If Back Aches Help Kidneys

Do you feel older than you are or suffer from aching back, stiffness, nervousness or frequent urination? It may be your kidneys that are giving you trouble. Back aches and kidney trouble are closely related. You can't get rid of one without the other. You can't get rid of kidney trouble without getting rid of your back aches. **Cystex** (see page 10) is the only medicine that does both.

Stock Markets At A Glance

WINNIPEG, March 17—(CP)—A firm trend in rye futures prices was noticeable in the short session of the Winnipeg Grain Exchange Saturday.
A large export trade was reported with the United Kingdom and France 300,000 bushels.
NEW YORK, March 17—(AP)—On the New York stock exchange Saturday dealings slowed after a fairly active start. Aviation stocks were followed by assorted "thin" blue chips, utilities, motors, steels, oils and rubbers. Rails were narrow.

U.N.R.R.A. Faces Tough Problem

ATLANTIC CITY, N. J., March 17—(CP)—Urged on by the reality of threatening death by starvation for millions of people, the United Nations Relief and Rehabilitation Administration begins tomorrow the real work of the fourth council session which opened Friday.
Now, near what was originally believed to be the end of its term of operations, the administration faces the real work of the fourth council session which opened Friday.
U.N.R.R.A. is "facing the greatest crisis in human history," Philip Noel-Baker, Minister of State and leader of the British delegation, said on his arrival today.
U.N.R.R.A. has been plagued through its short term of operations by the play of international politics, delay on the part of some countries, notably the biggest contributor, United States, which supplies 70 per cent of the budget, and by widespread criticism.
It also has been handicapped by difficulty in getting supplies and by the tremendous and unlooked for food shortages which have developed in countries in which it did not propose to operate, such as India and in the conquered countries.
EDINBURGH—(CP)—Edinburgh Castle is to house headquarters of the Scottish Command as soon as minor alterations have been made.
LONDON—(CP)—A former lieutenant-colonel was among applicants for a bus conductor's job here.
