SOME SHARP-SHOOTING REQUIRED.
Is there any way to stop this flight? How many communities are making an effort to check this stream of money THAT FLIES OUT of their home town. What is OUR community doing? What would all this money mean to YOU and ME, if it were spent with our own business men? The picture is no DREAM or FANCY. The artist has simply brought HOME to us the hard facts. Let us face them as they are. The group of men with rifles provides the right ACTION for US. Let us organize to stop this flight. Let each one of us REMEMBER: That HOME values increase in proportion as we spend our money at HOME. That HOME values disappear with every dollar sent away.
