RED ARMY ADVANCES ANOTHER 40--50 MILES

Gov't Supported In Two Full-Dress Divisions

Congress "Protected" By Wooden Guns

U.S. House Learns With Amazement Of Secret; War Dept. Explains Dummy Gun Positions.

WASHINGTON, Feb. 23 —(AP)— ...rim, grey, anti-aircraft "guns," ...ch for months have peeked sky- ...ds from congressional office ...ding roofs to provide "protect- ... for the lawmakers of the ...ted States, are made of wood ...manned by "decoy soldiers," it ... disclosed today.

...is curiosity piqued over just ...t protection was being furnish- ...ongress, representative Harold ...ey (Dem.-N.C.) climbed, un- ...llenged in civilian clothes, to the ...top of its new office building ... discovered the secret.

...e told the House of Represent- ...es about it today during a dis- ...sion of a $1,000,000,000 naval ...e construction bill. Expressing ... hope that none of the money ...ld be spent for the construct- ... of "painted ships upon a ...ted ocean—or for wooden guns," he said:—

"We are being protected by wooden guns and decoy soldiers. In high heavens' name, why have they been placed over our heads? I am something of a duck hunter, and when I place out decoys, I expect to attract ducks. And when I place out decoy soldiers and decoy guns, I would expect to attract enemy planes."

"Gentlemen, it was a gruesome sight," he complained, as the House roared in a mixture of amusement and amazement. Later, he told newsmen that the guns were "as wooden as Charlie McCarthy."

The War Department, in response to inquiries, said use of dummy gun positions—moved about frequently—is a customary procedure in preventing enemy agents from gaining an accurate picture of actual defence installations.

Cardin Loses Sub-Amendment By 195 To 15

OTTAWA, Feb. 23 —(CP)— Two full-dress divisions were precipitated in the House of Commons tonight by Quebec members, involving administrative and religious issues, and in both the Government was supported by an overwhelming majority.

In the first division the House voted 195 to 15 against a sub amendment to the throne speech address, moved by Hon. P. J. A. Cardin (Lib. Richelieu-Vercheres) advocating suspension of the Mobilization Act pending a special committee inquiry into manpower needs.

Mr. Cardin drew his only support from Quebec Independent and Liberal members.

The second division was on a sub-amendment moved by J. S. Roy (Ind. Gaspe) regretting that the Government had not taken measures against anti-Catholic propaganda.

This was defeated by a vote of 194 to 8, the supporters of Mr. Roy's sub-amendment constituting four other Independent members and three Quebec Liberals.

These proceedings ended at 11 o'clock, the statutory adjournment hour and when Speaker Glen was about to put the question on the Progressive Conservative amendment to the address there was a clamor of objection from opposition ranks.

The House adjourned with the announcement by Prime Minister MacKenie King that the debate on the address would continue tomorrow.

Mr. Roy based his amendment on the contents of "The Gospel Witness And Protestant Advocate" which he said was edited by Rev. T. T. Shields of Toronto.

War Situation Last Night

By Kirke L. Simpson, Associated Press War Analyst

Allied setbacks in French Africa may have deferred the day when a second-front attack on the European continent from the south can be mounted. However, the Axis is still very uneasy over what may be impending on the North Sea and Arctic fronts.

* * * * * *

There is more warrant for that alarm than the Axis-circulated reports of Allied preparations for a powerful sea-borne thrust from the west. It is implicit in persistent rumors in Sweden that Finland is seeking a way of escape from her unhappy war association with the Axis. The predicament of both Finland and Sweden would be gravely complicated should Norway, for example, again become the scene of active military operations.

* * * * * *

Most of all, however, weather conditions in the Arctic theatre as the winter wanes invite speculation as to what may be brewing in Allied war councils. The season is fast approaching when Russia-bound convoys will rarely be invisible, night or day, to prowling Nazi planes, U-boats or surface craft. It cannot be doubted that the Allies are preparing new measures to reduce the scope of enemy depredations next summer in the Arctic.

The fact that Joseph Stalin is prodding again for the opening of a second-front effort on the continent is not apt to escape notice in Germany, Finland or Norway.

Encouraging Year For Island Sheep Breeders

Farmers' Week opened auspiciously yesterday afternoon with a large and representative attendance at the annual meeting of the P.E.I. Sheep Breeders' Association. The president, Mr. Alex. Hamilton, New Perth, presided, and in a prepared address reviewed outstanding activities during the year.

Other phases of the work were dealt with by Secretary W. R. Shaw deputy minister of Agriculture and Mr. S. D. Irvine, senior fieldman with the Dominion Department of Agriculture. Mr. Shaw in a comprehensive report referred to the sheep expansion policy drawn up during the year; bonus to each breeding ewe of satisfactory individuality; treatment of parasites in sheep; encouragement; marketing of wool, etc.

Mr. Irvine cited the available supply of registered rams which showed a large increase over last year; in 1941 there were 55 such rams placed under the Dominion Ram Club policy while during 1942 a total of 86 were placed. He also advised sheep breeders to retain a good number of their flock sires and emphasized quality and weight. Then there had been a fair movement of registered ewes distributed during the year especially in the Oxford breed, he said. He referred particulary to the new flock established by Dr. J. P. Lantz.

The following directors were appointed for the coming year:

Prince Co., W. B. MacLellan, Alma; Queens, E. C. Holm, DeSable; and King's County, James A. MacDonald, Little Pond. Allan Boswell Dunstaffnage, was appointed a director to fill the vacancy on the board caused by the death of his brother George Boswell.

At a directors' meeting following the regular meeting the following officers were re-elected:

President— Alex Hamilton, New Perth.

Vice-President — Walter MacKenzie, Springfield.

Secretary — W. R. Shaw.

Auditor — S. D. Irvine.

The President, Mr. Hamilton and Mr. Earle Ings, Mt. Herbert, were appointed provincial representatives to the P. E. I. Federation of Agriculture for 1943.

A vote of the sheep breeders present elected Mr. Alex Hamilton as delegate to attend the annual meeting in Toronto on March 25 of the Canadian Co-operative Wool Growers of Canada. Mr. T. J. Inman of Bedeque was also selected as a delegate by the full vote of the shareholders throughout the Province.

Resolutions

Mr. E. C. Holm, Chairman of the Resolutions committee, brought in the following resolutions which were unanimously adopted by the Association:

That the goverpment be asked to collect the dog tax through proper tax collection department and as much as possible of the proceeds be used to promote the sheep industry.

(Moved by Ernest Underhay seconded by Jas. A. E. Macdonald.)

That we express our appreciation of the support given the sheep industry by both Provincial and Dominion departments of Agriculture and respectfully ask that they continue their policy for the expansion of the sheep industry. Moved by E. C. Holm, seconded by Jas. A. E. Macdonald.

That this annual meeting of the sheep breeders express their sincere sympathy to the families of the late W. H. MacGregor and George Boswell.

Moved by E. C. Holm, seconded by J. J. Trainor.

That some one within the Province be authorized to grade wool so that a check could be kept on mill purchase within the province. Moved by T. J. Inman, seconded by E. C. Holm.

That the price paid to the producer for registered graded rams be increased either by an increased federal bonus or by having it supplemented by a provincial bonus or a larger deposit by the buyer. Moved by Ernest Underhay, seconded by Jas. A. E. Macdonald.

Whereas the Wartime Prices and Trade Board have placed a ceiling of 31 cents on military style wool as compared with 50 cents in the United States for same grade therefore be it resolved that we, the sheep breeders assembled in annual convention, make a representation to the Canadian Wool Board to have the price raised to at least the level of that paid the wool growers of the United States. Moved by W. B. McLellan, seconded by Walter G. MacKenzie.

The following members took part in the discussions on matters brought up in these resolutions, Messrs T. J. Inman, Bedeque; Earle Ings, Mt. Herbert; Ernest Underhay, Fortune; J. J. Trainor,

Gains Made On Wide, Curving Ukraine Front

Germans Continue To Hold Orel Despite Pressure.

LONDON, Feb. 23—(CP)—The triumphant Red Army, spurred by Premer Stalin's praise and exhortation to drive the Germans from Russia, marked its 25th anniversary today by accelerating its smash westward through the Ukraine, recapturing three important Nazi strongpoints along the route leading from Kharkov to Kiev.

Answering Stalin's order to give the invaders no respite, the "army of avengers," as he termed them, marched into Sumy, 100 miles northwest of Kharkov; Akhtyrka, 42 miles to the south, and Lebedin, about half way between them and 20 miles further west.

Lebedin lies only 175 miles east of Kiev, and the recapture of the three towns, announced in a special communique broadcast by Moscow and recorded here by the Soviet Monitor, marked advances of from 30 to 50 miles in the Red Army's continuing offensive, freeing hundreds of square miles more of the rich, productive Ukraine.

The special bulletin also announced the capture of the town of Mala-Arkhangelsk, on the main Kursk-Orel railway 40 miles south of Orel, in an operation some distance to the rear of the advance forces.

The Germans have continued to hold Orel despite the fall of Kursk, Kharkov and other points in their old strong defence line, and despite the fact that the Russians have closed in from three sides and stand only a little more than a score of miles away.

The Germans threw large forces into the defence of Mala-Arkhangelsk in "efforts to retain this important base at all costs," the Soviets said, but Russian troops drove into the town and inflicted heavy losses on the enemy in manpower and material.

Soviet airplanes destroyed or damaged about 200 German trucks with troops and supplies and silenced 15 enemy artillery and mortar batteries during the day, and dispersed or wiped out a battalion of enemy infantry, the communique added.

Swine Breeders Discuss Plans For Meeting Quota

A year of marked expansion in the hog industry was reviewed at the annual meeting last night of the P. E. I. Swine Breeders' Association.

Mr. Alex Hamilton, New Perth, was re-elected president. Other officers elected were vice-president, J.A. McGregor, Central, Lot 16; Secretary, S.D. Irvine (re-elected).

Directors elected for 1943 were Frank McAulay of Souris, for Kings County, Alex McDowell of Breadalbane for Queens County and Vernon Craig of Middleton for Prince County.

The incoming president and Mr. Ernest Houston, New Glasgow were appointed as representatives to the Prince Edward Island Federation of Agriculture for 1943.

Following the president's address and the presentation of the financial statement by Mr. S. D. Irvine, secretary, Mr. Alex Hamilton gave a report of the annual meeting of the Canadian Swine Breeders' Association in Toronto.

Mr. W. R. Shaw made a strong appeal to the swine breeders to coordinate their efforts towards increased production of hogs. He stressed the importance of efficiency with economy of effort in these days of grave scarcity of farm labor. He demonstrated sample miniature self-feeders for hogs which are being made by students of the Youth Training classes and will be distributed to feed stores and other centres throughout the province as a guide for the farmers.

A general discussion followed on such topics as dry feeding, feeding minerals to breeding stock, need of proper organization and the true co-operative spirit among farmers and price ceilings.

Among those taking part in the discussion were D. J. Mullins, St. Peters; Murdock MacLeod, Long River; Alex McDowell, Breadalbane; Walter Buntain, Rustico; J. J. Trainor, Bedford; E.C. Holm, DeSable; W.B. MacLellan, Alma; Earle Ings, Mt. Herbert; S. D. Irvine and H. W. Clay of the Federal Department of Agriculture and W.

Gandhi In 3rd Week Of Fast

POONA, India, Feb. 23 —(CP)— Mohandas K. Gandhi tonight completed the second week of his planned three-weeks fast and all India anxiously followed reports showing the 73-year-old Nationalist leader is growing steadily worse.

Authoritative sources said Gandhi's physicians are keenly concerned with the growing weakness of his heart and kidneys.

Compromise Move Fails

NEW DELHI, Feb. 23 —(AP)— An attempt to end the 21-day fast of Mohandas K. Gandhi, now in its 14th day, by a compromise between the Indian Nationalist leader and the Viceeroy, the Marquess of Linlithgow, ended in failure today.

The latest scheme designed to end the hunger strike which Gandhi undertook in protest over the Viceroy's refusal to release him from confinement in the palace of the Aga Khan at Poona was instituted by a combination of Britons and Indians.

Bracken Supports Free Enterprise

SAINT JOHN, N.B., Feb. 23 —(CP)— "We must avoid the danger of anyone leaning on the state," John Bracken, Progressive Conservative leader, said today with reference to "much talk" about social security. He spoke at a civic luncheon given in his honor by Mayor C. R. Wasson.

In the post-war period Canadians should "see that free enterprise is encouraged, not discouraged in this country." The maximum number of people should be intelligently employed.

"It is our responsibility to see that every man leaving war industries and every man in the forces taking off his uniform has an opportunity to make his own living; that he gets a fair day's pay for a fair day's work," said Mr. Bracken. "The war has taught us that when all men are employed we have prosperity."

Believes Hostel Fire Was Set

ST. JOHN'S, NFLD., Feb. 23— (CP Cable)—Belief that incendiarism was responsible for the disastrous Knights of Columbus Hut fire that claimed 99 lives last Dec. 12, was expressed by Mr. Justice Dunfield, commissioner appointed to investigate the tragedy.

In his report, released today, Mr. Justice Dunfield said he "believes, but can not prove" that the fire was of incendiary origin.

Blast Japs In Aleutians

WASHINGTON, Feb. 23 —(CP)— United States heavy and medium bombers with fighter escort blasted Japanese positions on Kiska in the Aleution Islands on the morning of Feb. 22, the Navy Department reported today.

No indication of the damage caused was given in the communique which said that all planes returned safely.

After French Ships At Alexandria

WASHINGTON, Feb. 23 —(AP)— Navy Secretary Frank Knox said today that negotiations have been going on for some time by British authorities to have French warships at Alexandria, Egypt join forces with the United Nations. He was replying to a question concerning the status of these ships.

Negotiations are in progress also, he said, for the French vessels in the Caribbean area, at Martinique but added there is nothing new to report on that situation either.

Island Has Clean Slate In Callups

OTTAWA, Feb. 23—(CP)—Selective Service director Arthur McNamara announced today that during January the several mobilization boards across Canada proceeded with 114 prosecutions before the courts for failure to comply with military call-up regulations. At Jan. 31, 41 cases were still pending.

Penalties imposed in the 69 convictions reported ranged from one year in jail in one case to nominal fines of $10 in others. Where jail sentences were not imposed, said Mr. McNamara, the men convicted were immediately escorted to a military training camp. Where jail sentences were imposed, men still were liable for military service upon release.

In only four instances was the case against the accused dismissed.

By divisions, cases disposed of by the courts during January, or still pending at the end of the month, were as follows: Halifax seven pending; Saint John, N.B., 10 pending; Quebec 12 convictions; Montreal 26 convictions; Kingston, Ont., one conviction, one pending; Toronto six convictions; London, Ont., none; Port Arthur three convictions; Winnipeg 13 convictions, nine pending, one case dismissed; Regina one conviction; Edmonton three convictions; Charlottetown none; Vancouver four convictions, 14 pending, three cases dismissed.

All divisional boards, Mr. MacNamara said, had further cases under investigation, and on some of these formal charges would be laid later.

War—25 Years Ago Today

(By The Canadian Press)

Feb 24, 1918 —Russian Soviet government accepted German peace conditions; Germans captured Dorpat and Jitomir. German commerce raider Wolf returned to Kiel after sinking 11 Allied vessels during 15-month voyage. Turks recaptured Trebizond on the Black Sea.

News Briefs

OTTAWA, Feb. 23—(CP)— Total cost of the removal of Japanese from the protected areas of British Columbia, up to last Dec. 31, was $4,633,354, said a return tabled in the Commons today for W.K. Esling (Prog. Con. Kootenay West).

Ottawa, Feb. 23——(CP)—Philip Phelan, general secretary for Canada of the Knights of Columbus War Services, said tonight the organization now was drawing up plans for a new hut to replace that destroyed by fire at St. John's, Nfld., last Dec. 12, when 99 lives were lost.

WASHINGTON, Feb. 23—(AP)—Development of a showdown fight in the spring between allied naval forces and German U-boats in the battle of the Atlantic was forseen in informed quarters here tonight. Navy secretary Frank Knox reported today that merchant ship losses have been greatly reduced this winter but that the submarine menace continues "very grave."

BERNE, Feb. 23 —(AP)— Police squads have launched raids upon motion picture theatres in French cities in their latest efforts to conscript French workers for labor in Germany, a dispatch from Paris reported tonight.

ALLIED HEADQUARTERS IN AUSTRALIA, Feb. 24 — (Wednesday) — (CP)— A Japanese cruiser or destroyer has been bombed and damaged at Rabaul, New Britain, the Allied High Command announced today.

CAIRO, Feb. 23 —(AP)— Air Vice Marshal Harry Broadhurst, who at 37 is the youngest man to hold such rank in the R. A. F., has taken over command of Allied air forces in the western desert, succeeding Air Vice Marshal Sir Arthur Coningham.

NEW YORK, Feb. 23 —(AP) —The German radio claimed tonight that 4,016 prisoners, including more than 3,000 Americans and nearly 1,000 Britons, had been taken in the first eight days of the Axis offensive in Tunisia.

CLAIM U.S. DESTROYER SUNK

LONDON, Feb. 23 —(CP)— The Tokyo Radio, heard here by the Associated Press claimed today that one United States destroyer was sunk and another set afire by Japanese planes Sunday night at Espiritu Island, in the New Hebrides. The claim was not confirmed.

Nazis Relax Pressure On Tunisian Front

Both Sides Regroup Forces And Bring Up Supplies During Lull.

ALLIED HEADQUARTERS, North Africa, Feb. 23 —(AP)— Hurled back in one sector and stalled in another, the German armored units of Marshal Erwin Rommel relaxed their pressure along the Tunisian front, giving the stubborn Allied defence forces their first rest of the bitter, three-day struggle to keep Nazi spearheads from cracking their lines.

"The fighting has died down," said a terse dilspatch from the front, and both sides apparently prepared to make the most of the lull by regrouping and bringing up supplies and reinforcements.

In the hills north of the Kasserine gap, Rommel's most dangerous thrust had been halted by British and American tanks and infantry four miles from Thala the gateway to the strategic Kremansa plateau near the Tunisian-Algerian frontier.

As the Germans tried desperately to gain the Thala road junction 25 miles northwest of Kasserine, British tanks and American gunners held on stubbornly in one of the bitterest battles of the Tunisian war.

At the same time, Rommel's attack toward the west in central Tunisia was beaten back by Allied troops which were supported by strong air units.

Local Soldier Is Recovering

PETAWAWA CAMP, Ont., Feb. 23—(CP)—Staff Sgt. Joseph Murnaghan of Charlottetown, P.E.I., is recovering in hospital here from injuries received in an accident Feb. 17, it was learned tonight. Murnaghan lost an eye, a thumb and two fingers in the accident, which is understood to have involved an explosion.

Cause of the mishap now is being investigated by a military court of enquiry. No further details regarding the accident were available tonight.

Staff Sgt. Murnaghan is a son of Mrs. Joseph Murnaghan of Charlottetown.

Wants Germans Warned Re Gas

LONDON, Feb. 23—(CP Cable)— P. Purbrick, Conservative member of the House of Commons for Walton, has asked Prime Minister Churchill to take steps to notify the German people that Britain has "sufficient stocks of death-dealing gas to destroy the whole population of Germany, civilian as well as military."

Purbrick made the request in a written question drawing attention to last Friday's speech of Joseph Goebbels in which the Nazi propaganda minister declared Germany intends to wage total war "beyond any extent which can be imagined."

INTERNATIONAL AT A GLANCE

Russia—Red Army scores 50-mile advance in move toward Moscow Kiev railway.

Tunisia—Lull falls over front after Allies beat down Rommel's attacks through Kasserine Pass four miles from Algerian border.

United States—Knox reports that although submarine menace is still grave ship losses have lessened greatly this winter.

Pacific—American aircraft bomb Kiska in Aleutians and Japanese island positions in New Guinea area, hitting destroyer or cruiser at Rabaul, New Britain.

Residents Flee

MEXICO CITY, Feb. 23 —(AP) —All but a few of the 3,000 residents of the little town of San Juan, south of here, had fled their homes tonight to escape a lava flow approaching the village from a newly-opened volcano that was belching out red-hot rocks as big as automobiles.

See Chance Now To Invade Europe

LONDON, Feb. 23 —(CP Cable) — Lord Strabolgi charged the Government today with having missed an opportunity last winter to invade Europe and cautioned that "we will not forgive over-caution" which might result in a second opportunity being missed—an opportunity which he and Lord Beaverbrook held exists now.

The Labor peer, speaking in support of the Canadian-born publisher's plea for an immediate second front, declared it was known now—and presumably was known then by the War Office—that the German army was on the verge of collapse last winter.

Lord Beaverbrook's plea for an invasion of Europe now—a plea which opened the discussion—drew sharp criticism from Viscount Simon, the Lord Chancellor, and Marshal of the King's Air Force Viscount Trenchard.

While the Lords were arguing the question whether a war discussion was in the best interests of the country, Foreign Secretary Anthony Eden made it clear in the House of Commons that the Government has no intention of holding a war debate in the immediate future.
