# Do you Believe

in going straight to the weak spot in treating disease? If so, you will never use anything but Peps for coughs, colds, bronchitis, and throat and lung troubles. Listen why!

Peps are tiny tablets, which contain rich medicinal ingredients, so prepared that they turn into vapour in the mouth, and are breathed down to the throat, the breathing tubes and lungs direct.

Cough mixtures go—not to the lungs and chest at all, but to the stomach. There is absolutely no direct connection between stomach and lungs.

When you have a bad cold, your digestion is weakened. You lose appetite, and if a man, your usual smoke does not "taste good." In other words, your digestive system is lacking tone. All cough mixtures make this condition worse.

Don't ruin your stomach to heal your lungs. Take a remedy that goes right to the spot—Peps.

Surprising how they end coughs, catarrh, bronchitis, sore-throat, "clergyman's throat," asthma, and all lung troubles. Contain no poison, and are best for children.

Dr. Gordon Stables says:—"If you wish to ease and end a cough, if you desire to loosen tickling phlegm, and clear the throat and the breathing tubes, use Peps. The pine fumes and balsamic fumes, so beneficial in throat and lung trouble, which are liberated when a Pep is put into the mouth, also serve another good purpose. They are strongly germicidal, and germs of disease in the mouth, on the palate, in the throat, and in the breathing tubes, are at once destroyed by their action."

Have you tried this famous remedy? If not, cut out this article, write across it the name and date of this paper, and mail it (with 1c. stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps at 50c. box.

## THE CENTRAL GUARDIAN

IT PAYS to buy in this Province.

TWO HOURS skating with band for 15 cents, at Arena tonight. 3726.

POLICE COURT—At the Charlottetown Police Court yesterday morning, James McQuarrie and John Carroll charged with being drunk were fined $10 or 30 and 2 or 5 days respectively.

SPLENDID SERMON.—The Rev. David Jones who was recently ordained to the diaconate in Halifax, preached an excellent sermon in St. Peter's Cathedral on Sunday evening. This was the first time Mr. Jones was heard in Charlottetown and he gives promise of becoming a preacher of marked ability.

AT THE BOWLING ALLEYS.—"Ted" Moore last night defeated Elmer Carson, the junior duck pins champion, on the Y. M. C. A. alleys by the small margin of two pins. A prize was offered for the highest duck pins score last week and the two players were tied. In the first game last night they tied again and it was not until the last inning of the second game that the championship was decided.

THE KNITTING FACTORY.—In connection with the knitting factory which it is proposed to establish in Charlottetown, and stock books for which were opened yesterday to intending investors, some of the directors and also some of the citizens interested in the project have been about for purpose of soliciting subscription of stock and have met so far with a reasonable amount of success. The directors have decided that before anything definite in the way of establishment can be done they must be assured that sufficient capital for the proper conduct of the business will be forthcoming. It, therefore, lies entirely with the public to see the proposition an accomplished fact. The citizens, the directors say, are enthusiastic, almost sentimental, in support of the idea, but dollars and cents, they think, are the essential things and are more valuable than sentiment, valuable as even that is.

AGNEW & CO., are receiving quite a number of enquiries from foreign investors for 1914 pups. One enquiry alone is for ten pairs. Parties having options to disposc of —gauranteed first class stock should list same at once. Address Box 133 Charlottetown or call at the office 59 Queen Street. 3698

AN IMPORTANT PROJECT.— Among the visitors to Charlottetown this week is Mr. Harold D. Buchanan, until recently of the literary staff of The Busy East, a monthly journal published on the mainland devoted to the promotion of the interests of the Maritime Provinces. It is Mr. Buchanan's intention to proceed to the British Isles in March next and open up a fox exchange and bureau there, probably in London, which is the centre of the world's fur-market, as it is the centre of the world's finance.

The Press in the Old Country is now giving its attention more or less to the fox industry of Prince Edward Island and investors there are just beginning to realize that the fox business is the genuine thing and that there is "big money" in it, and naturally are looking for investments that in profitableness are far beyond anything that they are able to obtain on that side. Mr. Buchanan's visit to the Old Country will probably extend over a year and during that time he hopes to float at least three or four good-sized fox companies. With Mr. Buchanan's extensive and intimate knowledge of the fox business there are not many more capable of undertaking such flotations.

(From Yesterday's Evening Guardian)

THE LATEST SENSATION.— No fewer than nine of Charlottetown's well-known citizens will figure in the City Magistrate's Court tomorrow morning when the batch of cases for contravention of the Prohibition laws, which has arisen as the result of the activities of two specially engaged detectives from the mainland, will come up for hearing. In several of the cases the offence is the third, which carries with it a penalty of imprisonment without the option of a fine. The summonses were issued in the name of Mr. A. Boisner, the Prohibition Inspector for Queen's County, who acted on the information he received from the detectives. The names of the latter are Samuel J. Elrod and Joseph Valade. Naturally for the purpose of secrecy which was so material for their success in working up the cases, they assumed pseudo names, Elrod being known as Evans and Valade as Wilson. There was one person against whom three summonses were taken out but who left the Island before they could be served.

PROVISIONS.—The wholesale trade report that they are getting enough pork to supply present demands, but that beef is still very hard to obtain, says the Halifax Maritime Merchant. However, no one is now trying very hard to get beef, for the outlook for business during the next few weeks is small, so for the time being the situation does not give anyone very much anxiety. The trade, however, are commencing to canvass the prospects in lumbering. This winter industry always provides a considerable demand which has not yet started up because the weather has not favored operations in the woods in this province; and if it continues very much longer the activities will likely be restricted and lumbermen's business in provisions will be correspondingly restricted. For the time being all departments are inactive and prices are unchanged. Pork—American Clear Fat Backs, 27.50 to 28.00, American Clear Bean 26.00, P.E.I. Mess 28.50. Pork—P. E. I. Short Cut Backs 29.00, Rumps 27.00, Jowls 16.50, Pigs Feet 5.50 to 6.00, Heads 11.00, Hams, 9 to 12 lb 22, Hams 12 to 18 lb, 21, Hams 18 to 25 lb., 20, Roll Bacon 17½, Side Bacon 23.

## PRISON REFORM COMMISSION MEETS

(Canadian Press)

KINGSTON, ONT., Jan. 5.—The prison Reform Commission which convenes Tuesday has received word from Mrs. O. Freeze, Milwaukee, Wis., who has charges to make against the Portsmouth penitentiary officials with regard to alleged ill-treatment of her son who died there in 1912. She will be here to testify. Inspectors Stewart and Hughes will be here today. The former will undergo careful examination in view of the fact that Dr. Daniel Phelan has thrown the responsibility of the present unsatisfactory condition of the hospital on

### The Quickest, Simplest Cough Cure

**Easily and Cheaply Made at Home. Saves You $2.**

This recipe makes 16 ounces of cough syrup—enough to last a family a long time. You couldn't buy as much or as good cough syrup for $2.50.

Simple as it is, it gives almost instant relief and usually stops the most obstinate cough in 24 hours. This is partly due to the fact that it is slightly laxative, stimulates the appetite and has an excellent tonic effect. It is pleasant to take—children like it. An excellent remedy, too, for whooping cough, croup, sore lungs, asthma, throat troubles, etc.

Mix two cups of granulated sugar with one cup of warm water and stir for two minutes. Put 2½ ounces of Pinex (fifty cents' worth) in a 16-ounce bottle, and add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

Pine is one of the oldest and best-known remedial agents for the throat membranes. Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in guiaicol and all the other natural healing elements. Other preparations will not work in this formula.

The prompt results from this recipe have endeared it to thousands of housewives in the United States and Canada, which explains why the plan has been imitated often, but never successfully.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Toronto, Ont.

## IF HEAD ACHES AND YOUR EARS BUZZ YOU SURELY HAVE CATARRH

It doesn't matter how long you have suffered, or how often you have failed to get relief—even though Catarrh may affect every organ in your body, you can be permanently cured by inhaling the soothing vapor of Catarrhozone."

A few breaths through Catarrhozone inhaler clears the phlegm out of the throat and stops your cough. The nostrils are cleansed of offensive mucous discharge, and sneezing and sniffling stop at once. Partial loss of hearing and headache (very common symptons of catarrh) are quickly cured, and in a short time every trace of catarrh disappears.

Nothing can be simpler or more pleasant than Catarrhozone. It's healing piney vapor sends a warm cleansing sensation through all the air passages in the head and throat—makes you feel better in half a minute.

"My ears buzzed by the hour and I had frightful head noises," writes J. P. Purdy, from Port Huron. "Catarrh fairly filled my whole head and throat. I got relief mighty fast when I tried Catarrhozone. It hit the spot instantly. You bet Catarrhozone has cured me and I simply swear by it."

Get the complete $1.00 outfit; it does the trick in a hurry—never fails; small size 50c. trial or sample size 25c., sold by all dealers everywhere.
