# Smashing Low Prices for Wednesday 21st to Celebrate Our 60th Anniversary

## Summerside Seed Fair March 20, 21 and 22

1917 is our 60th anniversary in business--60 years serving customers.

The fact that each succeeding year establishes a new record, is convincing proof that Holman Service must be a satisfactory service.

The principle upon which this business is built must be right, or the business would not have developed to its present proportions.

Each year the possibilities are brighter--each year greater things are accomplished--and the next few years will behold even greater progress--greater development--greater achievement, than has yet been experienced.

It will be worth while to watch Holman's--watch us closely, watch our catalogs, watch our advertising; and to commence with, just read this announcement.
