Helen Wills Moody Wins Singles Title

On The Verge Of Defeat Winner Makes Glorious Comeback In Final Set

Helen Jacobs, U. S. Titleholder Is Within Match Point Of Victory At One Stage Of Struggle. Both Players Show Great Courage In Gruelling Final Being Near Exhaustion At Finish.

(By Gale Talbot, Associated Press Sports Writer) (A. P. By Guardian's Special Wire)

WIMBLEDON, England, July 7—Helen Wills Moody, poker-faced darling of Wimbledon's galleries for more than a decade, reclaimed the world's feminine tennis championship Saturday with as fine and gallant a last-ditch rally as the game ever has seen.

Vindication for Winner

Seventeen thousand spectators who sat or stood through the struggle verged upon hysteria before Miss Jacobs, run to the point of exhaustion, knocked the final ball over the back corner after an hour and 40 minutes of gruelling play.

The victory supplied all the vindication Mrs. Moody ever will need for the incident in the United States championship final of 1933 when, suffering from a back injury, she walked off the court in the third set with Miss Jacobs leading 3-0. She was accused then of quitting, of depriving Miss Jacobs of a chance for a clean-cut, undisputed victory.

Yesterday, she gave a conclusive rebuff to any one who ever questioned her fighting heart. Almost as though she willed it, Mrs. Moody again gave her fighting adversary a three-game advantage in the third set, the same advantage Miss Jacobs had enjoyed at Forest Hills. She even spotted Miss Jacobs a 5-2 lead later in the set and once, in the ninth game, had match point staring her in the face.

Then like an avenging goddess, she won five straight games from one of the game's fighters, who ever donned tennis shorts, and pulled the match out of the fire. When the final point kicked the dust over the baseline, the winner ecstatically tossed her racket over her shoulder and literally raced to grasp her defeated rival's hand. Miss Jacobs stood up bravely as they walked side by side and the crowd stood and roared its approval for many minutes.

Loser Exhausted

Then in her dressing room, Miss

Jacobs lay prostrate for 45 minutes and on the verge of tears. "Helen deserved to win," she said falteringly. "I just couldn't get that match point."

Also tuckered out but in much better shape than her rival, Mrs. Moody said: "Helen played gloriously. I never expected to win."

One linesman vouched for the fact that Miss Jacobs played the last three games in a virtual daze. "We had to tell her it was her own provincial men's singles tennis title here Saturday afternoon when she defeated Ross Wilson, hard hitting Canadian ranked player also of Toronto, in a four-set duel. The scores were 2-6, 6-3, 6-2, 9-7."

Wilson gained some consolation in winning the doubles, paired with Grant (Pinky) McLean, of Toronto. The Toronto team pulled out a four-set win, 6-2, 6-3, 5-7, 6-2, over a Montreal combination of Henri-Paul Emond and Stewart Veyssey.

Experience proved too much for young Claire Walsh, 17-year-old Toronto Miss in the finals of the women's singles. She ran up against a veteran in Mrs. W. T. Patrick, of Montreal, who had won the crown twice before. Mrs. Patrick won the title in straight sets, 6-4, 8-6.

Mrs. Patrick became the only double winner of the day when she combined with Diana Foe, of London, Ont., to defeat Miss W. Chisholm and Miss M. Little, both of Montreal in straight sets, 8-6, 6-4.

Great Britain, which already had bagged the men's singles title through Fred Perry's straight set conquest of Baron Gottfried Von Cramm of Germany on Friday, also added the women's doubles and mixed doubles crowns.

Freda James and Kay Stammers decisively trounced Mme. Rene Mathieu of France and Hilda Krahwinkel Spiering of Germany, 6-1, 6-4, to win the women's tandem championship, while Perry and Miss Round teamed up to capture the mixed title from Mr. and Mrs. Harry Hopman of Australia, 7-5, 4-6, 6-2.

will dominate the sprints, as well as the running broad and high jumps in the 1936 international games at Berlin.

There have been great negro track athletes before, such as Sol Butler, Howard Drew, Binga Diamond and Dehart Hubbard, but nothing to compare with the current crop.

Their development has been sensational since little Eddie Tolan of Michigan became the first negro to capture the double Olympic sprint crown in 1932 at Los Angeles, with dusky Ralph Metcalfe trailing him in both events.

Brilliant Negro Athletes Likely To Dominate Sprints And Jumps At Olympics

(By Alan Gould)

(Associated Press Sports Editor) (A. P. By Guardian's Special Wire) NEW YORK, July 5—Dusky shadows are being cast athwart coming Olympic Games by the greatest crop of negro track and field athletes ever developed in the United States or, for that matter, anywhere else in the realm of competitive sport.

On the basis of a display of speed and agility brought to a stunning climax in the United States A. A. U. senior championships yesterday, it seems likely American negroes

Birthday Greetings

(By The Canadian Press) To Lou Vergez, who was some hitler indeed when he first joined New York Giants a few years ago. Vergez is 29 years old today but he isn't with the Giants because of injuries held him up so frequently that the New York club traded him at the end of last season to Philadelphia. The deal sent Dick Barbell to the Giants.

GROGERS AND STARS MEET TONIGHT

Can Burhoe's Grocers stop the rush of Pere Melnins' Stars thereby giving themselves a great chance of tying the City Baseball League leaders for sectional honors, is now the big question of local baseball and one that will have its answer tonight as the pace-setters meet at the Abegweit Grounds at 6.15.

The encounter takes on a crucial aspect, a Star victory will give the Melnins crew the section and this is just what they will be seeking tonight. They feel they are the better squad and are taking this game as the best time to praise this matter.

Grocers however, will have lots to say and do about this. They may not be as dangerous with the willow as their opponents but defensively, if the Grocer team is clicking then the Stars will have a mighty tough time in pushing runners over home plate.

SPORT BRIEFS

VERSATILITY RETURNS NEW YORK—Old-time baseball days, when players didn't specialize in one position, may be coming back. Back in 1932 Mel Ott of the Giants, Freddie Lindstrom of the Cubs and Pepper Martin of the Cardinals were outfielders. You'll find them at third base most of the time this season.

BAREFOOT FOOTBALLERS

MANCHESTER, England—A team of Fiji Island footballers, who play the game barefoot, may visit England next year to test their skill with English clubs, according to Arnold Broderick, a Manchester cotton merchant, who sends medals to Fiji Island footballers every year.

LOS ANGELES

Jesse Owens' name isn't Jesse, but he doesn't care what they call him. Competing in the United States intercollegiate track and field championships the dusky sprint star revealed a Cleveland school teacher had given him that name when he registered and persisted in reply "J.C." when asked "what is your name?" James C. is the christian name, however.

FAMOUS ATHLETE ROBBED

LONDON—Seven gold and silver medals won by C. B. Fry, famous athlete of the early part of the century, have been stolen from his Kensington home. They were trophies of his record wins in international and university athletic events.

AWAY FROM PAR

CHICAGO—William "Wild Bill" Mehlhorn, who has won a lot of golfing titles in his way never tires of telling the story about that "plumb crazy" nine hole 33 with only one par he scored in a tournament at Detroit. Wild Bill had one eagle, four birds, one par and three bad holes on his card and was two under par. He finished the 18 hole round with 65.

LEADS NEWCASTLE UNITED

NEWCASTLE, England—Tom Mather, secretary manager of Stoke City, has been appointed manager of Newcastle United, well-known English soccer club, in succession to Andy Cunningham who resigned recently. Mather had managed Stoke for 12 years.

All-Stars Win From Anchors

Spotting their opponents a 4-0 lead in the first inning the Industrial League All-Stars made a great comeback in the succeeding frames to hammer out a 23-6 victory over the Anchors in a scheduled weekend league game. The victory sent the Stars into a tie with the Tip Tops for the league lead.

The Anchors hurler was batted freely after the first frame, the winners climaxing their attack in the eighth with an ill-run rally. Nicholson started on the mound for the All-Stars but retired after yielding four runs in the first frame. Stewart coming in to pitch in the second. The latter's sharp-breaking hooks proved a hard puzzle to his opponents and he kept the blows merged off the mound for well scattered allowing but two runs in the eight innings he worked.

JOCKEY'S LARGE ESTATE

LONDON—"Billy" Speck, steeplechase jockey who died in April from a fractured spine suffered in a fall at Cheltenham, left an estate of nearly \$100,000 including \$83,500 net personally.

VETERAN ALL-BLACK TEAM

WELLINGTON, N. Z.—The New Zealand All-Blacks rugby team that will tour England this year has few newcomers to international rugby. W. E. Hadley and J. Best, both forwards, are the only two who haven't represented New Zealand before. Dominion authorities expect the British opposition to be of the toughest.

CRICKETERS ON CALL

MANCHESTER, England—When the Kent-Lancashire county cricket match was held up recently on account of rain the Kent players decided to go to the races. While at the track this notice was posted: "The Kent county cricket team is wanted at Old Trafford immediately." The match started shortly after five o'clock.

GOLDEN SWIM DAYS END

TORONTO—It was in 1927 that Ernst Vierkoetter, German baker, collected \$25,000 for organizing a 21 mile swimming marathon here. Those were golden days for long-distance swimmers. Just the other day the Canadian National Exhibition announced the 1935 prize for a five-mile swim would be \$2,500.

OPPOSED SUNDAY GOLF

BOLTON, England—Reversing a previous decision on the ground it was a "snatch vote" the town council has finally granted the petitions of its citizens and has declined to allow Sunday golf on the municipal course.

JOCKEY SETS MARK

WINNIPEG—It's a long time since any jockey dominated a one-week racing meet as Ralph Jackson did at Whittier Park here this summer. Jackson had 36 mounts during the week and delivered 17 winners. He had eight seconds, two thirds and was unplaced 9 times.

HOCKEY MENTOR BACK IN GAME

REGINA—Wes Champ, old maestro of western hockey, cannot remain out of the game. After many years absence from ownership and play in the Southern Saskatchewan Hockey League, he will not invade other clubs for players, but intends to use all new material.

ALLEN BEST HURDLER

NEW YORK—Perhaps the best hurdler in the United States this year is Sam Allen of Oklahoma Baptist college. Officially he was clocked in 14.3 seconds for the 120 yard high hurdles at the Princeton invitation meet but three of the six watches on him showed 14.1. Percy Beard's world mark is 14.2.

HOCKEYISTS FOLLOW PONIES

NEW YORK—Speed, apparently, is a diet hockey players must be fed continuously. Unlike many other national hockey league players who own their own stables, or at least one thoroughbred, Murray Murdoch and Ching Johnson of New York Rangers have none but attend the races here daily until they get tired, then switch over to

SCHMELING WINS ON POINTS

Paulino Uzcudun Proves Tough Opponent For Former World Champ.

(A. P. By Guardian's Special Wire) BERLIN, July 7—Max Schmeling, trounced Paulino Uzcudun of Spain in a 12 round fight tonight, winning on points before a crowd of 65,000, including many high Nazi officials.

The former world heavyweight champion disappointed the crowd, which expected him to win more decisively than he did. Schmeling, who weighed 192 1-2, found a tough, game adversary in the wood-chopping Basque who took everything the German had to offer in the way of long-range punching while waiting to register short, powerful body blows.

Uzcudun's face was battered at the end of the bout, but he had not been knocked down and several times he had driven Schmeling to the ropes with jolting body blows. Uzcudun weighed 203.

The Nazi cheers for the victors were faint as he left the ring. Schmeling claimed he had been fouled in the sixth round and that the low blow had sapped his strength to such an extent that he was unable to give his usual power to his punches in the later rounds. The decision was based on the counts of German judges. The Spaniard's manager said he had expected at least a draw because of his battler's in-fighting.
