Gin Pills FOR THE KIDNEYS How They Help

ST. RAPHAEL, ONT.

Four years ago I had such pains in my back that I could not work. The pains extended to my arms, sides and shoulders. I used many kinds of medicine for over a year, none of which did me very much good. I read about Gin Pills and sent for a sample and used them, and found the pains were leaving one by one and I was feeling better. So I bought one box and before I used them all, the pains were almost gone and I could keep at work. After I had taken six other boxes of Gin Pills, I felt well and strong as I did at the age of 30. I am a farmer, now 61 years old.

—HOCKEY MATCH.—

An interesting game of Hockey took place at the Alberton rink, between the second Regals and the Tignish team, Monday night. The game was to have taken place in Tignish, but owing to the soft condition of the ice, could not be played here. The Tignish boys not wishing to disappoint the Alberton team, showed their true sportsmanship by engaging a special train, and arranging a game in Alberton. Play started about 8 o'clock, and from first to last clean fast hockey was in evidence. Ten minutes after play started McCarthy making a good run scored for the Regals. Rogers Scurry and McArthur were the stars of the Regal team; Murphy, Whalen and McFarlane of Tignish; W. Arsenault and P. Evans handled the game satisfactorily. Tignish:—Gallant, Goal. Murphy, Point; C. Gaudet, C. P.; O'Zoline, Rover; Wing, Whalen, R. Wing, Alberton:—Profit, Goal; Roger's, Point; Sherry, C. Point; McCarthy, Rover; Miller, Center; Bowness, L. Wing; Dunn, R. Wing. A few minutes later C. Murphy after a grand run evened the score. The Regals soon after scored again and again, Murphy evened the score. Play then went on from one end to the other neither sides having the advantage until Murphy secured the puck carrying it the full length of the rink and scored. A few minutes before time was called Dunn tied the score for Alberton, it was determined, to play of, but after fifteen minutes of play the game was called, with a score of 3-3.—Z.

—NARROW ESCAPE.—

Mr. Sylvain Gallant, employed in the Round House, Tignish, had a narrow escape Monday, Mr. Gallant was loading coal for the special train that day when a large hulk of coal which had become frozen, about 5 tons, became loose and rolled down, knocking the hand car off the track. One of the men seeing it falling, warned Mr. Gallant just in the nick of time, for him to get out of the way.—Z.
