

STRICKEN IN THE STREET

Completely Restored To Health By "Fruit-a-tives"

382 St. VALERIE ST., MONTREAL
 "In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years, and my weight dropped from 225 pounds to 160 pounds. Then several of my friends advised me to try "Fruit-a-tives". I began to improve almost with the first dose, and by using them, I recovered from the distressing Stomach Trouble—and all pain and Constipation were cured. Now I weigh 208 pounds. I cannot praise "Fruit-a-tives" enough". H. WHITMAN.

ATTENTION Mr Stockman

We are at the close of Winter—your animals have been closely housed and on dry feed. They may eat well—but do not seem to turn their food to good account.

It is up to you to supply the tonics and blood purifiers, which your stock would receive if they were on pasture.

Dr. Croken's Condition Powder is just the article. This Powder has been used and endorsed by all the leading horsemen and stock-raisers in the province.

Henderson, Kingston, spent Sunday in Hampshire. Kingston Star Division is in a flourishing condition and meets regularly despite the unfavorable weather and bad roads. A number of friends and relatives of Mr. and Mrs. Frederick Newson, Kingston, gathered at their home on April 3rd, to bid them and their family farewell ere their departure for their new home in Brackley Point. Mr. and Mrs. Everett Holmes, Kingston, intend moving to their new home in a few days. The mail carrier, Mr. Albert Clow, is doing excellent work and deserves credit. The many friends of Mr. Tyrus Holmes are glad to see him out again after his recent illness. Mr. Beecher Campbell, Colville Road, spent Sunday at Kingston, he was the guest of Mr. B. W. Rodd. NERVOUS BREAKDOWN

STAMFORD, CONN., NURSE TELLS HOW SHE FOUND HEALTH.

Stamford, Conn.—"I am a nurse and suffered from nervous breakdown. I had no appetite and could not sleep at night, and nothing seemed to help me. By chance I heard of Vinol, and after taking the first bottle I noticed an improvement, and four bottles made me well and strong. It gave me a hearty appetite, so I can sleep soundly night or day. I consider Vinol a wonderful tonic." Edith R. Forbes, Stamford, Conn.

The reason Vinol is so successful in overcoming such conditions is because it is a constitutional remedy and goes to the seat of the trouble. It is the greatest strength creator we know—due to the beef and cod liver peptones iron and manganese, peptone contains, all dissolved in a pure medicinal wine.

We have seen so many wonderful recoveries like this right here in Charlottetown caused by Vinol, that we feel perfectly safe in offering to return money in every such case where Vinol fails to benefit.

E. A. Foster Druggist, Charlottetown, also at the best Druggist in all Prince Edward Island towns. Vinol is sold in Montague at H. J. Mabea.

A CHEAP SCHOONER.—The schooner May Bell was sold at auction in Charlottetown on Friday by Mr. Benj. Carter. The purchaser was Mr. Leonard Wood whose bid was \$45.

DOING GOOD WORK.—The Society of Granville Red Cross acknowledges with thanks the sum of \$25.00, received from the people of South Granville, being part proceeds of a concert held in Granville Hall; also \$2.00 received from Miss Christina Gunn. This society has been doing excellent work since the new year. They have knit about 150 pairs of socks, 44 pairs of which they mailed to Major W. Stanley in France, to be distributed among Island boys. At last meeting they decided to do some sewing and also to keep another prisoner. This makes the second prisoner which this society has adopted.

GRANVILLE NOTES.—Things are looking springlike in this vicinity. Farmers are preparing for their spring work. Help will be scarce, no doubt. Mr. James Taper, who has been laid up for the last two weeks is improving, and will likely be up and around in a few days. Miss Gladys McLeod, of Uigg, who has been visiting in Granville for the past week, left for her home Thursday morning. While in Granville she was the guest of A. K. and Mrs. Henry. Mr. Herbert Mallett, who has been confined to the house all winter, with a severe attack of pneumonia, is somewhat better, and hopes to be able to get out in a few days. Mr. Geo. Weeks is doing a rushing business in his saw-mill. Wm. R. Taylor has purchased a seven months' old thoroughbred Holstein bull from Mr. Gavin Harding, of Ingewood Farm. It is a fine specimen of his kind. Mr. Taylor is raising a fine herd of Holstein cattle. The teacher, Miss Gwen McLeod, spent her Easter holidays with her parents, Mr. and Mrs. M. A. McLeod, of Uigg, and has returned to her duties again. Pearly Stream Division is doing good work, and intend keeping a prisoner of war, which will be the third from Granville. The young man who is in the habit of firing a gun on the highway and other places after night, frightening people, may get a surprise if it is continued, as this is not in keeping with the laws of the country. The mail driver, Mr. McKay, is giving good satisfaction.

LITTLE SANDS.—The young people of the Presbyterian church here are holding excellent Christian Endeavor meetings every Sunday evening. A number of the young people were on Friday evening last night entertained by Mr. Arthur Scambrough at his beautiful home in High Bank. The company broke up in the wee sma' hours of the morning. Mr. Scambrough makes an ideal host when it comes to spending a pleasant evening. Miss Christine Jones, of High Bank, accompanied by her uncle, Mr. Daniel McEachern, of Iris, spent Sunday evening here. Mr. John McLennan, an old and highly esteemed citizen who spent the winter in Boston, Mass., arrived home. Mr. McLennan was accompanied from Boston by his son, Mr. J. J. McLennan, who comes from Vancouver, B.C. Mr. Elias Cahoon, of Gladstone, passed through Little Sands Monday to visit Mr. Milburn Dixon of Port Wood. Mr. Cahoon spent the week-end with Mr. and Mrs. Isaac David, High Bank. Mr. Ernest McLean, of Melrose, Mass., who is spending the winter here, rendered a beautiful solo in the Presbyterian church on Easter Sunday. Mr. M. Blue, Jr., paid a flying visit to Peter's Road last week. Mr. Malcolm Blue, sr., left for Hopefield Sunday evening, but owing to the impassable condition of the roads was compelled to return home. Messrs. Laughlin McLean, Monte McKenzie, and Ewa Smith, left for New Glasgow, N.S., last week. Mr. Daniel McPherson spent the week-end the guest of Mr. and Mrs. Daniel Keenan, Port Wood. Mr. Blue, Jr., has arrived home after a very interesting voyage around the world. Mr. Blue was one of the crew of the ice-breaker J. D. Hazen, which the government delivered at Archangel, Russia. Mr. John D. McLean and Mr. Colin H. McNeill were to Charlottetown on a business trip.

NEW BARREL SILHOUETTE.

NEW YORK, April 27.—There will be two fashionable silhouettes this spring. The slim silhouette, with its straight, clinging lines, will continue to be in favor, as it has been all through the winter, but the new barrel skirt will give women a chance to indulge in the bouffant effect, which will, doubtless, be welcomed by those who have complained of being tired of the eternal straight line.

True to its name, the new silhouette is in outline of a barrel, bulging at the side and drawn in at the waist and ankles. There are many ways of accomplishing this fullness over the hips. One is by the clever draping of the material at the waistline somewhat after the fashion of the "peg" ago. The skirt narrows down to two yards at the hem. For the narrow skirt, especially in this form, is in vogue in with the spring. Fashion authorities say. The silhouette has also been named the "newingtons", and looking at the whole silhouette from shoulder to ankles, and not merely from the waist downward, the name is indeed most appropriate.
