Had Stomach Rumbings Distress Before Meals

WAS SELDOM FREE FROM THAT WEARY, DROOPY, HALF-DEAD FEELING.

Now Cured, and Gives Good Advice to Others With Dyspeptic Tendencies.

If you have any stomach distress at all you will certainly be interested in the following experience which is told by Mr. Edward Dawkins: "When I was working around the farm last winter I had an attack of weakness for a long time, but well inflammation," writes Mr. E. F. Dawkins, of Port Richmond. "I was weak for a long time, but well enough to work until spring. But something went wrong with my bowels for I had to use salts or physical at the time. My stomach kept sour, and always after eating there was pain and fullness, and all the symptoms of intestinal indigestion. Nothing helped me until I used Dr. Hamilton's Pills. Instead of hurting, like other pills, they acted very mildly, and seemed to heal the bowels. I did not require large doses to get results with Dr. Hamilton's Pills, and feel so glad that I have found a mild yet certain remedy. Today I am well—no pain, no sour stomach, a good appetite, able to digest anything. This is a whole lot of good for one medicine to do, and I can say Dr. Hamilton's Pills are the best pills, and my letter, I am sure, proves it."

Refuse a substitute for Dr. Hamilton's Pills of Mandrake and Butter-nut. 25c per box or five for \$1.00, at all druggists and storekeepers, or post paid from the Catararhoze Co., Buffalo, N. Y., Kingston, Canada.
