

3 TRYING TIMES In a Woman's Life.

There are three periods in a woman's life when she is especially in need of the heart strengthening, nerve toning, blood enriching action of Milburn's Heart and Nerve Pills.

The first of these is when the young girl is entering the portals of womanhood. Very often at this time she is pale, weak and nervous, and unless her health is built up and her system strengthened she may fall a prey to consumption, or be a weak woman for life.

The next period a woman needs Milburn's Heart and Nerve Pills is another. The drain on the system is great and the exhausted nerve force and depleted blood, require replenishing.

The Change of Life is the third period in a woman's life when she is most liable to heart and nerve troubles. Often there is nervousness, hysteria and melancholia; palpitation, dizziness, feeling of "pins and needles," hot flushes and general weakness.

IT'S EASY TO CATCH

A cold and it's easy to cure one if taken in time and treated with the right remedy. It is no trifling matter, though, if neglected. Pneumonia, Consumption, and the numerous other ills are but the consequence of neglected colds.

CANADIANS' DEPARTURE

Lord Mayor of Liverpool Entertain Men

MR. ARTHUR MELLISH

Responds and is Conspicuous for his Resemblance to Baden Powell.

(London Times, Nov. 2)

Yesterday 24 Canadian Volunteers who had arrived in Liverpool from London in charge of Lieutenant Smart of the Colonial Staff at 8 o'clock, embarked for Halifax, on board the Allan Steamship Carthaginian, which left the Mersey in the afternoon.

Before the embarkation the Lord Mayor of Liverpool entertained the men at luncheon in the Town Hall and the proceedings were very enthusiastic. In proposing the Queen the Lord Mayor said he wished Capt. Strachan, the embarkation officer, had informed him earlier of the departure of the Canadians, so that he could have brought together the principal people of Liverpool to see the volunteers who had fought so well for the country.

Sergeant Mellish for the Canadians said that when the first call for Canadian volunteers was made 5,000 Canadians volunteered. Before a week had passed away the volunteers who had been selected were on the water en route to the scene of the fighting in South Africa.

What You Pay For Medicine is no Test of its Curative Value—Prescriptions Versus Dr. Chase's Kidney-Liver Pills.

Dr. Chase's Kidney-Liver Pills are just as much a doctor's prescription as any formula your family physician can give you. The difference is that Dr. Chase's Kidney-Liver Pills were perfected after the formula had proven itself of incalculable value in scores of hundreds of cases.

CIRCULAR LETTER

To Pastors and Sessions Without the Presbytery of P. E. I.

By resolution of Presbytery at its last meeting it devolves upon me as Moderator to issue a circular letter setting forth a movement having in view the deepening of Spiritual life in our congregations with the opening of the new century.

- 1. Recommend that the Presbytery be divided into five districts, the Minister and representative Elder of the several congregations grouped together to form a committee, whose duty it shall be to devise such measures as they deem best to revive the religious life of our congregations.
- 2. The districts proposed are as follows:—
 1. Alberton, Montrose, Bloomfield, West Cape and Richmond Bay.—A. D. McDonald, Convener.
 2. Summerside, Bedeque, Malpeque, Clifton, New London North and Cavendish.—R. S. Whidden, Convener.
 3. Charlottetown, Brookfield, West River, Covehead, Tryon and Strathalbyn.—J. Layton, Convener.
 4. Mount Stewart, St. Peters, Souris, Dundas, Cardigan, and Georgetown.—J. W. McKenzie, Convener.
 5. Montague, Murray Harbor North, Murray Harbor South, Woodville, Caledonia, Belfast, Orwell, and Valleyfield.—E. Gillies, Convener.

By this action of Presbytery it is therefore requested:

- 1. That Ministers represent to their people the subject of church life and work, emphasizing its importance in keeping with the assembly's report and this movement.
- 2. That sessions take this matter into immediate consideration and adopt such measures as are best fitted to awaken and engage the interest of the people.
- 3. That each Presbyterial sectional committee center with every session within their bounds with the view of stimulating church life and work.

of last year the Canadians had responded to the call of the Mother Country. If the same call reached the Dominion again would not 5,000 respond but 20,000 to be willing to volunteer. The many kindnesses shown towards the Canadians would linger long within memories.

THE TORTURE OF ECZEMA PREVENTED SLEEP.

Mr. Paul Lartiviere, Mendowville Station, Pictou Co., N.S., writes as follows: "I shall always praise Burdock Blood Bitters as the best remedy for skin diseases. I had been suffering from Salt Rheum or Eczema for the past five years and could not get any rest from the terrible burning and itching, which was worse at night and prevented me sleeping."

It is a blessing that there is such a reliable remedy as B.B.B. for those tortured day and night with terrible skin diseases and who can get no relief from their misery.

Apply it externally and it takes out the fire and itch and aids in the healing process. Take it internally and it purifies the blood of all those poisons which are the source of skin eruptions.

B.B.B. Cures Eczema and all Burning, Itching Skin Diseases.
