

Dear Mother

Your little ones are a constant care in Fall and Winter weather. They will catch cold. Do you know about Shiloh's Consumption Cure, the Lung Tonic, and what it has done for so many? It is said to be the only reliable remedy for all diseases of the air passages in children. It is absolutely harmless and pleasant to take. It is guaranteed to cure or your money is returned. The price is 25c. per bottle, and all dealers in medicine sell.

SHILOH

This remedy should be in every household.

Cloth AND CLOTHES

It takes more than just cloth to make good clothes. We have the goods and the ability to make the right kind of suits for you. You'll look well and feel satisfied if you let us fit you and if money-saving means anything this is the place.

Scrofula is very often acquired, though generally inherited. Bad hygiene, foul air, impure water, are among its causes. It is called "the soil for tubercles," and where it is allowed to remain tuberculous or consumption is pretty sure to take root. Hood's Sarsaparilla removes every trace of scrofula. Get Hood's. For testimonials of remarkable cures send for Book on Scrofula, No. 1. C. I. Hood Co., Lowell, Mass.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of this announcement, the better the advertising. No occupation space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance. -American Medical Journal

HAVE SUNSHINE AND YOU WILL BE HAPPY.

The above is as true of the "Sunshine" Furnace as of the rays of the sun. Read what some of the users say. VICTORIA, P. E. I., March 21, 1904. The McClary Manufacturing Co. Dear Sirs, -I have had perfect satisfaction in your magnificent Sunshine Furnace No. 400 which I put in last fall. It heats my house of 22,000 cubic feet perfectly and with one-third less coal than it took to heat it with stoves. I think the Sunshine cannot be equalled. Is economical on fuel, easily operated and the material and workmanship are first-class in every respect. I would recommend it to any one who wants the best.

(Signed) CHAS. ROGERS, CARLETON, P. E. I., March 18, 1904. Dear Sirs, -In regard to your No. 400 Sunshine Furnace, I beg to state that it is giving good satisfaction. The furnace is 59 feet by 31 with 22 feet ceiling and pleasant to sit in. Would prefer it to any other furnace I have seen yet. Will give more heat with half the fuel than the furnace which was in before yours. I have no further remarks to make as I think it about perfect. (Signed) WM. J. CARUTHERS, Chairman of Trustees.
