

Keeps The Chaps Away

It is the little things of life that annoy us. "We can dodge an elephant, but not a fly" says some philosopher. You can't very well avoid annoyance from chapped and roughened skin these days unless you rely on

NASAL AND THROAT CATARRH
Cured by VENO'S LIGHTNING COUGH CURE

As a remedy for Catarrh in all its various forms, Veno's Lightning Cough Cure is incomparable. The healing principles in Veno's soothe the irritated surfaces of the air passages, and restore the mucous membrane to healthy, natural action. Then the stopped-up feeling, the morning cough, and constant clearings of the throat, so characteristic of nasal and throat catarrh, are soon overcome and cure follows, more or less rapidly according to the severity of the case. Prices 25 cents and 60 cents, from druggists and stores throughout Canada.

HAPPENINGS OF THE WEEK

INDIAN SUMMER.

Red moons that wax the wane, and in the air
A smell as of a fragrant smoke out-poured
From turbid that swing before the Lord;
And little puffs of drowsy wind that bear
Tamarac odors, and the perfume of
Of pine and cedar! Rich as wine long-stored
Soft sunlight fills the day. Than Jeweller's hoard
The jewelled leaves flash out in tints more fair.

The Red Gods call the woodsman; by the streams
The Indian's wigwam lonely waits, Afar
He seeks the happy hunting of his dreams
In magic vales beyond the horizon's bar;
Through the calm ether falls a whisp' clear;
"Such peace is not of earth—God's heaven is near."

"Meat Prices Will Not Come Down" is the cheerful news from the Department of Agriculture. Meat prices will not worry the man or woman who knows that a Shredded Wheat Biscuit will supply more real body-building nutriment than beefsteak or eggs and at much less cost. Shredded Wheat remains the same price, the same high quality, supplying all the nutriment a man needs for a half-day's work. Two shredded wheat biscuits with peaches and cream or other fruits make a complete, nourishing meal at a cost of not over five cents.

RURAL SARCASM.

A farm hand had been working in the fields from dawn till darkness, day after day, finishing up his chores by lantern light. At the end of the month he said to the farmer: "I'm going to quit. You promised me a steady job of work."

"Well, haven't you got one?" was the astonished reply.

"No," said the man; "there are three or four hours every night that I don't have anything to do and fool my time away sleeping."
