

Miss Sarah Smith Tells How Cuticura Healed Pimples.

"My trouble began as a rash of small pimples which later formed larger ones that were hard and red. They affected my face and back. The pimples feasted and scaled over, and my clothing aggravated the ones on my back. They were very itchy and sometimes the irritation prevented me from sleeping. They caused disfigurement and lasted about two years.

"I began using Cuticura Soap and Ointment and they helped me, and after using two cakes of Cuticura Soap and one box of Cuticura Ointment I was completely healed." (Signed) Miss Sarah Smith, Tantallon, Sask., July 13, 1929.

Once a doubtful luxury - now a necessity

Not over a decade ago the so-called "modern laundry" was regarded with considerable doubt for two reasons. First, the almost prohibitive cost to the consumer. Second, the inferiority of such work as compared with the home laundry.

During recent years both these obstacles have been removed and the steam laundry of today is regarded in somewhat the same light as the telephone or the electric light.

A glance at the steadily increasing earnings of the New System Laundry & Cleaners, Limited over the past five years will serve to demonstrate the growing demand for the services of the present day laundry.

We are recommending the 7% Cumulative Convertible Preferred Stock of New System Laundry & Cleaners for sound investment. May we forward full particulars?

LETTER OF SYMPATHY. Mns. Ray Campbell, dear sister: We tender you our sincere sympathy in your sad bereavement. The death of your mother is, indeed, a grievous loss. While we fully realize that words of ours cannot heal your heartache, we wish you to know that each member is deeply touched by your sorrow. Let us hope that you will find an inspiration in the memory of your mother's beautiful character, and that your consolation will be found in Him who death all things will. On behalf of Chelton Women's Institute Norma Bears, President. Bernice Affleck, Secretary. Minard's for Falling Hair.

Fly on the Ground With Monitor Gasoline. Even inexperienced drivers notice the quick pick-up, great power, and fast starting qualities of MONITOR "Straight Run" gasoline. Motorists who have driven for several seasons - who are prepared to judge car performance - come from far and near to fill up with "Monitor." Why? Because they know by experience that this gasoline has "something" extra - something which puts the "GO" in their cars. The most severe test of any gasoline is just this: How many seconds after you step on the starter does combustion start? Monitor Starts Immediately! MONITOR GASOLINE. W. H. AITKEN OIL COMPANY.
