ONE MINUTE NEWS ABOUT JOHNS-MANVILLE

WINTER GETS WELCOME SIGN

Plenty of people hate the thought of another winter approaching, but many hundreds of homeowners don't mind at all.

These far-sighted people have insulated with Johns-Manville Rock Wool. They know that when winter comes, their homes will be snug and warm — free from harmful draughts. They know they'll save on heating costs, too, because with J-M Rock Wool Insulation you burn up to 30 per cent less fuel. In summer they benefit also. Their homes are comfortable because J-M Rock Wool keeps every room up to 15 degrees cooler.

You can cash in on all these benefits. For complete facts and free J-M Rock Wool folder write Johns-Manville, Sun Life Bldg., Montreal, or see your nearest J-M dealer.

Teacher Picks Correct Weight Of Two Turkeys

The teacher is nearly always right and Saturday night at the Armouries the teacher was the only one right as Mr. James MacCallum, who teaches at Queen Square School accurately guessed the two turkeys at the Y's Men's Trade and Industries Fair to weigh a total of 43 pounds, 14 ounces.

By thus hitting it on the nose Mr. MacCallum earned for himself a Christmas and New Year's dinner as he was awarded the two turkeys. He was given some close competition as there were guesses of 43 pounds, 12 ounces, and 44 pounds. Col. A. W. Rogers supervised the drawing.

The turkeys were donated by Matthews Turkey Farm, Alberton, and Mr. F. A. S. Jones, Charlottetown. The big turkey weighed in at 29 pounds, 10 ounces; his mate at 14 pounds.

The closing of the successful five-day fair was well attended. Door prize winners were Miss Marjorie Hall, 5 Upper Prince Street, a side of bacon; Mr. E. Duffy, Parkdale, a shirt, and Mr. Adrian Keenan, 170 Sydney Street, an assortment of Cream of the West cereals.

IN MEMORIAM

In loving memory of our brother Augustine A. Lecky, who passed away October 31st, 1948.

We are always thinking of you
And often speak your name
We tried so hard to keep you
Although it was in vain.
In grief we watched life fading
As you slowly passed away
Only God knows how much we miss you
As it dawns one year today.

Ever remembered by sisters and brothers.

CITY POLICE COURT — At the Stipendiary Magistrate's Court Saturday, a man charged with operating a motor vehicle while intoxicated was remanded until Tuesday. Four drunk and incapables appeared, one being sentenced to 20 days in jail, while the remaining three were each fined $10 and costs or 20 days.

SEASONAL WORK COMPLETED —Work on St. Peter's Cathedral for this year has been completed. The front has been thoroughly repaired and covered with two coats of waterproof plastic; the slate roof on the east side has been removed and replaced with asphalt shingles. The roof on the west side has also been patched. There still remains to be done interior decoration, also repairs to the west side of the roof and porch.

SNOWMOBILE PURCHASED — Some twenty-two school districts in the area around Bonshaw have purchased a snowmobile for their resident doctor, Dr. MacLeod, to assist him in his winter transportation. The action of the people in this area has led to the Government adopting a policy whereby they will pay ten per cent of the purchase price of such equipment under certain conditions. In order to qualify the area must be more than five miles from centres like Charlottetown and Summerside.

FUNERAL SATURDAY — The funeral of Thomas Soulsby was held Saturday morning from the A. A. Hennessey Funeral Home to St. Dunstan's Basilica where Requiem High Mass was celebrated by Rev. P. F. MacDonald who also conducted service at the grave. Pall bearers were William McCabe, Frederick Carr, Edward Blanchard, Norman Campbell, Chester Brehaut and James Llewellyn. Interment was in the Catholic Cemetery. Representatives of the Charlottetown Branch of the Canadian Legion B. E.S.L. attended the funeral and Comrade MacDonald read the service at the graveside. Bugler Frank Smith sounded the last post. Mr Soulsby was a veteran of the South African and First Great Wars.

Safety Engineer Visits Province

The Chief Safety Engineer of the Workmen's Compensation Board of the Province of New Brunswick, Mr. John Redfern will conduct inspection tours and put on first aid classes for the employees of the industries of this Province during the next two and one half weeks. This is the first such survey to be conducted on the Island.

Mr. Redfern has been with the Workmen's Compensation Board in New Brunswick for the past 29 years. His services have been made available to the P. E. I. Workmen's Compensation Board so that a survey of the industries on the Island can be made with the object of preventing injuries and accidents.

The prevention of accidents will keep the compensation rates at the low level which Island people enjoy. Mr. Redfern stated that the rates on P. E. I. are the lowest of those in any part of North America.

The industries which will be inspected include packing plants, wood working and saw mills, canning concerns, construction jobs and produce.

Mr. Redfern's work is well known in the Province of New Brunswick. In his first year of service he saved the Compensation Board in that Province about $90,000.

Teen Town Topics

The first night of Junior Teen Town of the season was held at the Y M. C. A. Saturday night. Junior Teen Town is teen agers from thirteen to fifteen. A great evening of entertainment was held for these junior teen-agers.

The programme consisted of movies, ping-pong, games, canteen and dancing for everyone. The movies were "Criminal Justice" and a sing-song, "Let's All Sing." After the movies the dancing started in the gym to all the hit songs of the week with all the popular orchestras. There was also novelty dances such as double-tag, Sadie Hawkins, etc. A spot dance was held in which prizes were given to the winners.

Many of the junior teen-agers are taking advantage of this great chance to learn to dance and also have an entertaining evening at the Teen Town Hall.

Next Saturday night will be for senior teen-agers from fifteen to nineteen years old. Everyone is welcome within these ages!

"Our First Glimpse Of The Sea"

CAVENDISH BEACH, P.E.I.

A picture of pastoral beauty, softly rolling hills, fertile valleys and winding roads unfolded before our eyes as we drove to Cavendish Beach.

Just the day before, the Island had been lashed by a furious storm of rain, driven by a stiff gale, which had deepened the red colour of the soil.

The weather was perfect, one of those afternoons you pray for—bright sunshine, blue sky with soft, fluffy clouds, as if the angels in their white garments and fluttering wings had paused to rest, and had gathered into friendly groups to watch over God's children on this beautiful Island Province.

A turn in the road—there, just below, lay the ocean, bounded by red cliffs of the Island, with the blue of the water deeper than the sky, and flanked with white caps; a broad expanse of shining water, sparkling in the bright sunlight, accompanied by the ever present murmur of its rolling waves; as if to tell us, in the voice of each incoming wave, of the depths of the mercy of our Divine Redeemer, forever reaching out to us, that we may lose ourselves in the boundless ocean of His Love!

TERESA THOMAS.

August 31, 1949.

(The above is a tribute from the pen of Miss Elizabeth Battram of Windsor, Ontario, who writes under the "nom de plume" of Teresa Thomas. Miss Battram attended the Provincial C.W.L. convention held in Charlottetown in August. It was her first visit to the Island and incidentally the first time she had seen the ocean and she was duly impressed with its majestic beauty.)

ions and other non-combat craft

The Navy announcement followed disclosure that Navy and Marine Corps manpower will be whittled 54,891 men by next July 1 to correspond with the reduction in ships.

Defence Secretary Johnson is aiming at a $13,000,000,000 budget for Army, Navy and Air Force in the fiscal year beginning next July 1. This compares with $15,585,863,498 voted by Congress for the present year. However, all of this won't be spent. The economy impact also has been felt by the Army and Air Force.

The breakdown in navy cutback orders was coincidental with the uproar over the dismissal of its top officer, Admiral Louis E. Denfeld, as its chief of staff.

Navy Secretary Francis Matthews kept mum over Denfeld's possible successor. The ouster, came shortly after Denfeld had blistered department unification policies before the House armed services committee.

Questions Answered In House of Commons

The following questions and answers are from the Hansard report of House of Commons proceedings, Oct. 26:

Post Office Stenographers

Mr. McLure:

1. How many stenographers are employed in the Charlottetown post office and postal district office?

2. Did the stenographers all receive a special stenographic allowance of $5 per month?

3. Has this allowance been discontinued? If so, when?

4. Will the stenographers in Saint John, Halifax and Montreal offices have their allowance discontinued?

Hon. Mr. Rinfret:

1. One in Charlottetown post office; one in Charlottetown post office inspector's office.

2. Yes.

3. Yes; 1st. October, 1949.

4. Yes.

Potato Exports

Mr. Hatfield:

1. How many bushels of Canada grade 1 table potatoes were exported from Canada to the United States during the period from September 15, 1949, to October 17, 1949 inclusive?

2. How many bushels were exported through each port of exit?

Mr. McIlraith:

1. Canadian exports are compiled on a monthly basis that is, all customs entries received in Ottawa on the last day of the month are included in that month's summary. The tabulation system does not permit the segregation of entries for part of one month and part of another. There will be no tabulation of export shipments for the month of October until Nov. 15. The latest information available is for the month of September:

Exports of potatoes, n.o.p. (except seed) to U. S. A., 117,877 bushels.

2. Not published by ports of exit.

Local Anglican W. A. Hears Report On St. John Meeting

At a recent meeting in St. Paul's Parish Hall, reports on the 64th annual meeting of the Dominion W. A. of the Church of England in Canada, held in Saint John, N. B. were given by Mrs. A. B. Cosh, Diocesan President, Miss Ada Harris, Treasurer and Mrs. E. V. Bell, Recording Secretary. These reports showed a most satisfactory year's work having been accomplished. The membership has steadily increased now numbering over 110,000. The Thankoffering of $31,356.56 was presented at the Communion Service in Trinity Church when His Lordship Bishop Moorehead of Fredericton was the celebrant. A bus trip to Fredericton, as the guests of P. E. I. Diocesan Board for a service in Christ Church Cathedral and tea at Bishop's Court was enjoyed by all on the last day.

One of the outstanding speakers during the sessions was Archdeacon C. R. H. Wilkinson, in charge of missionary work in the Kangra District who painted a vivid word picture of present day India and the great opportunities for missionary work in that land of teaming millions now divided into Pakistan and Hindustan. In his stirring address he said "during the great disturbances in August, 1947, it was the Christians who won great respect and regard when they rendered marvelous service to thousands of homeless refugees in huge transit camps. 4,000,000 people moved from Pakistan to Hindustan and 4,000,000 people moved from Hindustan to Pakistan. The greatest trek of population between two countries in the history of the world, was fraught with great dangers of disease, death and famine. The Hindus and Mohammendans would not trust each other and it was the Christians who rendered magnificent service, when they organized into medical and welfare relief teams and went into the huge camps to render medical and relief service. They were immediately accepted by the people of all castes and creeds, and the splendid work they did won the esteem and regard of thousands of poor refugees. The goodwill towards Christians is higher than ever; many leading Christians occupy high offices in the central and provincial Government in India. The day of opportunity is greater than ever before and it is hoped that we will be able to strengthen and enlarge our work in India for the extension of the Kingdom of God."

Ottawa Conference On Constitution In January

OTTAWA, Oct. 31—(CP) —The Dominion-Provincial conference on constitutional amendments will be held early in January, it was indicated today.

Federal Government sources said they expected the conference will be over by the time the next session of Parliament begins late in January or early in February.

The suggestion of Prime Minister St. Laurent that a preliminary exploratory conference of constitutional experts be called apparently has been abandoned because no general agreement between the Dominion and the Provinces could be reached.

WILLING TO PAY

TUSKET, N.S. — (CP) — When residents of this Yarmouth County community decided on a new school they didn't balk at paying the cost. Though Tusket has a total tax assessment of only $54,000, residents last spring voted to tax themselves five per cent to pay for a $26,400 school which was opened this fall.

Successful "Apple Day" Reported By Boy Scouts

Charlottetown Scouts and Cubs can today look back on the most successful "Apple Day" ever held in the history of the movement. Returns from other centres of the Province were not known last night, but the city grossed $996.61.

Some 300 city Scouts and Cubs, favored by bright sunny weather, were about early Saturday morning. Complete with brightly coloured neckerchiefs and carrying gaily decorated baskets filled with choice Island apples, they made a complete canvass of the city.

Headquarters expect to have reports today from Summerside, Montague, Georgetown, Borden, Alberton and O'Leary.

Qualifying for the ignominious title as "the meanest thieves in town" are two youths who robbed two Wolf Cubs of their cans containing collections for Apple Day.

The Cubs, youngsters under 12 years of age, were from the St. Peter's Pack. The cans were wrested from them by two older youths.

The incident was reported to Scout Headquarters, City Police informed and it is expected there will be a court sequel.

In addition to canvassing in Charlottetown, city Scouts had teams in Hunter River, Kensington and Mt. Stewart. They were transported to these centres by Scoutmasters Brig. W.W. Reid and Bob Chandler.

Top salesman in the city was Scout Gordon Tweedy of the 9th Troop who sold $23.37 worth of apples.

Charlottetown Troop and Pack sales follow:

1st Troop and Pack (Basilica)	$ 90.38

DESIGNED FOR LEISURE

STEPHENVILLE, Nfld. — (CP) — United States air force personnel at Ernest Harmon Airfield here don't have to worry about what to do with leisure time. A new $3,500 hobby shop was opened recently at the U.S. base, to add to a theatre, gymnasium, bowling alleys, athletic field and boat house.

"THE SNAKE PIT" POWERFUL FARE

The new picture at the Prince Edward cannot be judged by ordinary standards. "The Snake Pit," based on the novel by Mary Jane Ward, has its locale in a mental hospital, its principal character is one of the inmates, and its theme is about how schizophrenics and manic-depressives are given psychiatric, insulin-shock, and water immersion treatment. Hardly a film, you will note, to come under the heading of "entertainment" and pleasure for the whole family...

Within these severe limits, however, "The Snake Pit" is an astonishingly fine job of movie-making. No matter what you may think of its choice for a theme, the manner in which it has been handled both by the script writer, Millen Brand, and the director, Anatole Litvak, has the power and impact to jolt you from here to next Thursday. And in Olivia de Haviland, as the principal inmate under examination, "The Snake Pit" brings us certainly the finest performance on the screen this year, a performance of fire and force and compelling drive that marks her as one of the outstanding players on the current screen. There will be some question, of course, as to whether it's the performance of Miss de Havilland that exerts such a powerful attraction, or whether it is merely the morbid fascination of watching how a mental patient behaves: I am inclined to think that it's the actress who towers over the role, rather than the other way around.

Illness Is Treated

The story of "The Snake Pit" is the simple one of how Miss de Havilland's illness is psychoanalyzed and then treated by one of the doctors in the institution. There is a good deal more of this in the picture, incidentally, than there was in the original book. It turns out, according to the developments here, that the patient's illness goes all the way back to her childhood, to the love she had, for her father, and to the ineffectual and ignorant way in which she was treated by her mother. As these long hidden circumstances are brought forth by the doctor in a series of examinations, a picture of Sigmund Freud is prominently displayed on the psychiatrist's office wall. I have an idea, even with such pictures as "Spellbound" and others in a long line of psychological thrillers, that this psychonalysis in "The Snake Pit," is possibly the most accurate that has ever been filmed.

Catholic Students Elect President

OTTAWA, Oct. 30 — (CP) — Claude Gagnon of Quebec today was elected president of the Canadian Federation of Catholic University students.

More than 50 delegates from Ontario, Quebec and the Maritimes attended the Federation's two-day annual congress. The Federation is affiliated with Pax Roma, world-wide Catholic student organization.

Yesterday delegates held lengthy discussions of the proposed establishment of a national library and on radio and television. The discussions were led by Rev. A. Morriset of Ottawa and Floran Forget of Montreal.

First Performance Of String Quartet By Local Composer

It has been announced that "String Quartet No. 1", a composition of William Keith Rogers of Charlottetown, (above), is to receive its first performance internationally on Tuesday evening, November 1st, when it will be performed by a CBC String Quartet for the benefit of listeners to the International Service, in the Carribbean and South American zones. The quartet will again be heard Thursday, November third, by listeners in the European zone. Local listeners with short wave bands on their receivers may hear the program by tuning CKCX on 19.75 or CKRA 25.51 metres on Tuesday night at 10.30 p.m. or Thursday night CHOL 25.60 metres or CKLO 31.15 metres, at 6:30 p.m. At a later date it is expected that the quartet will be performed for Canadian listeners on the National Network.

Mr. Rogers who is now associated with Reginald Godden at the Hamilton Conservatory of Music, Hamilton, Ontario, in the Department of Composition, Theory and Piano, is a graduate of Juilliard Graduate School of New York, where he studied under some of the best known composers of the day.

Earlier compositions of Mr. Rogers have been published by Broadcast Music Inc., of New York and Toronto.

Mr. Rogers is an accomplished pianist of concert calibre and recently played in a recital in Hamilton.

He is a son of Mr. and Mrs. Keith Rogers of Charlottetown.

SUDDEN DEATH

Continued from page 1

was actively engaged in his duties and his friends were pleased to see him out and about apparently much improved in health.

However a heart condition from which he suffered continued to affect him, and it was during his work that he suffered an attack which eventually proved fatal.

The late Mr. Chandler had a pleasing personality, and his hearty laugh and good nature made him a welcome guest at any function. He was a member of St. Paul's Church, Charlottetown, and a strong supporter of the Canadian Legion. He served on the Executive of the Charlottetown Branch and was prominent in the promotion of the Legionnaires hockey team. He attended West Kent School and later entered the Bank of Nova Scotia, Charlottetown. In August, 1939, he joined the regular Army later transferring to the 1st Medium Regiment in which he served with distinction in the United Kingdom, Italy and Northwest Europe.

While overseas he married Miss Joyce Lambkin, Sutton, Surrey, who survives with two small sons Harry, 6, and Max, 2. Also left to mourn are three sisters and two brothers. They are, Edith, Joan and Mary (Mrs. Edwin Cook), Bramwell, and Robert.

The funeral will take place tomorrow afternoon at 2 o'clock from St. Paul's Church. Interment People's Cemetery.

The remains are resting at the MacLean Funeral Home.

TENDER

Tenders will be received up to noon on Saturday, Nov. 5th. for repairs to Red Cross Headquarters. Specifications may be seen at 62 Prince Street, Charlottetown.
