

MAKE MONEY EARN ITS WAY

No attention is paid by many people to the investment of small sums of money. It is allowed to remain idle. To get the most out of life, people must work—so with money. It should be made to more than earn its own way.

To some this may not have occurred to be worth while. To others, it is not known that excellent bonds, affording abso-

lutely safe and profitable investment, are issued in denominations of \$100 and \$500. Any number can be purchased from us, yielding splendid interest return. Full particulars upon request.

We give the same price and attention to large and small orders.

We are glad to receive inquiries about investments. Write today
