Hockey

As much argument has been taking place between Holman's Office Staff and Clerks hockey teams, and as the Office Staff having won one game out of five played claimed the store championship, it was agreed to have a sudden death match to decide the title.

On Wednesday night, April 7th, they met and the Clerks clearly showed their superiority by handing the Office a 5-2 trimming, before an enthusiastic crowd of fans. The ice while a little rough, was hard and dry for so late in the season and the game was fast and fairly clean.

Referee Charles Cahill, who was prevailed upon to handle the game, kept the play well in hand and handed out several penalties to each team.

The Clerks forced the play right from the start and "Stonewall Watson" had a busy session. Wheaton and Holman broke away in nice combination, Wheaton taking a fine pass inside the Clerks blue line for the only score of the first period. The second period had only been going a short time when G. Lea, who was considered by the Office Staff to be too old to be dangerous, skated away from the highly rated Office forward line, circled the defence, and picked the corner of the net for the first score for the Clerks. A few minutes later Woodside repeated almost the same play to put the Clerks one up. Then Bradshaw stickhandled his way in close to poke one past Watton for the Clerks' third counter. Just before the period ended Mountain, who was coasting around waiting for something to turn up, finally got his wish when he got a loose puck from somewhere to slam it past Millman for the Office Staff's second and final counter. The final period found the Clerks still forcing the play, Robertson raced down right wing to blaze a long shot that Watton forgot to pull his feet together on. Shortly after Woodside worked his way in for the fifth and final score of the game.

THE LINEUP

Table listing players and positions for the Hockey game.

NOTES

The Clerks are still waiting for the stew. Bill says Bob can't check nearly as well on the ice as in the office. Maybe this is just another case of getting too old.

Demar Will Run Again

BOSTON, Mass., April 13 (A.P.)—Clarence Demar, 44 year old and seven-times winner of the Boston A. A. Marathon today notified officials he would make his 14th start in the event on April 19. His entry was included in a batch that increased the total to 135, including nine from Toronto.

BASKETBALL

Grade X 20 In the second game of the Prince Street School league played last night in the "Y" gym the Grade X girls decisively defeated the Grade IX team by the above mentioned score. The game was fast and was marked by a lot of fouling by both teams. Grade IX were handicapped by the absence of "Flash" Rogers and Marianne Gay. For Grade X Nita McNeill, Olla Partridge and Ruth Brown were the stars, the former collecting 8 points for her team. For Grade IX Ruth Dodds and Francis Ayers were outstanding. The final game will be played next Wednesday night at 6.45 p.m.

Lineups and scores. Grade IX Ayers 6, Dodds 4, F. Simmonds, D. Simmonds, McEachern, Sally Hughes. Grade X White 6, Partridge 2, Brown 2, Storey 2, McLeod, Clawson, Morris.

Referee—Bill Partridge.

ABBIE SISTERS 26; AMAZONS 17.

Last night at the Y. M. C. A., the semi finals in both the City League and the Ladies league, got started. In the first game the Abbie Sisters defeated the Amazons 26-17. This means that the Abbies have a 9 point margin to carry into the final game with them, which takes place Saturday night at 7 p. m. The game was mostly ragged, although Rattenbury and Harrington gave a few demonstrations of how basketball should be played. "Slip" Goss referred to the satisfaction of all concerned.

THE LINEUPS

Table listing players and positions for the Abbie Sisters vs Amazons game.

SENIOR Y 39; FALCONS 21

In the second game, the Senior Y team tied the Falcons up in the knots in the second half to win by the score of 39 to 21.

The first half gave the Falcons a lead of 1 point which they lost within 30 seconds after the whistle for play to recommence, when Goss and Henry started a scoring streak for the Senior Y which left the Falcons apparently as helpless as children. Henry had the high score of points and demonstrated his grit and vitality by playing to the final whistle although he had twice run into the heaters and sustained a couple of nasty dumps. The next game to be played Saturday night promises to be a humdinger and for 10 cents the admission price, there could be no better way to spend an evening than to come and see it. This game will decide who is to meet the H-Y in the finals.

Referee—Cyril Ryan and Watson MacEwan.

IN AMERICAN YESTERDAY

(Canadian Press) NEW YORK, N. Y., April 13.—St. Louis outlit the Chicago White Sox at Chicago today but the renovated hose bunched their blows, and took advantage of a Brown error to win their second straight game, 7 to 3. Dick Coffman and Bob Cooney were solved for nine blows, while Tommy Thomas, receiving fine support, was touched for a dozen blows. Smead Jolley banged out three hits to lead the White Sox attack. A home run by Heinie Manush with two on base in the ninth inning gave Washington a 7 to 6 win over Boston in the local American League opening at Boston today, before a crowd of 5,000. Manush's clout was made off one of Jack Russell's offerings.

An error by Rhyne, Sox shortstop, early in the ninth frame, put all four Washington runs in the unearned column. Until that time both teams had played perfect ball.

The Red Sox outlit the Senators, 9 to 8. Cleveland and Detroit played a torrid 11-inning baseball game in frigid weather at Detroit today, Cleveland winning, 6 to 5, before 12,000 spectators. Wesley Ferrell went the route for the Indians, allowing 14 hits but tightening in the pinches. One of the Tiger hits was a home run by Roy Johnson to start the first inning.

IN THE NATIONAL

NEW YORK, N. Y., April 13.—Intensive hitting that produced five runs in the ninth inning pulled St. Louis out of a bad hole today at St. Louis and enabled the Cardinals to triumph over Pittsburgh by the score of 9 to 8 after the Pirates had been ahead all afternoon.

This second victory of the world champions was witnessed by 1,500 fans who shivered while Wild Bill Hallahan and then Jim Lindsey failed to stop Pirate batsmen. Glen Spencer had been having better luck against the Cardinals, but the final frame saw the first three men up fill the bases. Then came the scoring which lasted until Frisch's double scored two Redbirds.

Slugging tactics by the Cincinnati Reds could not overcome Malone at Cincinnati and the Chicago Cub pitcher walked off with a 3 to 2 victory. The result tied the series thus far at a game each. The Reds bunched a double, a single and a triple in the fourth inning to jump into the lead but Malone kept them under cover thereafter while his teammates pecked at Carroll for hits that gave them the winning run in the eighth on two singles.

Grantham, a Cincinnati ace, injured his left ankle in the sixth inning in stopping Gudat's drive and was carried from the field.

Canadian Citizens To Have Preference

WINNIPEG, Man., April 13.—(By the Canadian Press)—Foreign-born workers in the Canadian National Railways shops at Fort Rouge and Transcona today were required to prove their citizenship. Their naturalization papers were inspected by a committee headed by A. E. Moore, Dominion Chairman of the Canadian Legion, who said the investigation is the result of a new basis for the proposed lay-off of men by which all employees who cannot prove their Canadian citizenship will be dismissed regardless of seniority. Mr. Moore said the basis had been arranged at a conference he had a few days ago with Sir Henry

HART LOSES

SAINT JOHN, N. B., April 13. (By the Canadian Press)—Al Fournier, of Bridgeport, Conn., won a meagre decision over Kid Hart of Moncton, featherweight champion of the Maritime Provinces in a ten round bout here tonight. The Kid, fighting at 123 pounds, took a good deal of punishment from the more scientific Fournier, whose weight was 125, but succeeded in giving a blow for a blow through most of the grueling bout. The eighth and ninth were the only rounds decisively Fournier's. He also was credited with the seventh, Hart won the third and fourth, and the others were even. Hart's tactics were disapproved by the crowded galleries several times during the fight. He himself complained to referee Frank O'Leary that Fournier had bitten him on the arm. Fournier excelled in the infighting, his short, sharp jabs telling on the Moncton fighter. Kid Hart with the advantage of a longer reach, endeavored to carry the fight to his opponent with windmill rushes. Nick Skinner, Saint John, fighting his first professional bout, was knocked out in the sixth round of a preliminary match with Kid Hamilton of Halifax. All the fighters in the other events were of Saint John.

BLEAK PICTURE

(Continued from Page 1) Earlier today the committee heard testimony by Dr. Ernest C. MacMillan, principal of the Toronto Conservatory of Music, and F. R. MacKeigan, K. C., as governor of the Conservatory. These witnesses gave the committee a picture of the possibilities of developing a strictly Canadian musical talent which they said offered unlimited potentialities. Canadian musicians had demonstrated, in the face of much discouragement, that they could make a place for themselves with the leading artists of the world, the witnesses declared. Questioned by J. L. Halsey, (Lib., Hants-Kings), Dr. Morgan said freedom of speech on the air was restricted mainly to those who wished to advocate a cause in which the broadcasting company happened to be interested. Otherwise it could always find a convenient excuse to refuse. Tomorrow at 10.30 the committee will hear Sir John Aird, Toronto, who heard the Royal Commission on radio in 1929. The Aird report forms the basis of the present agitation for the establishment of a system of public ownership.

U. S. Senate Discuss Revenue Bill

WASHINGTON, D. C., April 13.—(By Ken Clark, Canadian Press Staff Writer)—A canvas of the United States Senate today indicated better than an even chance that the revenue bill will emerge from the chamber containing provisions for duties on coal, oil, copper and wood-pulp. A bloc to obtain protection on these commodities is forming. Senators from copper states can probably muster thirty votes and with trading of support there is reason to believe sufficient strength could be found to add copper and wood pulp provisions to those on coal and oil already in the bill. Passage by the Senate this afternoon of David A. Reed's resolution to provide for an investigation of the effect of depreciation of foreign currencies on American trade, does not weigh heavily in a Canadian assessment. The resolution asks a review of the situation by the tariff commission and a committee of six senators. Of greater significance is the decision of Democratic senators to permit the introduction into the revenue bill of tariff provisions bearing upon commodities whereon the tariff commission has reported. The commission has reported on four items mentioned, three of which are important in Canadian export trade.

Loyalty To Great Britain Upheld

BELFAST, Northern Ireland, April 13. (A.P.)—Viscount Craigavon, Premier of Northern Ireland, today reaffirmed the determination of Ulster to remain a part of the British Empire. Speaking in the Northern Ireland House of Commons, he said: "I will carry on in the future as we have done in the past, nothing has changed our attitude or feelings of loyalty to Great Britain—nothing in any circumstances whatever." The Premier said he was unwilling to comment further at present on the Anglo-Irish Free State exchange of notes over the oath to the King and land annuities, since he had not had sufficient opportunity to study the situation. Decision of Democratic senators to permit the introduction into the revenue bill of tariff provisions bearing upon commodities whereon the tariff commission has reported. The commission has reported on four items mentioned, three of which are important in Canadian export trade.
