APPLE DELIGHTS

FRITTER BATTER.

Yolks of two eggs well beaten; add one-half cup of milk, one tablespoonful of olive oil, one saltspoonful of salt and flour enough to make a drop batter. When ready for use add the well-beaten whites of two eggs.

APPLE FRITTERS, ENGLISH STYLE.

Beat one egg, add a few grains of salt and one-fourth cup of milk; cut out four rounds of bread from half-inch slices of stale bread. Set the bread into the milk and egg mixture and cook in deep fat. Stew apples, pared and cored, in a few spoonfuls of syrup. Place an apple on each round of bread and grate a little nutmeg over the top. Serve very hot.

FROSTED APPLES.

Pare and core ten large apples. Cover with one pint of water and three tablespoonfuls of sugar; simmer until tender. Remove from the syrup and drain. Wash the parings and let simmer with a little water for one-half an hour. Beat the white of one egg to a stiff froth and add one tablespoonful of sugar. Coat the top of the apples lightly with the meringue and place in a cool oven to dry. Strain the juice from the parings; add two tablespoonfuls of sugar, return to the fire and let boil for five minutes add a few drops of lemon and a little nutmeg, cool and pour around the apples.

APPLE GELATINE.

Cover one-half box of gelatine with half a cup of cold water and let stand for half an hour. Pare, core and quarter six tart apples, add the thin, yellow rind of half a lemon, cover with sweet cider or water, boil and press through a sieve; add one cup of sugar and juice of one lemon. Pour over the gelatine, mix, turn into a mould and let harden. Serve with cream or cider sauce.

APPLE GINGER.

Wipe, pare, quarter, core and chop two and one-half pounds of sour apples. Put in a stew pan and add one and one-half cups of light brown sugar, the juice and rind of one and one-half lemons, one-half ounce of ginger and just enough water to prevent the apples from burning. Cover and cook slowly for four hours, adding water if necessary. Apple ginger may be kept for several weeks. For the Christmas dinner serve around roast goose in apple cups made of bright red apples.

GINGER APPLES.

Pare and core some good apples, Greenings or Pippins. Fill the cavity in the centre of each apple with a spoonful of chopped preserved ginger. Stand them in your baking dish (not tin) and pour over them a syrup made either of sugar and water flavored with lemon, and with a piece of dried ginger cooked in it, or if there cold, with a little whipped cream. This enough ginger syrup this may be used with the addition of a little water. Bake until soft and transparent, but not broken, basting occasionally with the syrup. Serve hot or dried ginger cooked in it or if there cold with a little whipped cream garnished with some pieces of ginger.

GARNISH FOR ROAST GOOSE

Cook rings of apples clear in syrup. Drain, place a stewed pruned in the centre of each and sprinkle with chopped pistachio nuts. Arrange around the platter and place the goose in the centre.

GERMAN APPLE CUP.

Core fine-grained apples, pare except one ring around the centre. Cut celery hearts very fine; mix with mayonnaise dressing, to which a little salt, pepper and half the bulk of whipped cream has been added. Fill the cavities of the apples and round up a little. Set on heart-shaped lettuce leaves. If the apples must stand after being pared rub lightly with a cut lemon to prevent discoloration.

APPLE GOODIE.

Cut apples in balls with a vegetable scoop and cook until tender in a little syrup, to which a little lemon juice has been added. Toast slices of bread or stale cake; dip in milk, to which a little salt and butter has been added. Pile apple balls on slices of bread or cake, with five or six blanched almonds; add bits of any kind of jelly or marmalade. Serve with plain cream.

GLAZED APPLES WITH PRESERVED GINGER.

Core and pare half a dozen apples. Make a syrup with a cup of sugar and a cup of water. Cook the apples in the syrup, cook until tender, turn while cooking, but do not cover, as the steam will cause them to break in pieces. Have circular pieces of stale sponge cake ready, take the apples up on to the cake, sprinkle apples and cake generously with granulated sugar and set in the oven to glaze. Add half a cup of syrup from preserved ginger to the apple syrup and let boil up once. When the apples are a delicate brown pour the syrup on to a serving dish, set the apples into the syrup and fill the open spaces with pieces of preserved ginger. Serve hot with cream.

GLAZED APPLES WITH SPICED PRUNES

Choose large apples of uniform size, pare, core and cook until tender in syrup. Remove to a platter. Boil the prunes in a jelly and pour over the apples. Fill the centres with spiced prunes and dust the top of each apple with powdered sugar and serve hot.
