LOCAL BRIEFS

MR. JAS. HOWARD, Cornwall, while at work on Monday weeding some strawberry vines discovered a number of luscious strawberries, some of which he brought to the GUARDIAN office. The fruit is as large as the ordinary strawberry in season.

The market received a poor attendance yesterday. Butter sold from 20 to 22 cts per lb; eggs 15 cts per doz chickens from 45 cts a pair and ducks 60 to 70 cts. The meat and fish markets were well attended and the butchers were kept busy supplying the needs of their many customers. Potatoes sold at 20 ct per bushel.

ABEGWEITS will meet for practice at the drill shed tonight at 7 p. m. there will not be any practice at Victoria Park today. Tomorrow (Thursday) the Abegweit Crescent team (which has been selected to play the Wanderers at Halifax 19th) will play a scratch match with a team selected from P.W.C.S., D.C. of the city. The game will commence about 4.30.

DR. HUGH L. DICKEY was married at noon yesterday to Marie Louise, daughter of Dr. Thomas Trenaman, at the summer residence of the Doctor on the Northwest Arm Halifax. Rev. A. W. Nicholson officiated. The groom was supported by his brother, Edwin Dickey. Miss Lena Jean of Glace Bay, was bridesmaid. The bride who is very popular, received magnificent presents. She will be a decided acquisition to Charlottetown society.

The marriage took place yesterday morning of Mr. Joseph J. Dunn, Pake's Station, to Miss Mary A. Campbell, of St. Theresa's. Rev. Ignatius McDonald officiated. Mr. Andrew Bradley acted as groomsmen, and Miss Maggie Anesty as bridesmaid. After the ceremony the newly wedded pair drove to the southern section of the province, where several of Mr. Dunn's friends reside. The GUARDIAN extends congratulations.

The Irish team (champions of the world) will play their first match with the "Wanderers" (Maritime Champions) on Oct 14th. The Irish team is a very heavy one averaging 178 lbs. The Wanderers average 167 the abegweits 156 Dalhousie has refused to play the Abegweits on their trip to Halifax consequently the boys will have only one game in the city. This will be a serious loss financially, but as far as football is concerned it does not matter as the Wanderers are the Champions.

The marriage took place at the mans., Orwell, on the 28th September by the Rev. R. McLean of Cartney W. Compton of Milltown to Mary Dryden of Orwell. The bridesmaid was Margaret B. Compton, sister of the groom, while Chas. W. Hume supported the groom. The bride was attired in a charming suit of gray tawn with shot silk trimmings. After the marriage ceremony the happy couple with their friends drove to the home of the groom's father and partook of the supper which was in readiness. The many and valuable gifts tend to show the high standing in which the bride and groom are held.

MESSRS SELIG and Thompson engineers, are in the city to begin work with a view of finally settling the best site for the Hillsboro bridge.

ON POULTRY AND EGGS.—Mr. Wheatley, of Charlottetown will deliver a lecture on the above subject in the Hall, at Vernon River Bridge, on Wednesday evening, 18th Oct., at 8 o'clock.

As we go to press this morning the marriage of Mr. E. J. Lucas of Halifax and Miss Maud K. Finlayson, daughter of Capt. Finlayson, commander of the S. S. Minto takes place. The ceremony will be performed by R. V. G. P. Raymond. The bridesmaid is Miss Edythe Finlayson, sister of the bride, while Mr. J. A. Webster supports the groom. The bride will be given away by her father and wears a gown of prune colored cloth, trimmed with cream satin and chiffon. The presents are numerous and easily showing the high esteem in which the bride and groom are held. The happy couple leave by the S. S. Princess for their future home in Halifax.
