We are proud to be able to offer the public of this Province this wonderful remedy.

In a very short time the praises of Nulife [Red Blood Tablets] will be sounded the length and breadth of Prince Edward Island—its cures will be astounding and its name will become a household word.

All that is required is a fair trial—an unbiased comparison and you will reap the benefits one hundred fold.

There are dozens of diseases due directly to impure blood—some doctors will say the disease is this, druggists will say it is that, but when the whole matter is sifted down, it is caused directly from impure or impoverished condition of the blood.

You may think your stomach is not right or your liver is not as it should be, you are a nervous wreck or your heart is weak, but sift the whole subject down to one point, and what is the cause? It is most probably caused directly from impoverished blood—Weak-thin-colorless blood is bound to drag down your system—and the longer you delay the more dangerous is your case.

Complications will set in and finally your case is considered hopeless, Nulife would then have to work at a disadvantage, but many such remarkable cures have been made.

If you are not feeling right—if you lack ambition and feel an inability to hold your own in work—brain or manual—your blood is bad and your system requires some nourishment.

Better a thousand times to take this remedy at the beginning—before your system becomes weakened. There's not a particle of injurious properties used in its manufacture. If it won't cure it will no injury, but it is a hopeless case indeed that it will not help.

Nulife [Red Blood Tablets] will be sold by your druggist—if he cannot supply you send direct to us. If by mail, enclose 50c and we will pay postage.

Nulife (Red Blood Tablets) is a combination that will cure all diseases arising from poor or impoverished condition of the blood.

It is a remedy that is tried and true—a remedy brought to this Province as a blessing to humanity. It will act naturally and will help nature do its best work.

Is a helping hand—will lift the delicate from a state of indifference to all the arduous ambition of youth.

It acts directly on the blood—increases the corpuscles and enriches the blood, adds stamina and strength to the system and offsets disease and death.

The human system is more or less liable to attacks from disease. A weak system accumulates disease germs, and continuously courts illness.

Nulife (Red Blood Tablets) is made to strengthen the system—throw off these disease germs and raises the system to a state of healthy manhood and womanhood.

A Great Nerve Tonic

Nulife (Red Blood Tablets) is a nerve food of renown—it supplies the nerve cells with nourishment and stimulates the nervous system by enriching the blood.

If your nervous system is not right get down to the root of the trouble—it's caused by poor blood and common sense will tell you that the only way is to cure the cause. Take tablets that will feed the nerves with the proper nourishment and strengthen your whole system.

Give Nulife a fair trial—you'll benefit by this suggestion.

Diseases Caused by Impoverished Blood

The impoverished or watery condition of the blood is usually accompanied by some of the following symptoms—a pale and sallow complexion, a general muscular weakening, loss of appetite, depression of the spirits, lack of ambition, anaemia, chlorosis or green sickness, palpitation of the heart and shortness of breath on slight exertion. Rheumatism, Erysipelas and scrofulous conditions and troubles of females, are due directly to scanty or depraved blood supply also Female Weakness, Leucorrhoea, Tardy, Irregular Painful Periods, Disturbances due to the change of life, etc.

NULIFE (RED BLOOD TABLETS) a purifier of the blood and therefore invigorates the weakened system from which such diseases as Nervous Prostration, Debility, Sleeplessness, and the numerous other diseases originate. The more dangerous diseases arising from poor and impure blood are St. Vitus Dance, Paralysis and Locomotor Ataxia.

NULIFE (RED BLOOD TABLETS) is unexcelled for building up a system shattered by excesses and for the various ills caused thereby. It is indispensable for Spermatorrhea, Impotence, Nervous Despondency, Confusion of Ideas, Irritability of Temper, Pain in the Back and Perineum.

Read the Directions

When you try a box don't for a moment imagine that the opening of the box or a look at the tablets will cure you—not even the taking of them irregularly.

When you open the box read the directions carefully—follow them closely and you'll find the result will repay the effort.

It's folly to expect any magic cure—the directions were carefully and scientifically worked out and should be followed to the letter. Otherwise the action is slower and results less sure. When instructions are followed the results will be most gratifying and you'll save money.

For Children and Girls

Nulife (Red Blood Tablets) is just as beneficial for children and girls as for grown-ups. Its action is identically the same only lesser doses are prescribed.

Many girls are neglected because they do not feel inclined to describe their ailments and are allowed to continue in delicate health when a few doses of Nulife (Red Blood Tablets) would entirely cure them and carry them into womanhood healthy and as pretty as a picture.

It is impossible to have a good complexion unless the blood is pure and rich—and there is no known way in which to enrich the blood and have a ruddy complexion than by taking Nulife (Red Blood Tablets.)
