ISLANDERS INTERESTED.—Many in this Province will be interested to know that the Maritime Provinces Association, of which Mrs. D. A. Shiles, of Westminister, B. C. is the Vice-President representing P.E.I. is doing splendid work. The Association was formed three years ago and has about two hundred members, the majority being from N. B. and Nova Scotia. The Society holds a meeting on the last Tuesday of every month during the winter, winding up with an annual meeting and banquet in March. Its aim is to keep the memories of their Eastern homes green, and to be of assistance in finding relatives or friends of those in the home land, who have lost track of wanderers in this far western country. In many instances, members of this Association have attended funerals of those who have died far from home and friends. In this way they consider they have been of some use, and would like to make it known through the Guardian, that there is such an Association and that its members would be glad to answer any inquiries sent through Mrs. Shiles.

At Kingston, P. E. Island on March 21st, Mrs. Charles E. Paul passed out of the shadowland into the rest of the life everlasting. During her short illness she suffered severe pain. All that love and skill could do was done, but the summons came and she went to be with Jesus.

Every one who knew Mrs. Paul was deeply impressed by her many excellent qualities of heart and mind. Until last December her home was in Bungay and early in life she united with the Methodist Church at Hunter River where she was an active member of the Sunday School, the choir and the W. M. S.

She was ever ready to assist in all church work, performing the duties imposed upon her in the most cheerful manner. The example of her kind and unselfish life will ever be cherished in the home, and long remembered in the community in which she spent her life.

Besides her grief stricken husband she leaves to mourn her father, Mr. Edwin Carew, three brothers, Fred of Bedford, Mass., Rev. Bruce stationed at Cape Oyo and Clifford and one sister Annie Rebecca at home.

A short service was held at Kingston on the 22nd and the body was brought to the residence of her father where the funeral service was conducted by her pastor, Rev. Geo. Ayers on March 23rd and interment was in the Wheatley River cemetery.

But we grieve not, even as others which have no hope. For we believe that Jesus died and rose again, even so then also which sleep in Jesus will God bring with Him.
