REV. G. P. RAYMOND will preach in Heart's Hall next Sunday afternoon at 3 o'clock.

SUFFOLK school, Let 34 has been closed owing to a deficiency in the attendance of pupils.

No changes of ads can be received after one p. m. each day. Do not blame the management if your ad is not in before the above hour, as it is simply impossible to handle it later.

UNION ROAD, KING'S COUNTY.—Our obliging thrasher, Albert Mellish, is again heard and to good advantage, as he threshed one hundred and fifty bushels in two hours and forty minutes a few days ago at the barn of G. F. Mellish.—The new roller mill of our enterprising miller, Daniel McKenzie of Victoria Cross, is giving good satisfaction both in quantity and quality. He will doubtless receive a fair share of patronage, as a mill in this part of the country will be a great convenience.—The people are looking forward with pleasure to having a lecture in the near future in the Union Road Church from our esteemed Field Secretary, Rev. G. P. Raymond, in the interest of the Union Road Sunday School.—Our school is progressing favorably under the efficient teaching of Miss Ethel McQuarrie of Roseneath.

A GRAND entertainment, banquet, and ball, was given on Wednesday evening last at Tignish under the auspices of the Tignish Branch of A. O. H. God save the King.
The addresses were well thought out excellently delivered and punctuated with applause. The reading by Rev. P. C. Gauthier was considered the best ever given here. The music was all of a high order. Where each number was so exceedingly well executed it would be invidious to particularize. The whole performance reflected much credit on those who took part. After the singing of God Save the King, the members, together with about 400 guests, sat to a sumptuous repast. Thereafter a march was played on two excellent Thomas organs, loaned for the occasion.

DO YOU FEEL SEEDY?
IF YOU ARE NERVOUS, DEPRESSED, SLEEPLSS AND SUFFER FROM SICK STOMACH, HEADACHE, CONSTIPATION AND INDIGESTION, YOU NEED A GOOD TONIC LIKE FERROZONE TO BUILD UP THE SYSTEM.
Thousands are in this dreadful condition only half alive, unable to stand the strain of work and worry. There is no sense or reason in trying to be comfortable with the idea that it will pass off, and that you are going to be better soon. Unless the system is cleared of the impurities that poison the blood, you will never be better.
The best remedy is Ferrzone. It achieves marvellous results in chronic wasting diseases, nervous prostration, faulty nutrition, heart disease and stomach troubles.
Ferrzone promotes healthy digestion which results in all food being assimilated. Nutrition is vastly improved, the blood grows rich and red and gives stability to the entire system. The store of nerve energy and force increases daily by the use of Ferrzone. The process of waste is arrested, and in its place a rebuilding of the whole system takes place.
Diseased conditions cannot exist where Ferrzone is used. It attacks disease at its very foundation, and by keeping the body well nourished and supplied with strong blood and a powerful nervous organization prevents and keeps away all manner of sickness.
There is no blood builder, nerve tonic and seetgh producer that can equal Ferrzone, and few people are so well could derive great benefit from the use. It is valuable in Nervous Dyspepsia, Anaemia, Weakness, Impure Blood, Bronchitis, Neuralgia and Rheumatism. It is prepared in the form of a chocolate coated tablet and is both pleasant and convenient to use.
Ferrzone produces that high standard of health so much desired by everyone. It brings back the rosy tint to the pale cheeks of the Anemic girls and women. It puts grace and elasticity into their movements, gives lustre and brightness to the eye, and symmetry and roundness to the form. It gives a man new strength and energy with which to pursue his bally toil, and can be relied upon at all times to benefit and give perfect satisfaction.
You can't invest half a dollar to better advantage than in a box of Ferrzone. Your druggist has it, or it will be mailed to your address if price is forwarded to N. C. Polson & Co., Kingston, Ont.

THERE will be a public Gospel meeting in Great George street church, open to all on Sunday at 8.45 o'clock. The lesson will be found in Luke 19-10 "Save that which was lost." Remember the hour 3.45.

REMARKABLE SUCCESS.

Of a New Catarrh Cure.

A large and constantly increasing majority of the American people are catarrh sufferers. This is not entirely the result of our changeable climate, but because modern investigation has clearly proven that many diseases, known by other names, are really catarrh. Formerly the name catarrh was applied almost exclusively to the common nasal catarrh, but the throat, stomach, liver, bladder, kidneys and intestines are subject to catarrhal diseases as well as the nasal passages.

In fact, wherever there is mucous membrane there is a feeding ground for catarrh.

The usual remedies, inhalers, sprays douches or powders, have been practically failures, as far as anything more than temporary relief was concerned, because they simply dry up the mucous secretions, without having the reastest effect upon the blood and liver, which are the real sources of catarrhal diseases.

It has been known for some years that the radical cure of catarrh could never come from local applications, but from an internal remedy, acting on the blood and expelling the catarrhal poison from the system.

A new internal preparation which has been on the market only a short time, has met with remarkable success as a genuine, radical cure for catarrh.

It may be found in any drug store, sold under the name of Stuart's Catarrh Tablets, large pleasant tasting lozenges, composed principally of antiseptic ingredients, Blood root, Red Gum and similar catarrh specifics.

Dr. Ainslee in speaking of the new catarrh cure says: "I have tried the new catarrh remedy, Stuart's Catarrh Tablets, upon thirty or forty patients with remarkable satisfactory results. They clear the head and throat more effectually and lastingly than any douche or inhaler that I have ever seen, and although they are what is called a patent medicine and sold by druggists, I do not hesitate to recommend them as I know them to be free from cocaine and opiates, and that even a little child may use them with entire safety."

Any sufferer from nasal catarrh, throat or bronchial trouble, catarrh of the stomach, liver or bladder will find Stuart's Catarrh Tablets remarkably effective, pleasant and convenient, and your druggist will tell you they are absolutely free from any injurious drug.

OWING to the 4th Regiment Band concert being on Thursday night the 27th inst., Mr. Percy Pope's lecture will be held on Monday night the 24th inst. in St. Paul's Schoolroom, subject, "Mrs. Orthodoxy, Madame Fashion and Mrs. Grundy."
