Having been requested by a large number of electors to contest the ward at the forthcoming by-election. I am at your service. F. S. Chandler, Charlottetown, was a recent visitor to Sydney and registered at the King George hotel.

At a recent meeting the following resolution was passed:—Whereas the people of Village Green and Upper Mt. Albion has suffered much inconvenience for the need of a siding at Village Green Station and whereas they were led to believe that every reasonable effort would be made by the representatives to induce the proper authorities to supply this needed convenience, and whereas up to the present time nothing has been done towards remeding the existing conditions, therefore resolved in the opinion of this meeting the representatives of the district have been lax in their duty in not pressing their claims upon the proper authorities.

The marriage took place at Vancouver in the Church of Our Lady of the Holy Rosary on Oct. 12th of Miss Henrietta Mae Turner, daughter of James and Mrs. Turner, Glynde River, P. E. I., to James Groth Marshall Connolly of Vancouver, the Rev. Father Walsh, O. M. I., officiating. The bride looked very pretty in white duchess satin made en train with veil and orange blossoms and carrying a bridal bouquet of white chrysanthemums. She was attended by Miss Edna White who wore a gown of primrose charmeuse satin and carried pink chrysanthemums. The groom was supported by John Turner, brother of the bride. The reception was held at the home of S. J. and Mrs. Smith, 2788 Oxford St, autumn foliage being used in the decorations of the rooms where the tables was prettily arranged with white chrysanthemums. The hostess, gowned in pale blue mouselin de soil over blue silk was assisted by Mrs. Connolly, mother of the groom, who wore a handsome gown of black satin trimmed with jet and silver lace. The groom's present to the bridesmaid was a gold brooch set with pearls and to the best man a pearl tie pin. The happy couple were the recipients of many handsome presents and after a dainty supper they departed in an auto in time to board the night boot to Victoria, the bride being attired in a tailored suit of blue serge, a black velvet hat with white Ostrich plumes completed her chic costume. Among those present were Mr. and Mrs. Fraser, Mr. and Mrs. Morris, Mrs. C. H. White, Mr. and Mrs. Fletcher, Mr. and Mrs. Graham, Miss A. Fraser, Miss Morris, Miss R. Beckman, Miss Hanna, Miss Edith White, Mr. Garry, Mr. Gibbs, Mr. Tailon, B. Turner, Mr. McIntosh and others. P. Campbell and P. C. McRae, Charlottetown, were among the recent visitors to Sydney.

The Northumberland left Charlottetown this morning at 7.30 for Pictou with a fair number of passengers and a general cargo.

At the Charlottetown Police Court this morning, F. Henderson was fined $5 or 20 days and D. Robertson $2 or 5 days for being drunk.

The eastern express arrived in Charlottetown today at 9.30 a. m., on time; the southern express at 9.25 a. m., on time, and the Cape Traverse accommodation at 9.55 a. m., on time.

Talking with a wholesale grocer this week, says the Halifax Maritime Merchant:—We were informed that American beef was costing $22.00 laid down at Halifax, and this being so, said he, it impossible for us to sell at less than $24.00 per barrel. In fact, there is no profit in it at that. The Chicago market is very strong at the moment of writing. New stock P. E. Island pork is now on the market and short cut backs are bringing $29.00. American cear backs are worth $28.50. New hams and bacon are now coming in, but there is no reduction in the price. The demand is good. Lard is slightly easier in primary markets, but we make no change in our former quotations.

The Maritime Merchant of Halifax says that:—There is no stock of oatmeal there at the present time and prices are hign. Supplies of oatmeal from new crops have not yet come to hand. There is nothing very special to be said about the oat market, except that supplies are not coming in very freely from the West, owing to the shortage of cars. The local market has had a few from Prince Edward Island, but we understand were purchased at about 46 cents, f. o. b. Charlottetown, bags included. The supply of middlings and other feeds is better than it was a few months ago, and the market is about 50 cents a ton lower. A break is reported in the price of cornmeal due to the very large crop of corn this season. An item in the press this morning stated that flour had declined 25 cents a barrel at St. John. This is liable to be misunderstood. The decline was in hard wheat only and so far as the trade are advised did not apply to soft wheat flours.

::Our candy department is well stocked with the choicest and best all ray of chocolates exhibited here for some time. The line includes Moirs in handsome Elite boxes at 35c and 60c. THE FISHERY OF THE MARITIME PROVINCES.

OTTAWA, Nov. 8—The monthly bulletin of sea fishery statistics issued by the department of marine and fisheries, states that on most parts of the Atlantic coast the weather during the first part of the month was windy and rough, but during the latter part it was fine and favorable for fishing. In the eastern parts of Nova Scotia and around Prince Edward Island dogfish continued to give trouble and to destroy considerable quantities of fishing gear. Mackerel were quite plentiful for a few days on the coast of Inverness county. Medium sized mackerel were unusually plentiful on the shores of Queens and Yarmouth counties.

Fishing in Digby county during September was above the average. There was a fairly good mackerel catch, the first for many years in that county. Sardine fishing in New Brunswick was good and the canneries were running on full time. Along the north shore of New Brunswick, very little sea fishing was carried on, except in the counties of Kent and Gloucester. Salmon fishing with rod and line was good in north Cumberland.

Windy weather and strong tides operated against successful fishing in Gaspe county. Fish in general were scarce around the Magdalen Islands. Mackerel were schooling plentifully, but would not take the hook. Lobster fishing was only fair. This is the only section of the coast where lobster fishing is allowed to take place during September. On the north shore of the Gulf of St. Lawrence, westward from Natashquan, fishing was rather poor, owing to the cold, windy weather. On that part of the coast there were taken, during the month, 192 seals, 38 porpoises, and 11 whales.

During September the catch in Nova Scotia was worth $625,851; for Prince Edward Island, $28,870; and for New Brunswick $184,143. For all Canada the value of the catch in September was $1,622,572, as against $2,520,894 in September, 1911. For six months ending September 30, 1912, the value of the catch was $11,343,421 as against $11,753,706 in the corresponding period of 1911.

STREET CONDUCTOR ELECTED.

NEW YORK, Nov. 8—A street car conductor, who did all his campaigning from the rear platform of the car over which he officiated, is one of the successful Brooklyn candidates for the state legislature. He is Joseph Monahan, democrat, elected from a hitherto rock ribbed republican district. His opponents were two lawyers, Edward Karutz, republican, and Jacob Kernfeld, progressive. The result gave Monahan a plurality of nearly 3,000 votes.
