Commission Some Overseas Men For Home Defence Units

OTTAWA, July 8 — (CP) — Selected non-commissioned officers of the active army whose ages or medical categories prohibit their service overseas are being commissioned to fill vacancies in the home establishment, Defence Headquarters announced tonight.

Recommendations for such commissions are made through the N.C.O.'s commanding officer and receive approval of the General Officer commanding, district officer commanding or camp commander before being forwarded to headquarters. Rigid standards of selection are being adhered to, and no appointments are being made in excess of home war establishment or without prior approval of Defence Headquarters.

To qualify as a second lieutenant (active), an N.C.O. must have completed not less than eight months service as a provisional officer and be recommended by an officer not below the rank of brigadier.

To obtain his full lieutenantcy he must successfully complete qualification tests as laid down for the rank of lieutenant in the arm concerned. Subsequent promotions follow customary regulations.

Steinbeck Finds Alcoholic Goat Is Luck of an R.A.F. Command

Beer-Drinking Mascot That Sneers at Everybody, including Churchill, Brings Good Hunting; Holds Commander's Rank and D.S.O.

By John Steinbeck

LONDON, July 9.—His name is Wing Commander William Goat, D. S. O. and he is ad and honored, and some say, in iniquity. But when he joined the R. A. S. wing two years ago he was just able to totter about on legs and knobby legs. For a long time he was treated like any other recruit — kicked, cursed, and sometimes times cursed. But gradually his abilities began to be apparent. He is very good luck to have about. When he is near his wing has good fortune and good hunting. Gradually his horns, along with his medals, developed, and now as rank and his decorations are painted on his horns in brilliant colors and he carries himself with a stammering strut.

He will eat nearly everything. No party nor any review is complete without him. At one party, being left alone for a few moments, it is reported that he ate 200 sandwiches, three cakes, the arrangements for the party, a tin of "Pomp and Circumstance," drank half a bowl of punch and then walked jauntily among the dancers, belching slightly and regarding a certain lieutenant's wife who shall be nameless, with a lustful eye.

Rushes for Oxygen

He has the slightly billious look of the military of the higher bracket. Being an air goat, he has rather unique habits. If you bring an oxygen bottle into view, he rushes to it and demands it. He puts his whole mouth over the outlet and then as you turn the valve on he gently relaxes, grunting happily and his sides fill out until he nearly bursts. Just before he bursts his head and his nozzles and collapses very slowly, but the energy he takes from the oxygen makes him leap into the air and engage imaginary goats in tortuous combat. He also loves the alcohol cooling fluid which is used on the engine of his propellers. For hours he will stand under the barrels licking the drips from the spouts.

He has the confidence of his men. Once when it was required that his wing change its base of operations quickly he was left behind, for in those days it was not

plenty of fun, enough work to keep you happy, you will learn a lot about Scouting and if you are a real boy you will gain the knowledge and love of the outdoors that you will never forget. Perhaps some of you have done some Scout work in your Scout Halls—good—now come out into the open air and put in the "OUT" in SCOUTING.

And a message to all parents. Most of you have the best interest of your boys in mind. You want them to grow up to be clean and healthy men. There is no finer way to develop a boy's character than by giving him Scouting. There is no better place for getting that training than at Camp.

Scouting is not playing a lot of parlor games; it is training for service and the building of true character.

In Camp the boys get all these benefits at the lowest possible cost. They get a holiday, a good fellowship, training in selfreliance through the Scout programme, all kinds of sports safe bathing, good discipline, and a sense of purpose, operation and creative possibilities; these are just some of the things we aim to do.

Now, and perhaps even more so later, Canada will need as never before men of broad vision and plenty of common sense—Scouting will give your boy at least those two virtues.

Scout Camp this year is at Camp Buchanan near Point Prim from July 13 to August 9th inclusive. The cost is only \$5.00 for the whole period. Can you afford to let your boy miss this great opportunity?

Signed, "Chief" (Rev. S. J. Davies)

Space is limited—REMEMBER—Your application must be delivered or mailed TODAY, July 10.

GOOD LUCK TO ALL!

P.S. About forty-five Scouts are expected to attend Camp.

QUEEN'S DISTRICT SCOUT CAMP

Here's something for which we have all been waiting! A PERSONAL MESSAGE FROM OUR CAMP CHIEF

Hello Fellows: This is your Camp Chief speaking. First of all I want to say a word to the old Campers, those who have been in camp before. I'm looking forward to seeing you all again and having the best camp we have ever had yet. We need the experience of your former camp—don't let us down please! When you are wondering whether to come, remember or not think back to the last camp we had at Buchanan and remember the great time we had together.

Can you recall the scene that all the tents made scattered around the large field in a huge semi-circle? Do you remember the great swim we had in the "Deep ole" diving off the bank—trying to swim against the tide?

And what about the thrill we all got in the mornings when nearly fifty of us gathered around the flag for our simple acts of devotion and how we waited with bated breath for the inspection results, wondering if the "Chief" had been "cagey" enough to notice the pot that wasn't washed or the paper you had tried to hide by standing on it?

Above all do you remember the Camp Fires? Who could forget them? Bob Gemo's famous "Corps Song"—Who could forget the "Zulu War Dance"—the old songs—"Sittis" plays—"The most romantic of the century"—the "light-house keepers lovely (ahem!) daughter" and so on until "Taps" meant that another memory-filled day was just about over.

Sure you remember those things, and a lot more.

Well, what about it fellows, have you sent in your application forms yet—if not you had better hurry—Timmer says "first come, first served" this year.

Now a word to the boys who have not been to a Scout Camp before. We want you to come, because we know you are going to have the best time of your life. Camp means

Says Danger To B.C. Grows Less

NEW WESTMINSTER, B.C., July 8.—(CP)—Airdromes and other air travel facilities established in British Columbia may play an important factor in the Pacific conflict, Air Vice-Marshal L. F. Stevenson, Officer Commanding, Western Air Command, told the New Westminster Board of Trade.

"There was a time in the past when the Japs could have raised hell but the danger of attack has certainly diminished," he said in an address last night. He said an attack by a fast-raiding force was possible but not probable.

Old Home Week and Provincial Live Stock Show Race Program
CLASSES and EVENTS FOR AFTERNOONS OF AUGUST 10th to 13th

Below will be found the program of racing to be held in connection with OLD HOME WEEK AND PROVINCIAL LIVE STOCK EXHIBITION. It will be noted that the classes will give every type of trotter and pacer a chance to compete from the Two-Year-Olds to the Free-For-Allers. The Exhibition race track will be put in the finest possible condition with expectation that one and possibly two of the track records will be broken.

An outstanding vaudeville program has been booked with George A. Hamid, New York, and among the acts secured is American Aerial Aces—a sensational high-wire act—Beebs performing Bears—Lou Skuce, World famous Car toonist—the Victoria Troupe of English bicyclettes—Don Francisco slack-wire artist—Old King Cole one man circus—The Golden-Gate Revue with ten glamorous girls—High class dance team—other specialties—a male singer—a lady singer, and Three Acrobatic Girls. This program will have an orchestral and band accompaniment and will be staged in the most up-to-date manner.

The harness racing program is expected to bring together over 100 of the best race horses in the Maritimes. WHY—Because horsemen like to come to Charlottetown, they say Prince Edward Island people are always friendly to them, give them a good reception and applaud a good race.

The Vaudeville acts will be interspersed between the heats of the harness horse racing in the afternoons and there will not be a dull moment from start to finish.

Evening shows will again be features of Old Home Week and Provincial Exhibition entertainment. No efforts will be spared to have these as bright, as showy and as entertaining as in past years. Starting at 7:30 the show will move along continuously until its completion at 10:00 p.m. with a display of fire-works.

All signs point to a big attendance at this year's Old Home Week and Provincial Exhibition. From all parts of the Maritimes parties are planning to come to Charlottetown, so those catering to guests can be assured that Old Home Week will bring them as good patronage as last year.

For our own people in Prince Edward Island we would say, "Make up your mind to take a holiday during Old Home Week, if you can't spend all of the days with us attend at least one day." Throw off your cares, your worries and enter into the spirit of the occasion and by so doing build up new vitality for the trying months ahead. Old Home Week and Provincial Exhibition has been described by a prominent psychiatrist as a great morale builder.

GENERAL CONDITIONS
(ALL RACES MILE HEATS)

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen (providing they are racing exclusively at our meeting) by wiring at our expense notifying us of their arrival will be met at the train and their baggage transferred to the grounds without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan: 10 per cent of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat, in the event of there being three heat winners they shall have a fourth heat to determine the winners. Any horse winning the first two heats in any race shall relinquish pole position and assume last scoring position. Said horse must not lay up, but try for the heat.

All purses divided 40, 30, 18 and 12 per cent. Entry fee 5 per cent. Five per cent of the money raced for each heat will be deducted from the first and second horses; 3 per cent from the third horse and 2 per cent from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Rights reserved to change program, reject any entry, or if entry appears to lay over the field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, but any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to transfer horses to another class to which they are eligible, re-open or substitute another without advertising, or alter or extend racing dates or extend credit.

THE OFFICIALS

The officials will be selected for their experience and reliability and will be instructed to carry out the rules firmly and fairly. All purse money will be paid immediately after the race and horsemen are asked to get same from Secretary before leaving.

PRESENTATION OF PRIZE MONEY

Friday evening on or about 8:30 o'clock the President will award special ribbons, prizes to the winning owners, drivers and caretakers, at the Judges stand and those winning awards will please be on hand to receive them.
