The death occurred at his home in Summerside, on North Market Street, yesterday morning of Mr. Ernest H. Harris at the age of 44 years. The death occurred Saturday night at his residence, 220 Queen Street, City, of Albert Leslie Adams, prominent real estate man and former educationist. He had been ill only a short time.

The late Mr. Adams was born near Summerside in 1877 and had he lived until December would have been 68 years old. Educated in the public schools and at Prince of Wales College, where he took two years work in one, he then taught school for several years and in 1917 became inspector of schools for the southern part of King's County.

His official duties as school inspector were characterized by an initiative and originality of mind which were responsible for the inauguration of the school-fair policy, an innovation which at the time was so little approved as to receive no financial support from the Provincial Government of the day. The first fair, held at New Perth under the late Mr. Adams' management, was such a success that the practice has now become a regular part of the provincial educational policy.

In 1929 the late Mr. Adams resigned from his duties as school inspector and went into business for himself. About seven years ago he entered the real estate field, and under the firm name of A.L. Adams and Company had built up a business which was an important part of the City's commercial life.

In 1905, he married Mary A. McDonald, daughter of the late Mr. and Mrs. James A. McDonald of O'Leary. Seven children were born of the union; Arletta (Mrs. George Parks), Stamford, Conn.; Marion, who is a nurse in Cambridge, Mass.; Donald, Springfield, Conn.; Marion principal of Borden Junior High School; Mrs. Bernice Cahill at home; Isabel, Mrs. Cyril Stevens, Brighton, Mass.; and Enid, student of Prince of Wales College.

Mrs. James Adams, 92, mother of the deceased, arrived in the City at noon yesterday from Moncton. She was accompanied by her son, Mr. Eugene Adams, with whom she lives in Moncton. The late Mr. Adams also has a sister living, Mrs. Eugene Gillis, Halifax.

Following the Royal Proclamation last Saturday which makes the Cullen amendment to the Prohibition Act a part of the law of the Province, the Government is moving to put the new amendment into execution.

It is understood offices in the Tanton Building at the corner of Great George and Kent Streets are being secured and that, beginning to-morrow, Joseph Shelfoon, former retail vendor, will be installed there to issue "warrants" on behalf of the Attorney General's department. These "warrants", good for six months, will permit the holder to secure not more than 52 ounces of spirits per month, or two cases of beer, or two quarts of wine. Not more than one quart (26 ounces) of spirits, or one case of ale can be purchased in any one week.

The "warrant" can only be secured after a physician issues a certificate to the applicant certifying the holder of the certificate requires alcoholic beverages as a medicine for the next six months. The application of the certificate to the Attorney General's department does not mean the applicant is necessarily furnished a "warrant." Should he have been convicted since June 1, 1945, for an infraction of the Prohibition Act or for any other offense involving liquor, he is automatically disbarred.

In the meantime, the ordinary "script" will continue to be valid for October, but it was learned the Government does not favour the continuance of the old "scripts" after the new system begins to function.

Mr. Shelfoon's former position as retail vendor has been taken over by Roy MacLean, Cornwall, formerly a petty officer in the Canadian Navy.

NATICK, Mass., Sept. 4 — At a double-ring ceremony, at St. Patrick's church, Saturday morning, at 9 o'clock, Miss Gertrude E. Pineau daughter of Mr. and Mrs. Louis A. Pineau, of 40 Washington street, became the bride of James H. Coffey, son of Mr. and Mrs. John E. Coffey of Warren road, South Natick.

The nuptial mass was celebrated by Rev. Thomas E. Sweeney, with Miss Margaret Nugent, as soloist.

Attending the couple were Miss Cornelia Pineau, a sister of the bride, as maid of honor, and her bridesmaids who also acted as usherettes were Miss Nita Pineau, a sister of the bride, and Miss Mary Coffey, a sister of the groom. The best man was Frank Leiss of South Natick, a cousin of the groom.

The bride, who was given in marriage by her father, was attired in a traditional white wedding gown with a satin bodice and a train-length silk marquisette skirt and wore a coronet headdress and a finger-tip veil. Her bouquet was of white gladioli, zinnia and stephanola with an orchid corsage for a centerpiece.

The directors of the P. E. I. Potato Growers' Association with their manager, J. W. Boulter, held a very enjoyable banquet at the Charlottetown Hotel on Tuesday evening with about 65 of their men in charge of loading from the various loading points throughout the Province. There were also present four or five of the Railway officials, including Superintendent C. T. Montgomery, the inspectors of both the seed and table stock branches and W. R. Shaw, Deputy Minister of Agriculture.

In the absence of President E.B. McLaren, Georgetown, who was indisposed, the vice president Hon. Horace Wright, Bedeque, presided and very heartily welcomed all present to the banquet.

Advantage was taken of this get-together to point out to the men who are the last to see the potatoes and turnips before they leave the Province, that the bags in which the product is shipped are in good condition, clean, and properly loaded in the car. Almost every year there are complaints from buyers that the sacks are dirty, that they do not contain the full weights and are carelessly loaded in the cars. The manager, Mr. Peppin, seed inspector, and Mr. Shaw, tablestock inspector, all stressed the need of the greatest care in preparing for shipment a product that carries wherever shipped the highest reputation for its kind in America, and that it was too bad to cast disparagement on it because of any neglect on the part of the farmer or the shipper.

A quiet but pretty wedding was solemnized in the United Church Manse at Tryon on Wednesday, September 26th, when Miss Ethel Ann Irving, daughter of Capt. and Mrs. Wylie Irving of Borden was united in marriage to Mr. Herbert Gillis MacKenzie, son of Mr and Mrs. Charles MacKenzie of Winsloe, Rev. Austin Jardine officiating.

The bride looked charming in a street length dress of heaven blue with fushia accessories and carried a lovely bouquet of American Beauty roses. Her hat was an imported model with nose veil. She was attended by Miss Phyllis White of Borden who wore a gown of moss green with brown accessories and carried a bouquet of yellow roses. The groom was supported by his brother, Mr. Charles MacKenzie.

The mother of the bride wore a pretty black dress with a corsage of pink roses, while the mother of the groom was attired in navy blue with a corsage of pink roses.

Following the ceremony a reception was held at the home of the bride for the immediate relatives and friends. A buffet luncheon was served and the dining room was tastefully decorated with pink and white streamers and wedding bells amid a profusion of autumn flowers. Mrs. Fred Irving, Mrs. Brewer Auld and Miss Nadine Howatt served and Mrs. A. G. Chappell poured tea. The bride's table was centred with a three tier wedding cake flanked by tall pink and yellow tapers in cut glass candlesticks.

MacPherson; President, Mrs. Basil MacDonald (re-elected) Vice-President, Mrs. Patrick Mullin; Secretary-Treasurer, Sister M. Margarita. The Reverend K. C. The selection of books and pamphlets which would prove beneficial to the members and the ways and means of making the meetings more interesting and educational were topics of discussion. In her resume of the year's work Mrs. Basil MacDonald referred to the lecture given by Dr. Lacock as a source of inspiration and encouragement to all who heard it. She earnestly exhorted the members to enter wholeheartedly into the work of the Association because only through co-operation and earnest efforts could lasting fruits be expected. The report of the Treasurer, Mrs. William Power, showed an appreciable balance in funds. It was decided to hold the meetings once a month.

PASSMORE - MILL — A very pretty wedding was solemnized in Central United Church Marshfield-Dunstaffnage, on Saturday evening, September 29, at 6 45 o'clock, when Minnie Ferne, daughter of Mr. and Mrs. Lea Mill, Marshfield became the bride of L A C Richard Edmund Passmore, only son of Mr. and Mrs. Richard Passmore, Hamilton, Ont. The double ring ceremony was performed by the church pastor, Rev. J.A. Nicholson. Entering the beautifully decorated church with her father, by whom she was given in marriage, the girlish bride was gowned in a floor length dress of white English brocaded satin, slightly entrain, with fitted bodice, sweetheart neckline and long sleeves which tapered to points over the hands. Her veil of tulle illusion fell from a headdress in Mary Stuart style and extended beyond her train. She carried a bouquet of Better Time Roses. Miss Faye Mill, only sistre of the bride, dressed in apple green taffeta and carrying a basket of mixed flowers made a charming little flower girl. The groom was attended by Graeme Boswall and the guests were ushered by Victor Williams and Waldon Boswall. The wedding music was played by the bride's uncle, Mr. James Harris, Summerside, and during the signing of the register Miss Kathleen Royston sang very effectively "I'll Walk Beside You. The bride's mother, chose for the occasion a dress of claret rose crepe with black accessories and wore a corsage of Talisman roses. Following the ceremony a reception was held in the Charlottetown hotel for about forty guests. The bride's table was nicely decorated with Autumn flowers and was centered with a three tiered wedding cake. The groom's gift to the bride was a beautiful gold wrist watch, and among other lovely gifts received, was a silver casserole and candle sticks from the staff of the Bank of Commerce of which the bride was a valued employee. Mr. and Mrs. Passmore will take up residence in Hamilton, Ontario, and have the best wishes of their many friends for a happy future.

It is expected that construction will begin shortly on a million-gallon oil storage tank for the Maritime Electric Company. Experienced men to handle the job are understood to be on the way here now.

The tank will hold sufficient fuel to supply the steam-driven generating plant for six months of slightly longer.

The change-over to the use of oil under the boilers is not expected to be made until next May, however. But when it does it is anticipated that some headaches now being experienced because of poor grade of coal will disappear.
