RETURN FROM FRANCE AND SWITZERLAND — Mr. and Mrs. Raoul Raymond, Southport, returned home Monday evening, after a visit of two months to France and to their native country, Switzerland. Among the points visited were Paris and Lyon, France, and Geneva, Bern and Zurich, Switzerland. Mr. and Mrs. Raymond left on their visit on Dec. 1st and left Havre on return on January 27th, arriving home on Monday evening last. They experienced a very rough return crossing. There is considerable complaint in Europe of hard times. Switzerland, however, is in good condition with plenty of money in the banks. The climate of Switzerland and France, particularly in the mountain areas, is not conducive to the development of good fur furs. Mr. Raymond states. It has been decided to experiment with the industry at lower levels. Mr. Raymond expresses himself as being very pleased to be back among Island people.

SOLOMON'S LYRICS

MONTREAL, Feb. 4.—Refuting the general theory of both Hebrew and Christian scholars regarding the authorship regarding the "Song of Songs" attributed to King Solomon, Abraham M. His address "King Solomon" was given before a large assembly of senior student of Congregation Shaar Hashomayim College of Jewish Studies.

FOX FARM FACING BIG DAMAGE SUIT
WINNIPEG, Feb. 4.—Fox farming brings wrath to some, but discomfort to others. Sarah Miller is one of the discomforted. In court today, Mrs. Miller asked \$10,000 as damages from the Bonnar Ridge Fox Farm in North Kildman, Winnipeg suburb. In lieu of the damages, she wishes the farm to cease operations. Mrs. Miller complains of the howling of the animals. Living in her home, only 20 feet from the farm, has become unbearable, she says. Added to the howls, are the obnoxious odors. Mrs. Miller says foxes are unpleasant neighbors.

LEVIN FOXES TRIM SCOPES SCORE 5-3

The Levin Fur Company pucksters jumped into the win column in the Junior Hockey League last night, defeating the Gyrosopes 5 to 3 in a game crammed with good hockey and plenty of thrills throughout the three periods. Not once over the route were the Levinites headed. They counted two in the first period, one in the second and two in the final session, while the "Scopes" registered two in the second and one in the last frame. The winners deserved their win last night. They played excellent combination, and this supplemented with good judgment when the going was tight netted them more than enough goals to grab the verdict.

THE SCORES

First Period
One minute from the face off G. Whitlock opened the scoring unassisted, and was followed eight minutes later by his teammate Murry Carmichael. This tally was also unassisted, the puck being rifled from just inside the blue line. During the period the Levinites did not by any means dominate the play, Chipman their goalie being called upon to work overtime to turn back shot after shot as Gyroscope forwards skated in on him like hawks on their prey. As the period went along the going became tougher for the Gyrosopes, who were forced to buck a defensive game that had the fans applauding. There was one penalty in this period, Mahar, Gyrosopes, forward getting the award.

Second Period

A half minute from the opening whistle, G. Stewart, fast little winger put the "Foxes" three up on a solo dash. Five minutes from this count the "Scopes" took a turn at scoring, R. Mahar breaking the egg from a mixup in front of his opponent's net. Things began to look good for the Gyrosopes, when three minutes later Currie, diminutive right winger trimmed Chipman nicely on a fast shot from his side of the ice. Good combination with excellent defensive hockey also featured this period. Two penalties in this period, Ferguson of the Foxes and Bennett of the Gyros got the awards.

Third Period

Gyrosopes evened this score three minutes from the face-off, when Owen rangy right wing slipped one by Chipman in big league style. With the count tied up both lineups went at the business in hand hammer and tongs. About three minutes from Owen's net twister, George Stewart notched number four for the "Silvers". On this count the Gyrosopes opened a four man attack to even the count, but to no avail. During the rush, G. Whitlock of the Levinites broke through to add an extra counter to the winning score. One penalty in this period, Whitlock taking a trip to "sinners avenue" for a short rest.

THE LINEUPS

Levin Fur Co. Goal Gyrosopes; Chipman, O'Neill; Defence McKenna, Kennedy, Craig; Forwards G. Whitlock, Cox, Campbell, Currie, G. Stewart, Bennett, P. Whitlock, Dadds, Fraser, R. Mahar, Carmichael, Blanchard, Nicholson, Owen. Referee—Melvin Diamond. Next game Saturday at 7.30 p. m. Levin Fur Co. vs Queen Hotel.

Crystal Sisters Win From Elgins At S'Side 7-3

(Special to the Guardian)
SUMMERSIDE, Feb. 4.—The Crystal Sisters, looking very nifty in their new black uniforms with a diagonal white stripe across the front and their initials C. S. C. on the right hand side of the sweater, worn for the first time, took the visiting Port Elgin Mohawks into camp to the tune of 7-3 at the Crystal rink last night.

Although this is the first encounter for the Crystal Sisters this season, they played combination hockey that would have put their big brothers in the shade and kept the visiting ladies hemmed in completely for the first two periods. In the last period the Mohawks managed to break through the Crystal defense and scored three goals on "Tessie." In the first period after four minutes of one sided play, Helen Leard made the first goal unassisted. Irene Linkletter on a careful pass from "Pat" knocked up another one for the home team. This was followed by another to the credit of Anne Green, Crystals 3; Mohawks 0.

The Mohawks got busy in the last period and Tessie had a busy time netminding. In this period the visitors notched up three goals. The leading ladies being "Big Nora" Larsen and Rosie Burke, who were loudly cheered by the fans. Final score 7-3 in favor of Crystal sisters.

THE LINEUPS

Mohawks Goal Tessie McNeill; Defence Ella Gay, Helen Leard; Forwards Pat McLellan, Anne Green, Margaret Gallant, Marie Gaudet, Zilpha Linkletter, Norah Green. Ralph Siliphant refereed the game very capably. Miss Selma Brian and Mr. Guy McDonald accompanied the team from Port Elgin.

THE CRYSTAL SISTERS

The Crystal Sisters have been in communication with the Albany Amazons of New York, reputed to be the best ladies team in the States, regarding home and home games. This is the outcome of a telegram from this team earlier in the week, asking for a game with the Crystal Sisters, who are the Maritime champions.

Holmans Score Over Bankers

In a friendly game at the Crystal Rink, Summerside, on Tuesday evening, Holman's beat the Bankers to the tune of 4-3. The game was hotly contested, both teams out to win. Holman's having had more practice displayed better team work. The score by periods was, first period, 2-0 in favor of Holman's; second period, 3-2 in favor of Bankers; third period, 4-3 in Holman's favor. The bankers' diminutive goalie turned a good many shots away from his net. Another friendly game will be played in the near future. Crilly Lea and Will Lea were the stars of Holman's team.

Granites Lose To C.Y.M.L. 5-1

(Special to the Guardian)
KENSINGTON, Feb. 4.—The Kensington Granites in their own rink, lost to C. Y. M. L. 5-1. The Kensington Granites, unbeaten so far this year met their first defeat at the hands of the fast skating C. Y. M. L. Cubs of Summerside in the Kensington rink on Tuesday night for the McLean Trophy. Without a doubt this was the best game played in the intermediate league so far this year. The C. Y. M. L. Cubs had the edge of the play all through the game.

GAME BY PERIODS

First Period
Two minutes from the face off, Reggie Phillips, fast skating left winger of the C. Y. M. L. scored on a solo rush. Up to a few minutes before the end of the period the play was mostly in the Granites territory, when McParlane of the Granites scored on a pass from behind the C. Y. M. L. net for Kensington. Score C. Y. M. L. 1; Kensington Granites 1. Second Period—Opened up with both teams trying hard to score when after about five minutes of play Reggie Phillips again scored for the C. Y. M. L. on another of his sensational rushes. About three minutes later he again scored on another individual rush. Three minutes later Mack Steele, fast skating center, scored on a pass out from the back of the Granites net. The period ended C. Y. M. L. 4; Kensington Granites 1. Third Period—Opened with the Kensington Granites doing their best to try and even the count by playing a four man forward line but the C. Y. M. L. defense were unbeatable. After about eight minutes of 7-3 points respectively; The Experimental Farm, Charlottetown, B. R. hen No. 4 in pen 7 is third with 66 eggs, 69.7 points. Mr. William Sansom's pen of B. "The Lion and the Lamb" Thrilling Entertainment

Thrills, romance and stirring situations are the highlights of E. Phillips Copenhagen's mystery thriller, "The Lion and the Lamb," which was adapted to the screen by Columbia Pictures and is now showing at the Prince Edward Theatre, and was well received by the audience. The story revolves about the activities of the Lambs, an organization of gangsters, headed by a smooth and ruthless individual called Totter. To desert the Lambs is a crime punishable by death. Thus when Dave, otherwise the Earl of Lestershire, is forced to take vows of allegiance to this disreputable organization things begin to happen. To insure his loyalty, the Lambs establish their victim as a criminal by registering his fingerprints on a knife used in an actual murder. They furthermore force him to take active part in a robbery. Dave's efforts to extricate himself from the clutches of the Lambs and prove his innocence to the girl he loves, supply the rest of the action of the film. The cast including Walter Byron, Carmel Myers, Miriam Segar, Raymond Hatton and Montagu Love, give creditable performances. The

HORSE RACES YESTERDAY ON HARBOR

The mid weekly races of the Victoria Driving Club were held yesterday afternoon over a moderately good course. There was a fair attendance of spectators who witnessed a wonderful contest in the Class A. Trot but the other races were not up to the usual Club performance.

Class A Trot Furnished Wonderful Contest Between Watts Edition and Mack Todd.

CLASS A TROT—This was an elimination contest between Watts Edition and Mack Todd to see which would start in the Club Class A trot for Saturday, popularly known as "The Ham and Chicken Contest," the former being a real D. and F. ham, generously donated by Dr. G. F. McDonald and a big chicken going to the second prize winner. Perhaps it was the anticlimax of these appetizing events or just a real desire to win, but it was a masterly contest, both horses being on tiptoe from start to finish in all three heats and the utmost exertions of voice and muscle being used. In the first heat Watts Edition was beaten by a neck by Mack Todd. In the second and third Watts Edition won by a similar amount of anatomy. However Kelly piloting Watts Edition was silent, but worked hard through nervous forces transmitted, while Dave McKay behind Mack Todd made the welkin ring. His enthusiasm was communicated and the cheering was intense at all three finishes. Mack Todd is right back to his old time form, while Watts Edition is better than ever before, as his last quarter in thirty seconds over an admittedly slow course, proves.

CLASS A FACE—Hastings Echo

was too swift for Directum Boy. The entries scheduled for this class failed to appear, so the contest was one sided. Directum Boy not having had work enough to meet a peer of Hastings' class.

CLASS B TROT—This was won in straight heats by Mack Steele, a former matinee winner on the Metropolitan Speedway, Boston. Mack had a try at the faster trotters last week, but could not connect, but with yesterday's field she was the goods, winning by a length and a half and trotting beautifully each heat. She should be a good factor on clay in her class. Peter Wilton Jr., who is now under the astute management of "John A." Southport, is coming every trip. As John wisely says he had to get a little beef on him first, now he is getting back his speed. In the first and second heats he trotted as true as steel, but in the third twisted a shoe which caused him to make a break and put him back in the summary. Watch Peter improve from now on. LaRico trotted well but did not make as good a showing as on Saturday, due to improvement on Peter Wilton's part. Mary Volo has speed, but her breaks are too costly for such a short distance. In the third heat she stayed level, and finished a good second thereby cheering her genial driver, George McDonald, into renewed hope of an early victory.

CLASS B MIXED—This brought out a new performer in Premier Prince, a son of Premier Wit. This chap has all the earmarks of a good pacer, after he gets straitened out. He and Woodford Scott a trotter, had a nice duel in the middle third going to Premier and the middle heat to Woodford Scott.
