrs. Gordon; Rochford Square School, Mr. Rogers; Queen Square School, Dr. McMillan; West Kent School, Dr. Jenkins and the Chairman.

WEDDING BELLS.—The wedding bells were ringing again on Wednesday evening at Haliburton and two young ladies became one, the contracting parties being Mr. William Earl Thompson of Campbellton and Miss Mae Catherine MacNeill of Haliburton, the ceremony being led by the Rev. H. Broderick. The bride was dressed in white silk and wore a lovely veil in which she looked handsome. Miss Etta Thompson the bridesmaid wore a pink silk dress which had a pretty appearance. Mr. John Thompson of Campbellton acted as the best man. The couple are well thought of the young lady being an active worker in their "division" which brought guests from far and near. After the ceremony a well filled table of refreshments was served and the couple enjoyed the friends wish the young couple success in their new sphere of life.—W.

Among the names of Canadian officers recently brought to the notice of the Secretary of State for War for valuable services in connection with the war is that of Major F. B. McRae, 2nd in command of the Machine Gun School at Shorncliffe.

This signal honor will be greatly appreciated by Major McRae's many friends in this Province. The Major was one of the first to volunteer for the front when the war broke out. He had seen service in South Africa and on the 10th of August, six days after the declaration of war, he had tendered his services and had been accepted for overseas. He left as Lieutenant of Artillery but his skilled knowledge of the mechanism of guns immediately attracted the attention of his superiors in England and he was sent to the machine gun school as an instructor. There, he invented a number of improvements on field guns, which were adopted by the war office and Lieut. McRae promoted to Captain.

Eighteen months ago he was further promoted Major and made second in command of the school where his valuable services are highly appreciated.

The War Office has availed itself of his services to visit a number of other gun schools for the purpose of inspection and instruction and altogether Major McRae has earned a name and reputation as an expert which is enviable and for which he deserves and has received the highest credit.

In the Salvation Army Citadel last evening Mr. James Paton, M. L. A., delivered a decidedly interesting lecture, his subject being "A Trip to the Holy Land." The lecture was accompanied by about one hundred beautiful stereoscopic views which were well put on by Mr. Walter Burke.

Mr. Paton's lecture was based on his own personal observations while in that most interesting part of the world, with which the history of the human race is more or less identified. Mr. Paton opened his remarks by presenting a view of the steamship Empress of Ireland, a ship to be long and sadly remembered by the members of the awful tragedy which befell when she was lost in the St. Lawrence, taking to their death nearly a thousand persons, including the revered Commander Ross and many of his faithful officers of the Salvation Army. Mr. Paton then proceeded to show some forty views of scenes in the Azores, Gibraltar, Algiers, Naples, Rome, Athens, Constantinople, and other points of world-wide interest.

Mr. Paton then took the audience in imagination from Port Said to Joppa, and from Joppa to Jerusalem. After describing the many notable points of interest in the city of Jerusalem he took his hearers on a visit to the Garden of Gethsemane, the Good Samaritan's Inn, the Dead Sea, the River Jordan and Jericho, finishing up with views of Bethlehem and the Mount of Olives. It was indeed a very enlightening lecture, especially as the trend of interest on account of the war has again to no small degree been directed to this wonderful part of the world which holds so wide a place in the history of mankind, and the fate of which has yet to be decided.
