FINE FLAG POLE.—One of the finest flag-poles to be seen in many a day's travel, was recently placed in position, by a small army of men, on the grounds of the Tryon Consolidated School. The Guardian is informed that the pole is seventy feet in height and presents a very fine appearance. Indeed, and is also a credit to the ingenuity of the builder, Mr. George Pratt, to whom is accorded the congratulations of the people of the School Districts and immediate community.

GREAT MEETING IN TYNE VALLEY.—One of the largest and most successful political meetings ever held in the second district took place in Tyne Valley Hall on Monday night in the interest of the Liberal-Conservative Candidates. Messrs. Shelton Sharp and G. M. Matthews. Rousing addresses were delivered by the Candidates by Premier Mathieson, Hon. John McLean, Mr. A. A. LeFurgey and others. The speakers were listened to attentively, hearty applause greeted the points made, and general satisfaction was expressed with the Mathieson Government's magnificent record.

STATIONARY HOSPITAL.—Lieut. Col. H. P. McLeod, M. P., of Fredericton, who is distributing officer for the 1st Canadian Division in France, referring to Canadian hospitals in France, says in a recent letter: "They are best of all. Lieut. Col. Shillington's hospital at Le Touquet being the first among the Canadian hospitals." Prince Edward Island is represented by having three members from this province on the staff of Col. Shillington's hospital, which is No. 2 Stationary Hospital. They are Nursing Sister McLean, daughter of Hon. John McLean, Souris, Capt. J. S. Walker, Q. M., and Q. M. S., William Hughes, both of Charlottetown. There is also a ward in this hospital named after this province.

ENJOYABLE EVENING.—The many friends of Mr. and Mrs. John McNevin enjoyed a musical and recital at their home 35 Vill Street on Monday evening. Miss Marjorie Stanley of Glace Bay, daughter of Mr. Frank J. Stanley very acceptably read three numbers. "Mr. Arthur Bruce well known in Charlottetown musical circles beautifully sang two numbers, his clear tenor voice never having been heard to better advantage. Mr. Alton Stanley of Glace Bay artistically rendered several solos which were heartily appreciated. Miss Henrietta Rackham, directing teacher in the Speech Department of St. Paul Public Schools contributed in her munificent style many homogenous numbers and graciously responded to many enquiries. Miss Kathleen Bruce, and Miss Helen Smith as accompanists, showed excellent technique and rare talent. Altogether the evening was one of real pleasure.

SPLENDID SHEEP.—One of the men who has done considerable for the sheep industry in this Province is Mr. Cephas Nunn of Windsor. Mr. Nunn has always been a heavy exhibitor of sheep at our Maritime Shows, carrying off a goodly number of the ribbons. For the last few years he has exhibited Hampshires and Southdowns but quite recently he sold out the two latter breeds and bought a number of Cheviot breeding ewes. Everyone who knows anything about Cheviots admires those square, active, stylish animals. Mr. Nunn's flock is no exception, and no doubt he will prove as successful with this new breed as he has with other breeds heretofore. His Hampshires are also up to their same high standard, this year's lambs being an especially fine lot. Mr. Nunn believes in keeping the best that's going, and the appearance of his flock testifies to his care and attention which he gives his animals.

A PRESENTATION.—On Monday afternoon, Mr. Wendell Shaw, formerly of the Charlottetown Station, who has enlisted for the front, was waited upon at the station by Manager Leightizer and other members of the staff and presented with a wrist watch, suitably engraved, and the following address: Mr. Wendell Shaw: We, the staff of the Charlottetown Canning Station, while regretting that you are going from amongst us and your near and dear relations, wish to express our great admiration for the action you are taking, which demonstrates the deep sense of duty to the Empire with which you are imbued. It is a heroic step that you are taking, and we wish to present you with this small material token of our regard for you, and to assure you that you will have our sincere sympathy, earnest wishes and prayers for your safety and complete success. May you return to your own and us when the inevitable victory of the righteous cause shall have been won, sharing in the glory which we believe will be achieved by the arms of the Empire. Good-bye.

It is doubtful if better racing will be seen on the local track this fall. The Fourth Regiment Band will be in attendance and will discourse a special programme of music.

DISTINGUISHED ISLANDER HOME.—Mr. M. A. McQueen, barrister-at-law, Winnipeg, is visiting his old home at Orwell, and is receiving a warm welcome from friends there. Mr. McQueen is one of the leading barristers in the Canadian West. Although he has been abroad for a good many years he still has fond recollections of his birthplace and visits it as often as the opportunity permits. Incidentally it may be stated that the McQueen prizes of \$50, \$30 and \$20 for the three best students in English at Prince of Wales College come from him. On his way to Orwell Mr. McQueen stopped over a day or two in

Summerside with Major and Mrs. Schurman.

PRIZE WINNERS.—Photos of events in which P. E. Island soldiers figured have won a prize at the Brandon, Man., Exhibition open to the entire Dominion July 19th to July 23rd, 1915. Among the views sent by a Charlottetown exhibitor, entered for the amateur photographic "snapshot collection," were the following: "Cascadia sailing Aug. 5th, 1914 with P. E. I. Artillerymen." "Northumberland sailing Sept. 10th, 1914 with 82nd Regt. Infantry." "Company P. E. I. Artillerymen drilling at Victoria Park" and "A Company of soldiers returning from the Rifle Range."

PLEASANT TRIP.—Mr. Alphonsus Brown, Bayside, has just returned from a holiday trip spent in the Eastern American cities. His itinerary included Boston, New York, Philadelphia, Atlantic City and Pittsburgh. In the latter city he was the guest of his brothers William and Justin who comprise the firm of Brown Bros. which carries on a large contracting business in Pittsburgh and Dormont, Pa. Mr. Brown reports business as usual in the building line, his brothers having more men employed than in any previous year. He says that the Germans, who comprise a large portion of the population of Dormont, have very little comment to make on the war but the majority seems to favor the Allies.

METHODIST SUMMER SCHOOL.—The Methodist Summer School for Mission and Christian Leadership to be held at Freetown, N.S., will bring a number of distinguished men to the island. A few more applications can be considered. The first session is at 7.30 Wednesday evening, Aug. 18th.

MOTOR HAND CARS.—It is getting more and more apparent that motor power is essential, and being adapted for all purposes as quite a number of the hand cars for section work on the P. E. I. R. are being equipped with a motor engine named the "Booster," made expressly for that purpose by the International Harvester Co. which are giving excellent satisfaction. A number have already been installed on different sections. The demand has been so great that the Company is rushed to its utmost capacity to fill its orders and more are daily expected for the Island section men very shortly. This new development is certainly a labor saving and a more machine like way of doing the arduous work on the track.

AGED LADY KILLED BY TRAIN AT BARNABY RIVER.

NEWCASTLE, N. B., Aug. 8.—A shocking fatality occurred at Barnaby River about nine o'clock Saturday morning when Mrs. Margaret Quilty, aged seventy, was run down by an Intercolonial shunter and instantly killed. Deceased who lived with her son, John, who is station agent there, had gone to a neighbor's for milk and was returning home across the tracks when the shunter came along. This train does not stop at Barnaby, and her son seeing her attempting to cross in front, shouted and waved for her to go back, but she evidently did not hear or understand until too late. Coroner Desmond is investigating the accident.
