Nelle Morrison at the piano. The opening chorus "The Birdies Sing" was followed by a humorous skit "The Fortune Teller" with the chairman and Marcelus Melvor taking character parts. While the chorus "Golden Slippers" was sung, Gordon MacKay in a sleep walking act crossed the stage with numerous balloons floating over his head. The next number consisted of two skits, the first being a Farmer Scene with Parker Crockett, master of ceremonies, assisted by Charles Erickson, and David Estey; the second was a Russian scene with Parker and Charles. "When the Moon Comes Over the Mountain" was sung by the class and followed by the skit "Money Changing" with Joyce Currie, David Estey, and Nancy MacFarlane. Isabel Howatt, Alexander Green, Gordon MacKay, Esther MacKay, and Frances Lecky presented a "Reporter" play followed by the closing chorus "Carry On". The "Stewardship of Money" was conducted by Miss MacLure and a beautiful poem entitled "The Home" was read by Mrs. Laura Harding. —Mr. Emery Lyle was elected president of the Anglican Laymen's Association of St. Mary's and St. John's Churches at the annual meeting held at "Noah's Ark," the summer cottage, of Mr. and Mrs. E. E. Parkman, Summerside, on Thursday evening. Mr. Parkman who is the retiring president was in the chair. Other officers elected were as follows: Honorary President, Ven Archdeacon G. R. Harrison; Vice-president, James Connell; Secretary, Arthur Andrew; Treasurer, J. M. Logan; Executive, Geo. T. Clark, Roy Tanton. The following committee chairmen were also appointed: Fellowship, James Murphy; Study, Rev. G. R. Harrison; Boy's Work, Eric Tanton; Publicity, J. J. Enman; Entertainment, D. J. Heath.

Annual reports were read and approved. Mr. Alden Small read the treasurer's report which showed the total receipts of the year \$602.00 and the total expenditure \$508.00. Mr. James Murphy read the annual report of the Entertainment Committee and thanked all those who had assisted at the various projects during the year. Mr. Eric Tanton reporting for Boy's Work said that in St. Eleanor's there were 18 scouts and 22 cubs. During the year articles to the value of \$100 were made by the troops. He explained that a gardening project has been started for the summer and prizes will be given at the end of the season. The general report of the year's activities was given by the retiring president, Mr. E. E. Parkman. Rev. Mr. Harrison spoke feelingly of the work done by the men during the year and he thanked the president and the executive for their efforts.

The meeting opened with prayer by Archdeacon Harrison and during the regular business meeting Mr. James Murphy reported on the bean supper and blind auction which had been held very successfully. He said that the receipts were approximately \$135.00. After the meeting lunch was served and a vote of thanks was tendered to the host for his hospitality. —S.

**Farewell Party Held At Freetown**

The citizens of Freetown and vicinity assembled at the home of Mr. Charles D. (Chum) Taylor and his family on Thursday evening previous to their departure from the neighborhood to reside in Summerside. Mr. Allison Proffitt presided and after a few opening remarks called upon Mr. Lewis Cairns to read an address while presentations were made of a beautiful trillium lamp to Mr. Taylor by Mr. John Cairns; a handsome mirror to Miss Roberta Taylor by Mrs. Allan Clow and a Westinghouse electric iron to Miss Doris Jardine by Mrs. Elton Cairns.

The address in part said it was the wish of the people of Freetown that God's richest blessing would rest upon the Taylors in their new home and assured them there would always be a place in their hearts and in their homes where the Taylors would be welcome when they would care to visit. Personally to Mr. Taylor the address read that although he had been born in Freetown in the "horse and buggy days", having lived there all his life, he had kept pace with the march of civilization not only in the farming profession as well. He had always been an up-to-date farmer ever ready to engage in the "new thing" whether it was potatoes, cattle, foxes, or chickens, and his splendid herd of prize-winning Holsteins was ample proof of his progressiveness. It continued that some men may excel in and be remembered for one thing, others for something else, as some may be good farmers, some politicians, some churchmen, some business men but that Mr. Taylor could lay claim to being all of these except the politician, yet he would be remembered best as being a "good neighbor". His place would be hard to fill in the community. To his daughter, Miss Roberta, the address said that she had grown up with them and her many fine qualities had endeared her to them all. She would be missed in the community where she was always ready to do her part in everything that merited her support, in the
