

WING SHOTS CANADIENS 3 LOSE TO THE MAPLE LEAFS 1 BAKERS 3-2

The L. P. U. Wing Shots went down to defeat before the fast skating bakers at the Arena last night to the tune of 3-2 in a hard fought battle. The Bakers scored early in the first period, when Whitlock, flashy little left winger did the job in four minutes after the opening whistle. Play was about even for the remainder of the period, both teams playing hard and very fast hockey.

The Wing Shots got the jump on the Bakers in the middle chukker and kept the play well into enemy territory. The champions showed real form in this period. A fine back checking and air tight defense kept the Bakers at their own blue line. Mickey Bevans scored on a hard angle shot to even the score. Bevans, Ryan, Harper and Bevans stood out in this period, out-foxing the Bakers, and for a time had them all at sea. Murley, a fine goal-keeper, was kept busy kicking out rubber as shots rained on him, Sherrin finally beating him to make it 2-1 for the Wing Shots. For the remainder of the period, the Bakers were tucked in behind their blue line, battling hard to hold the Wing Shots off as the gong sounded.

The third period was a real go, with play sea-sawing back and forth. Both teams were out for a win. Toby McMillan, Jr., who was going great guns last night, grabbed the rubber at his own blue line, stick handled his way through the whole Wing Shot team and skating like a fend, rattled one past Mills to make it 2-2. The Wing Shots tore into the Bakers and shot rubber at Murley from everywhere, but he was on. Whitlock snared the rubber from a mad scramble in front of his own net, broke fast and with only one man to beat, tore in on Mills to score the winning goal ten seconds before the final bell.

The lineup:—Wing Shots—Goal, Roy Mills; Defense, Hooker White, Ralph Bevans, Tucker Ryan; Forwards, Bill Ryan, R. Lund, D. Gillis, B. Sherrin, Mickey Bevans, H. Harper. Stewart's Bakery—Goal, Murley; Defense, McLellan, McLellan, Whalen; Forwards, McMillan, Whitlock, Stewart, Currie, Cairns, McCabe, Freddie Bradley on the whistle.

WILDCATS CAME THROUGH

Kentville Wildcats' 2 to nil win over Truro Bearcats last night came as a surprise to many, and then again many more fans predicted that the Truroites were soon due for a crack, and from now on their winning of games may not be so consistent as previous.

WIN EXPECTED TONIGHT

Abbies are favored to take their first game of the present mainland trip, which is being played at Bathurst tonight. After Bathurst the scene will shift to Dalhousie, where the red shirts are slated to match strides with the hardy Rangers, league leaders in "B" section. To date there isn't a team in the Northern League that can boast of a win on Dalhousie ice—Can Abbegetts hurdle this barrier? This question will be answered Monday night. From Dalhousie the locals journey to Burgoyne town the home of Fredericton Capitals, where they play their final scheduled game of the trip before returning home.

REMEMBERS ALMA MATER

Eddie Hornby, well known star bike rider, has donated a beautiful trophy to be competed for at the Queen Square School ice sports, said trophy going to the pupil making the highest aggregate of points. Eddie's thoughtful gesture, no doubt is appreciated by not only the schools which he once attended, but by all lovers of good clean athletics.

PROSPECTS BRIGHTER AT LAKE PLACID

Conditions at Lake Placid were becoming serious. Townsfolk and business men of the famed United States winter and summer resort had invested close to a million dollars preparing for the games. A bobled run that cost \$20,000 had been erected and an ice palace that entailed an equal expenditure. The snow of December had melted in the thaws of January and athletes of the competing nations were sitting on club-house verandahs watching lakes run with water, and ski hills lying naked of covering.

LOWER SALARIES FOR BALL PLAYERS

When Babe Ruth refused to return signed the contract proffered him by the Yankees had their leading hitter as a holdout. Now with Ben Chapman, of Birmingham, Alabama, refusing to accept the same money as he received last year, the fastest man on the paths joins Ruth in rebellion. The Americans are not the only club having difficulty getting players to work for the same or less money as in 1931, particularly less. Brooklyn, G.ants and the majority of the major leaguers are endeavoring to take advantage of a flooded baseball market and purchase their ivory at a lower price than in previous years.

DONATES TROPHY

Mr. H. O. Schryer, after the game Wednesday night, generously donated a silver trophy for the Junior Ice Sports which are arranged for the first week in February. Mr. Schryer is held in high esteem in this city, and the Island feels that he is the right man in the right job, as President of the M. A. H. A. His decisions as boss of Maritime hockey have not always been in our favor, but he is guided by facts and not sentiment.

KENTVILLE 2 CHIHAWKS 1 BEARCATS 0 AMERICANS 0

KENTVILLE, N. S., Jan. 21.—(By the Canadian Press)—Hockey predictions received a jolt here tonight, when Kentville Wildcats, cellar holders of the Eastern N. S. circuit, blanked the league leading Truro Bearcats, 2 to 0. It was the first defeat to be suffered by the Bearcats in twelve straight games. Kentville's victory was due, in a large measure, to the glorious work of Fred Leopold, local goalie, who was outstanding tonight.

FALCONS 4S' SIDE 6 MAROONS 3 BEDEQUE 5

DETROIT, Mich., Jan. 21. (A.P.)—Fighting for third place in the American section standing, the Detroit Falcons nosed out the Montreal Maroons, 4 to 3 here tonight in a bumping, bruising national hockey league match with a prospective fist fight in every body check.

Doug Young, recruit Falcon defenseman, proved the man of the hour, scoring two goals, his counter late in the third period breaking the tie and putting the Falcons out in front. The Maroons took an early lead, Dave Trotter scoring a pretty goal unassisted in the first period. Nels Stewart got credit for the second Maroon goal, in the second session, but it was scored off the stick of "Hap" Emms, Falcon wingman, who deflected it past Connell in the Falcon net when he tried to break up a pass. Then the Falcons came to life, and scored three goals in quick succession, young Kilrea and Emms tallying to make the score three all before the second period closed.

Young's second goal was the lone tally of the final session although the Maroons piled into Detroit time and again.

TENNIS

MONTREAL, Que., Jan. 21.—(By the Canadian Press)—In a series of quarter-final round matches that produced the most sparkling tennis of the tournament, favored players swept to the semi-final rounds of the singles and doubles of the 11th annual Canada covered court tennis championships on the courts of the Montreal indoor tennis club today. The survivors in the singles will clash tomorrow afternoon and the remaining doubles pairs will play in the evening to decide those to contest the finals Saturday afternoon.

Canada became assured of representation in the singles semi-finals early this afternoon when Marcel Rainville, local Davis Cup star and seeded first among the Canadians, achieved a well merited and decisive victory over Fritz Mercier, Bethlehem, Pa., player who recommenced tournament play in the championships following his reinstatement by the United States Law Tennis Association. Rainville triumphed in straight sets, 6-3, 6-3. In the other match in the lower bracket Berkeley Bell, Austin, Tex., star qualified to meet Rainville tomorrow by turning back the challenge of youth full Roland Longtin, City titleholder, in three hard-fought sets, 6-2, 9-7, 6-3.

George Martin Lett, Jr., of Chicago, who is defending the championship for the fourth time in five years, and J. Gilbert Hall, veteran South Orange, N. J., player swept aside opposition from local men to reach the semi-finals in the other bracket. Lett triumphed over Laird Watt, a rising local player, 6-3, 6-2, and Hall vanquished Charley W. Lesli, of Montreal, second seeded Canadian, 6-3, 6-2.

Only one of the four seeded doubles combinations was extended to three sets and reach the semi-finals, this partnership being that of Longtin and H. Paul Emard, who defeated D. P. Hain and Emile Durand, of Montreal, 6-2, 3-6, 6-4. Tomorrow Emard and Longtin will face Rainville and Lett, who scored without difficulty over Watt and his youthful local teammate, Robert Murray, 6-3, 6-2.

Mercier and Hall advanced in the lower bracket with a victory by 6-0, 6-3 over Frank Broda, of Pittsburgh, and William Thompson, of Portland, Ore., two students at Harvard University. Bell and Lesli triumphed in the fourth match of the round, conquering Dr. H. Ross, Cleveland and A. F. S. Mills, both of Montreal, 6-1, 6-2.

transport a battalion of infantry and detachments of cavalry, artillery and the civil guard to the district around Manresa, where the strikers cut railway and communication lines. Reports from the district late tonight indicated that some semblance of order had been restored. The strong measures taken by the government to suppress the disorders were made a question of confidence before the assembly here in Madrid, and the Premier's hand was upheld by a vote of 285 to 5.

"I'm tired of this business," the Premier declared, "and I'm going to give them back as good as they sent. This Anarchist movement started outside Spain, but I am going to finish it here. We have rounded up about 50 of their leaders. Tonight they are in jail. Tomorrow they will be on the way to the colonies to cool their heels."

The Premier said the disorders at Manresa were intended to concentrate the Government's attention there while more serious assaults were made elsewhere.

In Barcelona numerous persons suspected of being connected with the uprising were rounded up by the police and a quantity of pamphlets seized. Army and civil guard detachments poured in on the area of unrest from Saragossa, Gerona, Lerida and other nearby towns.

The destroyer Alcala Gallano was ordered from Cartagena to Barcelona to cooperate with land forces. It was expected to arrive, with its complement of 400 men, early tomorrow. At Manresa the civil guard seized a store of arms and ammunition. Communication with the area of the disorders was difficult but late dispatches indicated the situation was in hand.

Conditions In Russia Reviewed

Mr. H. Michahelles was the guest of Y's Men Cleaver McLean at the weekly Y's Men's dinner last evening. Mr. Robert Sutherland was the guest of Y's Men Fred Holman.

Chairman Claude Smith had as speaker of the evening Dr. W. R. Carson.

Dr. Carson presented a most comprehensive review of the revolution in Russia, the conditions following and the Five Year Plan, taking as his subject "Russia as a menace to world trade." In his address Dr. Carson showed that according to the Soviet of an exchange set by the Soviet Government, a Canadian dollar is worth approximately two rubles. That for a month's labor a laboring man of the pick and shovel variety gets a minimum wage of \$30 a month and a maximum of wages is \$125 a month. This amount would be a good salary for the manager of the trans-Siberian railway while our president Sir Henry Thornton receives \$8,250 a month besides expenses.

The rations of the workers are limited to 24 oz. of bread and 15 oz. of meat daily and two pounds of sugar and one fourth ounce of tea per month.

In the harvest season just past 220 new American combine harvesters costing \$3,300 each were used. According to the export who watched them driven by reckless and inexperienced drivers these machines will last about two years.

The speaker stressed the need for the adoption of co-operative plans of production, and marketing to compete with the Russian menace. And cited as examples of such work the Prince Edward Island Co-operative Egg and Poultry Association and the Prince Edward Island Potato Growers' Association.

He praised the League of Nations for its work in promoting amity and good will among the nations and closed by hoping that all nations might soon be members of this organization.
