Scout News and Notices

The official Dominion Headquarters Indoor Training Course will be held in the 6th Charlottetown Group Headquarters starting Friday, April 19th, at 7.30 p. m., continuing Saturday, April 20th from 1.30 p. m. to 5 p. m.

The course re-convenes the following Friday, April 26th at 7.30 p. m., and the final session will be Saturday, April 27th from 1.30 p. m. until wound up in the evening with a dinner.

Mr. Eric L. H. Ings, Provincial Executive Secretary, will give special talks. No matter how long or short a time you have been in Scouting, there will be something new and interesting to learn and take away with you.

Please wear full uniform if possible and don't forget note-book and pencil.

Be sure to advise Mr. Arthur MacGowan, District Secretary, no later than April 18th of your intention to be present. Phone 383.

Yours for Better Scouting,
 W. A. AINWORTH
 District Commissioner

TRINITY UNITED CHURCH

Both services of Trinity United Church were led by Rev. Hugh Miller. In his morning address the minister gave a cross section of the work of the church, especially that of the Board of Home Missions, stressed the spirit of the early Church, showed how the church stands for all the ideals of justice and democracy at stake today, and made a plea for the advancement of Christ's Kingdom and a cessation of the present day retreat in spiritual matters.

In his evening address Rev. Mr. Miller in a masterful exposition showed that man-made battlements and the power of human might is not enough to protect a nation or an individual but that he must have the added strength of the saving power of God in Jesus Christ. At the morning service Rev. Mr. Miller made the following statement:

"As you are aware, there is a bill before the legislature of this Province to legalize the sale of the one and wine. I wish this morning to make several observations.

"1. The United Church of Canada is on record as opposed to the one and wine. I wish this morning to make several observations.

"2. The liquor traffic is regarded as one of the chief social and political evils. It must be judged by its aim and its fruit. Its aim is the accumulation of dividends and it can do so only by the sale of its products. Its fruits are evil. Placed on the one hand all that can be said in favor of the traffic and on the other all evil effects and it stands condemned.

"3. There is no need for the sale of Beer and Wine. The provisions at present for the sale of liquor is too liberal. During the last war, Canada prohibited the traffic in intoxicating liquors that the war might be more efficiently prosecuted. Does it become this province when democracy and freedom are again threatened to do the opposite of legalizing the sale of Beer and Wine?

"I might say much more. Sufficient has been said to bring the matter before us. The appeal is to Christian people, our loyalty and the welfare of our people."

The choir, under the capable direction of Mr. A. R. Kendall, made its usual fine contribution to the spirit of devotion and worship of these services. The morning anthem was Eric Thurman's inspiring work "Christ Hath a Garden." A double hymn, "Overstepped the Boundaries" and "The King of Love My Shepherd Is." In this selection, Miss Berna Heustick took the solo part.

PERSONALS

Mr. and Mrs. Wm. Singleton, arrived home Friday evening by motor car from Wakefield, Mass. He called home by the serious illness of Mrs. Singleton's father, Mr. Lewis P. Tanton.

Mrs. Thomas Brazel and daughter Margaret, of Mr. Ryan, were visitors last week to Glenora, the guests of Mrs. Brazel's sister, Mrs. Joseph McIsaac.

ST. JAMES CHURCH

Both services at St. James Church yesterday were conducted by the Rev. J. Kier Fraser, D. D. The subject in the morning was "Religion and Business" and in the afternoon "The Ministerial Office." The minister pointed out that life should not be divided into compartments and that religion was meant for week days as well as for Sunday. The choir sang the anthem "Leave Us Not—Stranger, in which the duties were taken by Messrs. Bruce and Charles MacKenzie. In the evening Dr. Fraser, taking as his example the rich young ruler, showed that life revolved around some central principle and it was necessary to have Christ at the centre if a Christian life is to be lived. The evening service was the anthem "Abide With Me"—Lyric.

FEAST OF ST. JOSEPH

The feast of the Patronage of Saint Joseph was fittingly observed at St. Joseph's Convent Wednesday. At seven o'clock Mass was offered in the Convent Chapel by Rev. Dr. McMahon, Chaplain of the Sodality. A large number of Sodality members and received Holy Communion.

The evening at 7.30 thirty-eight young ladies were received into the Sodality. The sermon for the occasion was preached by Rev. John Sullivan of St. Dunstan's University.

Father Sullivan spoke of St. Joseph's threefold claim to our veneration as spouse of the Virgin Mary, foster father of Jesus and patron of the Universal Church. He exhorted his hearers to imitate the virtues of St. Joseph especially his spirit of humility and obedience, virtues so necessary in our times when all are contributing

CANADIAN GOVERNMENT COMMISSIONS PROMINENT CANADIANS Endorse this Appeal

Y.M.C.A. To Gigantic War Task

Your Help now urgently needed

The "RED TRIANGLE" is a welcome sight to men in uniform both in Canada and Overseas. It assures some home comforts, companionship, relaxation and inspiration wherever they may be.

FROM the Canadian Government the Y.M.C.A. has again accepted a gigantic and vital responsibility... to help in maintaining the morale of Canadian Troops, both at home and overseas, by providing facilities for their comfort, enjoyment and inspiration during off-duty hours and on leave.

Already the 'Y' has swung into ACTION! Since the declaration of war the facilities of 44 Y.M.C.A. Buildings from coast to coast have been made available without charge to Troops in training, for baths, swimming, physical training and social activities. 25 Y.M.C.A. Centres have been opened in Camps and Barracks... Red

From his camping experiences in Canada a Y.M.C.A. OFFICER INTRODUCED THE TUMPLINE to the Canadian army during the Great War. It lightened many an awkward load. Just as 'Y' programmes lightened many a heavy heart.

Y.M.C.A.

The Boys depend on the 'Y'
 ... the 'Y' depends on YOU

Give Generously CANADIAN Y.M.C.A. WAR SERVICES FUND - APRIL 15

Triangle Clubs have been equipped and opened in many cities... Stationery, Games, Books, Concerts, Motion Picture Shows, Dances have been provided without charge... in Halifax a hostel with sleeping accommodation for 500 men is now being operated by the 'Y'... trained 'Y' Secretaries went over with the first Canadian contingent to lay the foundation of this great undertaking in England and in France... already the 'Y' is operating 9 Huts at Aldershot... where hundreds of dollars of sports equipment and games have been distributed free to the boys. The operations of the new "Beaver Club" in London are now being entirely financed by the Canadian Y.M.C.A. and all programmes are being conducted by an executive staff of trained 'Y' Secretaries.

All this has been done—on faith and borrowed money. The next move is YOURS. \$1,038,000 is urgently needed—NOW—for this vital work is to be continued and extended. This is the minimum requirement based upon a comprehensive study and estimate of the needs, in Canada and Overseas.

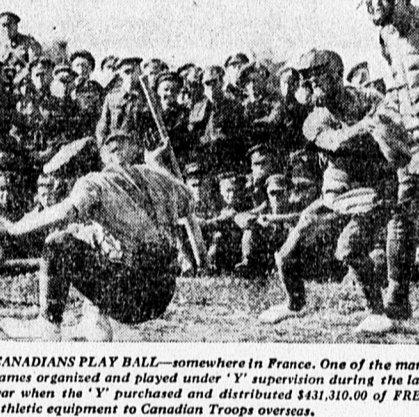

As vitally important as military and first aid equipment is the morale of the troops. In Y.M.C.A. files is a letter from the late Gen. Sir Arthur Currie, reading in part: "I have often contended that it is hard to estimate the real value of good morale, and it has been in helping to keep up the morale of our forces that you have won your right to be acknowledged forever a factor in winning the victories."

More eloquent testimony is contained in hundreds of letters from men who were in the ranks. On Mother's day, May 12th, 1918, Private G. W. G. wrote his Mother from France as follows: "As you will see by the heading of this, we have not forgotten the Day even away over here in France, thanks to the thoughtfulness of the Y.M.C.A. They certainly are doing a wonderful work and we would be lost without them."

Today thousands of Canadian boys in the Army, Navy and Air Force are depending on the 'Y' for this service. Your generosity can assure that they will not look in vain!

A WARM CUP OF TEA. Maj.-Gen. A. G. L. McNaughton, at Aldershot, enjoys a cup of tea at the new Y.M.C.A. Mobile Unit. In the last war the Y.M.C.A. spent \$431,750.00 on FREE tea, coffee, biscuits and cigarettes served to men in the battle area.

CANADIANS PLAY BALL—somewhere in France. One of the many games organized and played under 'Y' supervision during the last war when the 'Y' purchased and distributed \$431,310.00 of FREE Athletic equipment to Canadian Troops overseas.

This crowd consisting mainly of hired mourners and the friends of the ruler of the Synagogue, reproached Christ and even derided Him when He said: "The counsel is not dead but sleepeth for they had drawn their own conclusions that the girl was dead and felt it was ridiculous to think otherwise. Rev. Mr. Gardner pointed out that though this incident had taken place nearly two thousand years ago yet the Christians of today are still deriding and rebuking Christ. We have a tendency to follow the traditions of our forefathers and are inclined to seek popular religion. We are not glorifying today in converted souls in bringing wandering souls into the fold or in delivering people from sin because we have a deadness in our religion caused by unbelief and ridicule, the consequences of following traditions and seeking popular religion. If we were willing to be thoroughly overhauled and to be cleansed, and to be willing to seek the will of God and to do it, this deadness would disappear and despair would be changed to hope and mourning to joy.

"So is the will of God that with well doing we may put to silence the ignorance of foolish men" First Epistle of St. Peter 2:15, was the text of Reverend Mr. Gardner's sermon at the evening service. We cannot eradicate or overcome ignorance, the Rector went on to point out, but we can silence it; this can only be done by well doing as the text reads, that is by living Holy lives and speaking from such living. As Holy living is the important thing we must take time to be Holy.

At the morning service the anthem, "The Resurrection and Ascension"—Trowbridge, was very beautifully sung by the choir under the direction of Mr. Albert Dennis with Miss Earle as organist. The anthem, "And Behold I am Alive" Simper was sung at the evening service. Mr. Burleigh Taylor assisted the Rector at both services.

THE BAPTIST CHURCH

"Victories of the Spirit" was the subject of the morning sermon by the Rev. Harvey L. Denton, B. D., yesterday. Saint Paul says in I Corinthians 15:57, "Thanks be to God who giveth us the victory through our Lord Jesus Christ,"

In Memoriam

FRANCIS WILLIAM DOYLE

On the evening of Monday, March 18th, 1940, the Angel of Death visited the home of Mr. and Mrs. Bernard Doyle, Earncliffe, and gently bore heavenward the innocent young soul of their darling son, Francis William.

Born of July 3rd, 1938, for the brief space of eight and a half months he cast eternal rays of golden sunshine in the home, and his passing leaves an aching void in the hearts of his parents, his devoted grandmothers, his loving young sister and brothers and his many other relatives. To all these the sympathy of the community goes out in their bereavement.

The funeral took place on Tuesday afternoon at St. Joachim's Church, Vernon River and was attended by a large concourse of neighbors and friends of the family. Weep not for those whom the veil of the tomb.

In life's happy morning hath hid from our eyes
 Ere sin threw a bright o'er the spirit's young bloom,
 Or earth had profaned what was born for the skies.

BLACK ON LUNGS IS NOT FROM SMOKY DUST, SCIENTIST FINDS

CINCINNATI, O., April 13—(AP)—An astonishing medical discovery is announced—that lungs turn coal black not from smoky dust as long believed, but from a pigment apparently manufactured by the body itself.

Dr. Georgeine A. Moerke of the Detroit Municipal Tuberculosis Sanatorium reported this discovery to the American Chemical Society.

Her tests do not show the cause of pigment nor that it is dangerous to health.

For many years autopsies have shown black lungs. Housewives or anyone might have them, but because this was a common condition of miners, the black was attributed to carbon dust and named anthracosis.

Dr. Moerke analyzed some of the black stuff. She transformed it into a fluffy white material, something like impossible with carbon dust. She showed that when dried it will burn, which formerly was one reason for believing the black stuff was carbon. She demonstrated that its origin was organic, that is, a deposit of living tissue.

WESTMORELAND W. I.

The regular meeting of the Westmoreland W. I. was held on the day evening, April 9th, at the home of Miss Grace Moore. Seven members were present. The President Mrs. Fred Fall very capably presided. Meeting opened by reading The Women's Institute Creed followed by a Club Woman's Carol in unison. Minutes of last meeting read and adopted. A letter was read from Y.M.C.A. soliciting the help of each Institute member in the campaign soon to be conducted to raise money for war work. The government grant of \$2.00 was received as some of the members expressed their desire to have the Tuberculin test in the school it was decided to write to Miss Ross Public Health nurse for particulars on same. Collection was taken amounting to 40 cents. It was moved and seconded that bills amounting to \$5.00 be paid. The school committee reported that the book-cases has been made and put up in school, also that new hand towels were needed for school. The secretary reported that 7 pairs of socks, 2 pairs of rifle mits, 2 sweaters and 2 scarfs had been knit and forwarded to Red Cross. It was decided to answer roll call at our May meeting by exchange of bulbs or seeds. Mrs. Robert Mayhew invited members to meet at her home for next meeting. New committees were appointed for following month.

Sick and School committees re-appointed. Education Program, Mrs. Harold Oakes and Mrs. Lorne MacLure. Social Program, Mrs. Fred Wilson and Mrs. Robert Mayhew. Lunch, Mrs. Bert T. Owen and Mrs. Robert Mayhew and Mrs. Fred Fall.

Meeting adjourned and remainder of evening was spent in readings and contests, after which lunch was served by committee in charge.

The Rt. Hon. W. L. Mackenzie King writes:
 Ottawa, Jan. 8th, 1940

"The government was well aware of the magnificent work done by the Y.M.C.A. between 1914 and 1918 and gladly accepted the services offered by the Association at the outbreak of the present war. I should like, on behalf of the government, to commend the work of the Y.M.C.A. in ministering to the comfort of the men on active service in Canada's armed Forces. The contribution of the Y.M.C.A. to the spiritual and material well-being of those who will ever be numbered among the defenders of our Christian civilization is much appreciated by my colleagues and myself."

Y.M.C.A. Launches Funds Campaign For War Service

The local Y. M. C. A. is "out of the red" or in other words, free of debt. After upwards of fifty years of struggling under the handicap of financial difficulties, which at times threatened to overwhelm it, the oldest Y. M. C. A. in North America is now free to accept the challenge of modern requirements and war necessities.

This happy state of affairs is due in a large measure to the splendid effort of Mr. J. P. Hillion who, almost unaided, financed and secured the necessary financial support of about twenty-five public spirited citizens who were not slow to recognize the zeal with which Mr. Hillion pursued his objective and the underlying reasons for his powerful appeal.

The closing of the "Y" would have been a step of retrogression which years of effort might not overcome. Business men who could recall the advantages which they enjoyed through "Y" membership, whether as school or college boys, could not turn a deaf ear to be instrumental in withholding from the present generation the same benefits which themselves were permitted to share, as the necessary funds were forthcoming.

This week marks the second phase of the rejuvenated Y. M. C. A. of the city. Representatives of all business firms, professional men and others have pledged themselves to workers to make representation so that the "Y" may function naturally and effectively for the next year. This movement will be conducted concurrently with the "National War Service Campaign" from April 15th-20th.

The remark has often been heard "Give till it hurts." In this instance it may be better to say "It will hurt if you don't give."
